## Happy Foreigner:

**The Happy Foreigner** Enid Bagnold, 1920      *The Happy Foreigner* Enid Bagnold, 2019-12-16 In Enid Bagnold's novel *The Happy Foreigner* a nuanced exploration of identity and belonging unfolds against the backdrop of a turbulent post World War I Europe. The narrative follows the protagonist, a spirited Englishwoman who immerses herself in the vibrant culture of France, deftly blending lyrical prose with elements of travel literature. Bagnold's keen observational prowess captures the subtleties of social interactions and the intricate dynamics of expatriate life, offering readers a rich tapestry of emotional landscapes and cultural contrasts that reflect the broader themes of displacement and acceptance prevalent in early 20th century literature. Bagnold, an accomplished novelist and playwright, drew upon her own experiences living abroad to craft this poignant tale. Having been raised in a house steeped in creativity and intellect, she often engaged with the artistic circles of her time, which informed her understanding of human connections and the complexities of cultural exchanges. Bagnold's personal journey of navigating foreign environments is poignantly mirrored in her characters, lending authenticity to the narrative. *The Happy Foreigner* is a compelling read for those intrigued by the intricacies of expatriate life and the search for one's place in a world of shifting identities. Bagnold's masterful storytelling and profound insights render it an essential addition to the canon of modern literature, appealing to readers who appreciate rich character development and layered narratives.

Pink, because he knew well the country and because Irish, who also knew it well, refused pointblank to go into it again, even as a reprieve, rode alone except for his horses down into the range of the Rocking R. General roundup was about to start down that way and there was stock bought by the Flying U which ranged north of the Bear Paws. It so happened that the owner of the Rocking R was entertaining a party of friends at the ranch; it also happened that the friends were quite new to the West and its ways and they were intensely interested in all pertaining thereto. Pink gathered that much from the crew besides observing much for himself. Hence what follows after Sherwood Branciforte was down in the blacksmith shop at the Rocking R watching one Andy Green hammer a spur shank straight. Andy was what he himself called a tamer of wild ones and he was hard upon his riding gear. Sherwood had that morning watched with much admiration the bending of that same spur shank and his respect for Andy was beautiful to behold.

*The Second Battlefield* Angela K. Smith, 2000 This book investigates the connection between women's writing about WWI and the development of literary modernisms, focusing on issues of gender which remain topical today. Drawing on a wealth of unpublished diaries and letters, the book examines the way in which the new roles undertaken by women triggered a search for new forms of expression. Blending literary criticism and history, the book contributes to the scholarship of women and expands our definition of modernisms.
