## **Hardball A Season In The Projects:**

**Hardball** Daniel Coyle,1993 With frankness and poignancy he tells of the team s joys losses and small but essential victories and of the neophyte coaches whose role moves haltingly from teaching baseball to being big brothers disciplinarians and ultimately friends [HardBall 5](#) , Describes HardBall 5 HB5 a video baseball game from the San Jose California based Accolade company Includes information on HB5 features system requirements League File and other patches the PSX version and playing tips and tricks Offers a demo of HB5 for downloading Posts contact and order information via toll free telephone number and street and e mail addresses Provides access to the MindSpan Technologies Corporation home page *The Baseball Filmography, 1915 through 2001, 2d ed.* Hal Erickson,2016-03-23 Since the first baseball movie Little Sunset in 1915 Hollywood has had an on again off again affair with the sport releasing more than 100 films through 2001 This is a filmography of those films Each entry contains full cast and credits a synopsis and a critique of the movie Behind the scenes and background information is included and two sections cover baseball shorts and depictions of the game in non baseball films An extensive bibliography completes the work *Reclaiming Public Housing* Lawrence J. Vale,2002 Lawrence Vale explores the rise fall and redevelopment of three public housing projects in Boston Vale looks at these projects from the perspectives of their low income residents and assesses the contributions of the design professionals who helped to transform these once devastated places during the 1980s and 1990s **The Literary Filmography** Leonard Mustazza,2006-05-17 From the very infancy of the film industry filmmakers have relied heavily upon literature as the foundation for their movie material Well known literary works such as Dickens s A Christmas Carol and Hawthorne s The Scarlet Letter were adapted to film in the silent era as were such books as Thomas Dixon s Jr s The Klansman basis for the film Birth of a Nation In recent years Nick Hornsby s About a Boy and each of Helen Fielding s Bridget Jones s Diary novels were the basis for popular movies bearing the same names A guide to English language works that have been adapted as theatrical and television films this volume includes books both fiction and non fiction short stories newspaper and magazine articles and poems Entries are arranged alphabetically by literary title with cross listings for films made under different titles Each entry includes the original work s title author year of first publication literary prizes and a brief plot summary Information on film adaptation s of the work including adaptation titles director screenwriter principal cast and the names of the characters they portray major awards and availability in the most common formats DVD VHS is also offered [From the Puritans to the Projects](#) Lawrence J. Vale,2009-07-01 Lawrence J Vale s groundbreaking book is both a comprehensive institutional history of public housing in Boston and a broader examination of the nature and extent of public obligation to house socially and economically marginal Americans during the past 350 years [Public Housing That Worked](#) Nicholas Dagen Bloom,2014-08-04 When it comes to large scale public housing in the United States the consensus for the past decades has been to let the wrecking balls fly The demolition of infamous projects such as Pruitt Igoe in St Louis and the

towers of Cabrini Green in Chicago represents to most Americans the fate of all public housing Yet one notable exception to this national tragedy remains The New York City Housing Authority America's largest public housing manager still maintains over 400 000 tenants in its vast and well run high rise projects While by no means utopian New York City's public housing remains an acceptable and affordable option The story of New York's success where so many other housing authorities faltered has been ignored for too long Public Housing That Worked shows how New York's administrators beginning in the 1930s developed a rigorous system of public housing management that weathered a variety of social and political challenges A key element in the long term viability of New York's public housing has been the constant search for better methods in fields such as tenant selection policing renovation community affairs and landscape design Nicholas Dagen Bloom presents the achievements that contradict the common wisdom that public housing projects are inherently unmanageable By focusing on what worked rather than on the conventional history of failure and blame Bloom provides useful models for addressing the current crisis in affordable urban housing Public Housing That Worked is essential reading for practitioners and scholars in the areas of public policy urban history planning criminal justice affordable housing management social work and urban affairs
