

## THE LIST OF MOST DIFFICULT WORDS

I was still standing although  
 Gabriella Wells and Barbara Ryan were too,  
 their bodies dark against the wall of light  
 that dull-pewter December afternoon,  
 shadows with words that flowed  
 so easily from their mouths,  
*fluorescent* and *grievous*,  
*pie* and *effervescent*,

words I'd spelled out to the rhythm  
 of my father's hoarse whispers  
 during our nightly practice sessions  
 beneath the dim bulb,  
*superfluous*, *excelsior*,  
*desultory* and *exaggeration*  
 mixed with his Schaefer breath  
 and Lucky Strike smoke

as I went down  
*The List of Most Difficult Words*  
 with a man whose wife had left,  
 one son grown into madness,  
 the other into death,  
 my father's hundred-and-five-pound skeleton  
 of skin glowing in that beer-flooded kitchen  
 when he'd lift the harmonica

to blow a few long, sad riffs  
 of country into a song  
 while he waited for me to hit  
 the double *l*'s of *spiralling*,  
 the silent *i* of *receipt*,  
 the two of us working words hard  
 those nights on Olmstead Street,  
 sure they would someday save me.

**The Myth of Print Culture** Joseph A. Dane,2003-01-01 The Myth of Print Culture is a critique of bibliographical and editorial method focusing on the disparity between levels of material evidence unique and

singular and levels of text abstract and reproducible It demonstrates how the particulars of evidence are manipulated in standard scholarly arguments by the higher levels of textuality they are intended to support The individual studies in the book focus on a range of problems basic definitions of what a book is statistical assumptions and editorial methods used to define and collate the presumably basic unit of variant This work differs from other recent studies in print culture in its emphasis on fifteenth century books and its insistence that the problems encountered in that historical milieu problems as basic as cataloguing errors are the same as problems encountered in other areas of literary criticism The difficulties in the simplest of cataloguing decisions argues Joseph Dane tend to repeat themselves at all levels of bibliographical editorial and literary history Coyote's Song Richard D. Erlich, 2009-12-01 A major study of the major and minor fiction poetry and children's books of SF and fantasy writer Ursula K Le Guin As Le Guin herself writes It is written in English not academese and will be of interest to a wide spectrum of students scholars and interested readers **Poetry & Drama of the Victorian Era** Ashar Khan, 2024-12-17 This book Poetry Drama of the Victorian Era is meant to introduce the readers on an unexpected journey through some of the most celebrated works of poetry and drama covering the Victorian Era to the Post Modern era With poems of Tennyson Browning Yeats and the iconic plays of Shaw and Ibsen it explores the beautiful features that define each poem and drama Alongside these literary treasures this book also sheds light on the historical backdrop of the Victorian Edwardian War Years and Modern eras offering its readers a fresh breath of how literature mirrors the changing times of human life Poems Please! 2nd Edition Bill Moore, David Booth, 2003 This innovative resource includes tools for classroom management that range from assessment techniques to tips for choosing and displaying poems **Selected Poetry and Prose** Samuel Johnson, 1977 *The cruet stand, select pieces of prose and poetry* C. Gough, 1853 *The Poems of Thomas Sheridan* Thomas Sheridan, 1994 The reputation of Thomas Sheridan has probably suffered from the occasional ridicule of his longtime friend and collaborator Jonathan Swift Nevertheless Swift valued Sheridan's wit and company immensely and the verse warfares in which the two friends often indulged were not always won by Swift Sheridan was not only one of the most memorable Dubliners of the early eighteenth century Convivial charming highspirited and feckless he was also a prominent schoolmaster the best in Europe according to Swift cleric translator playwright essayist and a prolific writer of accomplished light verse Called Tom Pun Sibi or Tom the Punster because of his droll essay *The Art of Punning* he poured forth a seemingly endless stream of punning satires verse letters to his friends and satirical observations on the Dublin of his day For all of his prolific output only some of his Swift poems have remained in print and they are in various editions of Swift's verse This volume gathers together for the first time Sheridan's complete poetic works including those published as broadsides or in contemporary journals and those contained in unpublished letters and manuscripts Of particular interest for such a social poet is the inclusion of poems to and about Sheridan by his many friends and very vocal enemies **BOOK JACKET Title** Summary field provided by Blackwell North America Inc All Rights Reserved *Literature, Nature, and Other* Patrick D.

Murphy,1995-02-01 The book first establishes a theoretical framework for conceptualizing environmental analysis It then develops a conception of environmental literature with an emphasis on works by women arguing for the need to reconceptualize woman nature and nature culture associations and critiquing the problems of male poetic sex typing of the planet Murphy also elaborates on specific works and authors with an emphasis on literary texts by Hampl Harjo Snyder and Le Guin Additionally he treats issues of canon and pedagogy as well as the possibility of agency in a postmodern era Ranging across diverse fields and incorporating cultural studies post structuralist literary theory and ecofeminist philosophy Literature Nature and Other both defines and critiques the current terrains of literary ecocriticism and nature writing environmental literature Literary examples are drawn from fiction poetry and prose including postmodern metanarratives and works by Native Americans and Chicanas
