## Happy Convent:

**Friendship's Shadows** Penelope Anderson, 2012-08-06 Penelope Anderson's original study changes our understanding both of the masculine Renaissance friendship tradition and of the private forms of women's friendship of the eighteenth century and after. It uncovers the latent threat of betrayal lurking within politicized classical and humanist friendship, showing its surprising resilience as a model for political obligation undone and remade. Incorporating authors from Cicero to Abraham Cowley and Margaret Cavendish to Mary Astell, the book focuses on two extraordinary women writers: the royalist Katherine Philips and the republican Lucy Hutchinson. And it explores the ways in which they appropriate the friendship tradition in order to address problems of conflicting allegiances in the English Civil Wars and Restoration. As Penelope Anderson suggests, their writings on friendship provide a new account of women's relation to public life organized through textual exchange rather than bodily reproduction. Littell's Living Age, 1850 **Littell's Living Age** Eliakim

Littell, Robert S. Littell, 1860 **Biographical Sketch of Mother Margaret Mary Hallahan** Margaret Mary Hallahan, 1871

**Brittany** Mortimer Menpes, 1905 *Life of Mother Margaret Mary Hallahan...*, 1869 *Biographical Sketch of Mother Margaret Mary Hallahan* Anonymous, 2023-02-19 Reprint of the original first published in 1871. The publishing house

Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost. *Fraser's Magazine for Town and Country*, 1862 **Fraser's Magazine for Town and Country** James Anthony Froude, John Tulloch, 1862 **God**

**and Nature in the Thought of Margaret Cavendish** Brandie R. Siegfried, Lisa T. Sarasohn, 2016-04-22 Only recently have scholars begun to note Margaret Cavendish's references to God, spirits, and the rational soul, and little has been published in this regard. This volume addresses that scarcity by taking up the theological threads woven into Cavendish's ideas about nature, matter, magic, governance, and social relations, with special attention given to Cavendish's literary and philosophical works. Reflecting the lively state of Cavendish studies, *God and Nature in the Thought of Margaret Cavendish* allows for disagreements among the contributing authors whose readings of Cavendish sometimes vary in significant ways, and it encourages further exploration of the theological elements evident in her literary and philosophical works. Despite the diversity of thought developed here, several significant points of convergence establish a foundation for future work on Cavendish's vision of nature, philosophy, and God. The chapters collected here enhance our understanding of the intriguing and sometimes brilliant contributions Cavendish made to debates about God's place in the scientific cosmos. *The Congregation of Saint Joseph of Carondelet* Mary Lucida Savage, 1923 *The Knights Hospitaller in the Levant, c.1070-1309* J. Riley-Smith, 2012-05-31 As one of the greatest of the military orders that were generated in the Church, the Order of the Hospital of St John was a major landowner and a significant political presence in most European states. It was also a leading player in the settlements established in the Levant in the wake of the crusades. It survives today. In this source-based and up

to date account of its activities and internal history in the first two centuries of its existence attention is particularly paid to the lives of the brothers and sisters who made up its membership and were professed religious Themes in the book relate to the tension that always existed between the Hospital s roles as both a hospitaller and a military order and its performance as an institution that was at the same time a religious order and a great international corporation [Irish Monthly Magazine](#)

,1902 **Convents and Novices in Early Modern English Dramatic Works** Vanessa L. Rapatz,2020-03-23 Convents and Novices in Early Modern English Dramatic Works attends to the religious social and material changes in England during the century following the Reformation specifically examining how the English came to terms with the meanings of convents and novices even after they disappeared from the physical and social landscape In five chapters it traces convents and novices across a range of dramatic texts that refuse easy generic classification problem plays such as Shakespeare s Measure for Measure Marlowe s comic tragedy The Jew of Malta Margaret Cavendish s closet dramas The Convent of Pleasure and The Religious Aphra Behn s Restoration comedy The Rover and seventeenth century dialogues that include both a Catholic treatise promoting women s entrance into European convents and a proto pornographic expos of such convents Convents novices and problem plays emerge as parallel sites of ambiguity that reflect the social political and religious uncertainties England faced after the Reformation **Discourses on various occasions by ... Father Hyacinthe. ... Translated by L.**

**W. Bacon. With a biographical sketch** Charles Jean Marie LOYSON ([Père Hyacinthe.]),1869 **Elizabeth Seton** Catherine O'Donnell,2018-09-15 From socialite to saint it was an extraordinary journey for Seton one gracefully chronicled in Catherine O'Donnell s richly textured new biography A remarkable biography of a remarkable woman Wall Street Journal In 1975 two centuries after her birth Pope Paul VI canonized Elizabeth Ann Seton making her the first saint to be a native born citizen of the United States in the Roman Catholic Church Seton came of age in Manhattan as the city and her family struggled to rebuild themselves after the Revolution explored both contemporary philosophy and Christianity converted to Catholicism from her native Episcopalian faith and built the St Joseph s Academy and Free School in Emmitsburg Maryland Hers was an exemplary early American life of struggle ambition questioning and faith and in this flowing biography Catherine O'Donnell has given Seton her due O'Donnell places Seton squarely in the context of the dynamic and risky years of the American and French Revolutions and their aftermath Just as Seton s dramatic life was studded with hardship achievement and grief so were the social economic political and religious scenes of the Early American Republic in which she lived O'Donnell provides the reader with a strong sense of this remarkable woman s intelligence and compassion as she withstood her husband s financial failures and untimely death undertook a slow conversion to Catholicism and struggled to reconcile her single minded faith with her respect for others different choices The fruit of her labors were the creation of a spirituality that embraced human connections as well as divine love and the American Sisters of Charity part of an enduring global community with a specific apostolate for teaching The trove of correspondence journals reflections and community

records that O'Donnell weaves together throughout Elizabeth Seton provides deep insight into her life and her world. Each source enriches our understanding of women's friendships and choices, illuminates the relationships within the often opaque world of early religious communities and upends conventional wisdom about the ways Americans of different faiths competed and collaborated during the nation's earliest years. Through her close and sympathetic reading of Seton's letters and journals, O'Donnell reveals Seton the person and shows us how, with both pride and humility, she came to understand her own importance as Mother Seton in the years before her death in 1821. Discourses on Various Occasions Hyacinthe

(père), 1869 **Discourses on Various Occasions** Charles Jean Marie Loyson (known as Père Hyacinthe), Hyacinthe

Loyson, 1869 **Women on Stage in Stuart Drama** Sophie Tomlinson, 2005 Publisher description Quill and Cross in the Borderlands Anna M. Nogar, 2018-06-25 Quill and Cross in the Borderlands examines nearly four hundred years of history, folklore, literature, and art surrounding the legendary Lady in Blue and her historical counterpart Sor María de Jesús de Greda. This legendary figure, identified as a seventeenth-century Spanish nun and writer, Sor María de Jesús de Greda, miraculously appeared to tribes in colonial-era New Mexico and taught them the rudiments of the Catholic faith. Sor María, an author of mystical Marian texts, became renowned not only for her alleged spiritual travel from her cloister in Spain to New Mexico but also for her writing, studied and implemented by Franciscans and others around the world. Working from original historical accounts, archival research, and a wealth of literature on the legend and the historical figure alike, Anna M. Nogar meticulously examines how and why the person and the legend became intertwined in Catholic consciousness and social praxis. Nogar addresses the influence of Sor María's spiritual texts on many spheres of New Spanish and Spanish society over several centuries. Eventually, the historical Sor María and her writings virtually disappeared from view, and the Lady in Blue became a prominent folk figure in the present-day U.S. Southwest and U.S.-Mexico borderlands, appearing in folk stories, artwork, literature, theater, and public ritual that survives today. Quill and Cross in the Borderlands documents the material legacy of a legend that has survived and thrived for hundreds of years and, at the same time, rediscovers the extraordinary impact of a hidden writer.
