The Voices From The Margins: Authentic Recorded Life Stories by Former Slaves Work Projects Administration, 2023-12-23 In The Voices From The Margins Authentic Recorded Life Stories by Former Slaves the Work Projects Administration presents an invaluable oral history that captures the raw and poignant narratives of formerly enslaved individuals in the United States. This collection embodies a unique literary style marked by an authentic and unfiltered voice, inviting readers into the lived experiences of those who navigated the deep traumas of slavery and the complexities of freedom. Contextually situated within the New Deal era, this work serves as a vital historical document reflecting both the social and political climate of the time while also spotlighting the resilience of human spirit through personal testimonies. The Work Projects Administration established to provide jobs during the Great Depression commissioned this profound project to document American life, particularly the experiences of marginalized communities. This undertaking was motivated by a desire to preserve the voices of individuals who had been systematically silenced and forgotten within historical narratives. The meticulous effort to record their stories generated a wealth of material that highlights not just the horrors of their past but their hopes and aspirations in the face of adversity. Voices From The Margins is highly recommended for readers interested in history, sociology, and African American literature. Engaging with this book means immersing oneself in the once-silenced voices that illuminate the dark corners of America's past while enriching our understanding of resilience and identity. This collection not only contributes to historical discourse but also invites reflection on broader themes of liberation and humanity.

THE VOICES FROM THE MARGINS: Authentic Recorded Life Stories by Former Slaves from 17 American States Work Projects Administration, 2017-10-16 Musaicum Books presents to you this carefully created volume of THE VOICES FROM THE MARGINS Authentic Recorded Life Stories by Former Slaves from 17 American States. This ebook has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Step back in time and meet everyday people from another era. This edition brings to you the complete collection of hundreds of life stories, incredible vivid testimonies of former slaves from 17 U.S. southern states, including photos of the people being interviewed and their extraordinary narratives. After the end of Civil War in 1865, more than four million slaves were set free. There were several efforts to record the remembrances of the former slaves. The Federal Writers Project was one such project by the United States federal government to support writers during the Great Depression by asking them to interview and record the myriad stories and experiences of slavery of former slaves. The resulting collection preserved hundreds of life stories from 17 U.S. states that would otherwise have been lost in the din of modernity and America's eagerness to deliberately forget the blot on its recent past.
