Hard Time 1st Edition Signed:

First Editions of American Authors Forming the Library of Frank Maier of New York Frank Maier, 1909 First Editions of American Authors Frank Maier, 1820 *AB Bookman's Weekly*, 1997 Paratexts James Gunn, 2013-04-18 In the mid 1980s Easton Press began publishing a series of leather bound collector editions called Masterpieces of Science Fiction and Masterpieces of Fantasy which featured some of the most important works in these genres James Gunn was commissioned to write introductions to these works which allowed him to pay tribute to many authors who inspired and influenced his own work In Paratexts Introductions to Science Fiction and Fantasy Gunn has collected the most significant essays produced for the Easton series along with prefaces he wrote for reprints of his own novels Cited here are some of the most significant works of 19th and 20th century science fiction and fantasy such as *The Island of Dr Moreau* 1984 *Stranger in a Strange Land* *A Clockwork Orange* *Speaker for the Dead* *The Postman* *Do Androids Dream of Electric Sheep* *The Hitchhiker's Guide to the Universe* *The Dead Zone* *The Mists of Avalon* *Dragon's Eye* *Nine Princes in Amber* *Blue Mars* *The Last Unicorn* and *The Lord of the Rings* Drawing upon Gunn's lifetime of work in the field these introductions include analyses of the individual works and the fields in which they were written Gunn also briefly discusses each novel's significance in the science fiction canon Collected here for the first time these prefaces and introductions provide readers with insight into more than seventy novels making Paratexts a must read for science fiction and fantasy aficionados HSA Books and Manuscripts Dallas Auction Catalog #682 Sandra Palomino, 2008 *The Bookman*, 1911 Collected Books ALLEN OSB; AHEARN AHEARN (PATRICIA.), Patricia Ahearn, 2013-02 An introduction to and advice on book collecting with a glossary of terms and tips on how to identify first editions and estimated values for over 20 000 collectible books published in English including translations over the last three centuries about half are literary titles in the broadest sense novels poetry plays mysteries science fiction and children's books and the other half are non fiction Americana travel and exploration finance cookbooks color plate medicine science photography Mormonism sports et al **The First Filipino** Leon Ma Guerrero, Leon Maria Guerrero, 2010 The British Columbia Reports, 1924 **Collier's Weekly** Norman Hapgood, Nugent Robinson, Robert Joseph Collier, 1905 **Surepeme Court Appellate Division- First Department Case On Appeal**, 1914 *Encyclopedia of Algorithms* Ming-Yang Kao, 2008-08-06 One of Springer's renowned Major Reference Works this awesome achievement provides a comprehensive set of solutions to important algorithmic problems for students and researchers interested in quickly locating useful information This first edition of the reference focuses on high impact solutions from the most recent decade while later editions will widen the scope of the work All entries have been written by experts while links to Internet sites that outline their research work are provided The entries have all been peer reviewed This defining reference is published both in print and on line **Bat Boy** Matthew McGough, 2007-03-13 Most of us have dreamed of sitting in the dugout with our favorite baseball team and at sixteen Matt McGough was no different A few months after sending a blind

application letter to George Steinbrenner on Opening Day 1992 Matt found himself walking into the legendary Yankee clubhouse There amid the chaos and excitement he was greeted by none other than his idol Don Mattingly who promptly played a prank on him Thus began two years of adventures and misadventures from being set up on a date by the bullpen to playing blackjack on the team plane to studying for an exam at 3 am in Yankee Stadium Through these often hilarious experiences and especially through his friendships with the ballplayers Matt learned priceless lessons about honor responsibility and the importance of believing in oneself A magical tale of what happens to a young man when his fondest dream comes true Bat Boy wonderfully evokes that twilight time just before adulthood ripe with possibility foolishness and hard won knowledge

The Cutty Sark Story John Richardson,2014-08-01 The object of this ebook is to create a more vivid impression of an historic event which took place in May 1916 off the South African coast

Lawrence Bruce Leigh,2014-05-19 More than one hundred books have been written about T E Lawrence which explore the man and his deeds Just about every aspect and the many incarnations of his life his campaigns the geo politics of the Arab world and the influence of the West in it as Lawrence experienced them have been examined However nobody has gone in search of the mind of the man himself of his formation and his deep beliefs Nobody has asked the question What really is the source of the extraordinary power of this little man not only in terms of his incontestable qualities of leadership but also in regard to the sheer range of his activities and accomplishments Archaeologist writer guerilla warfare theorist and practitioner diplomat soldier and airman Lawrence also possessed an unusual ability to cross boundaries of class race culture and religion On top of this he demonstrated the ability to walk away from power and wealth and the accumulation of things to change his name more than once to begin again at the bottom of the heap in the RAF and stay there with only a few friends and books and a motorcycle Lawrence Warrior and Scholar is a quest It examines how a slight Oxford academic combined two of the most challenging paths a man can choose What drove and motivated this man How was it that he could apparently out shoot out ride and out starve the Bedouin How is it that the US military and others are still studying his famous account of the Arab Revolt and his 27 Articles Drawing upon what Lawrence and those who knew him wrote and did and said Bruce Leigh delves into Lawrence s personal philosophy and practices examining and analyzing his library and his close relationship to the world of classical scholarship and chivalry emphasizing that Lawrence s views were not abstractions only but intimately tied to his actions and deeds Ultimately the book argues that there is a message in Lawrence s writings and activities one that is against the grain of the world of self definition by consumption As one of his friends wrote The Man was great the message is greater

Character Is Not a Statistic: the Legacy and Wisdom of Baseball's Godfather Scout Bill Lajoie Bill Lajoie,Anup Sinha,2010-01-21 Bill Lajoie just had it When it came to drafting ballplayers and building a World Series club

few in baseball history can match his extraordinary success The lessons of Lajoie's illustrious career and the brilliance of his philosophy are put to print in *Character is Not a Statistic* After a playing career that fell achingly short of the major leagues Lajoie returned to Detroit to become a teacher in the mid 1960s But his unyielding passion for baseball and desire to atone for a broken dream pulled him back to the game as a scout From there he'd go on to build World Series Championships from scratch by finding players who possessed the very character he lacked as a young athlete Starting as an area scout for the Cincinnati Reds in 1965 Lajoie later moved up the ladder with the Detroit Tigers and was the architect and general manager of their 1984 World Series crowning Lajoie would then be instrumental as an assistant GM for two more franchises who dominated their decades with championships and titles the 1990s Atlanta Braves and the 2000s Boston Red Sox Perhaps no one alive has scouted more baseball over the last 50 years or has better stories to tell about finding the greats Though the modern era has seen the depersonalization of scouting via statistics and radar gun readings Lajoie was immensely successful through five decades by emphasizing what a player had inside him His belief in a player's humanity and character persists to this day This book is not only a biography but a collection of great baseball stories and a manual for the next generation of fans and scouts alike Lajoie tackles such controversial issues as the Moneyball movement the importance of a strong manager scouting for makeup making trades preventing pitching injuries running a farm system and ranking both the best general managers and scouting directors of the modern era
