Hard-Boiled Hollywood Jon Lewis, 2017-04-19 The history of Hollywood's postwar transition is framed by two spectacular dead bodies Elizabeth Short AKA the Black Dahlia found dumped and posed in a vacant lot in January 1947 and Marilyn Monroe the studio era's last real movie star discovered dead at her home in August 1962 Short and Monroe are just two of the many left for dead after the collapse of the studio system Hollywood's awkward adolescence during which the company town's many competing subcultures celebrities moguls mobsters gossip mongers industry wannabes and desperate transients came into frequent contact and conflict Hard Boiled Hollywood focuses on the lives lost at the crossroads between a dreamed of Los Angeles and the real thing after the Second World War whose reality was anything but glamorous Provided by publisher

Hollywood's Detectives F. Mason,2011-12-15 The study of Hollywood detectives has often overlooked the B Movie mystery series in favour of hard boiled film Hollywood s *Detectives* redresses this oversight by examining key detective series of the 1930s and 1940s to explore their contributions to the detective genre **Hard-Boiled** Erin Smith,2010-07-07 An examination of the culture that produced and supported pulp fiction **Hardboiled America** Geoffrey O'Brien,1981

Hardboiled Hollywood Max Décharné,2002 *Hollywood's Unofficial Film Corps* Michael Berkowitz,2025-01-14 It has long been known that Hollywood was actively involved in shaping US public opinion during World War II Less well documented are the ways in which Washington sought to work behind the scenes subtly obliterating the boundaries between studio and government films Michael Berkowitz studies the contributions of humorist and best selling author Leo Rosten *The Joys of Yiddish* *The Education of H Y M A N K A P L A N* and writer producer and screenwriter Budd Schulberg *On the Waterfront* *A Face in the Crowd* in order to examine the elusive story of Jewish Hollywood s role in World War II Hollywood s *Unofficial Film Corps* shows that Rosten Schulberg and others including Garson Kanin George Cukor Stanley Kramer and Jules Buck created movies that were both entertaining and politically expeditious for US war aims At the same time in an effort to unify the American public they avoided focusing on the fate of European Jews even while addressing racism and antisemitism in the United States Jewish themes were often downplayed and Jewish directors writers and other contributors frequently went uncredited As Berkowitz writes Rosten s cohort changed feature films forever Thanks to his research we now have a better understanding of how and why Heroines and Heroes: Symbolism, Embodiment, Narratives & Identity Christopher Hart,2008 **Crime Fiction** John Scaggs,2005 Provides a lively introduction to what is both a wide ranging and hugely popular literary genre Accessible and clear this comprehensive overview is the essential guide for all those studying crime fiction **Chef Wyman's Daily Health Menus** Arthur Leslie Wyman,1927 **Hollywood's Melodramatic Imagination** Geoff Mayer,2021-12-22 Melodrama is the foundation of American cinema It is however a poorly understood term While it is a pervasive and persuasive dramatic mode it is not tied to any specific moral or ideological system It is not a singular genre rather it operates as a genre generating machine capable of determining the aesthetics and structure of the drama within many genres Melodrama centers the conflict around the clash between good and evil and provides a sense of poetic justice but the specific values embedded in notions of good and evil are determined by the culture and they shift from nation to nation region to region and period to period This book explores the populist westerns of the 1930s the propaganda films that followed the Japanese attack on Pearl Harbor and the popularity of Sax Rohmer s master villain Fu Manchu Melodramas of passion and film noir also offer a challenge to melodrama with its seemingly alienated protagonists and

downbeat endings Yet with few exceptions Hollywood was able to assimilate these genres within its melodramatic imagination

Historical Dictionary of Film Noir Andrew Spicer, 2010-03-19 Film noir literally black cinema is the label customarily given to a group of black and white American films mostly crime thrillers made between 1940 and 1959 Today there is considerable dispute about what are the shared features that classify a noir film and therefore which films should be included in this category These problems are partly caused because film noir is a retrospective label that was not used in the 1940s or 1950s by the film industry as a production category and therefore its existence and features cannot be established through reference to trade documents The Historical Dictionary of Film Noir is a comprehensive guide that ranges from 1940 to present day neo noir It consists of a chronology an introductory essay a bibliography a filmography and over 400 cross referenced dictionary entries on every aspect of film noir and neo noir including key films personnel actors cinematographers composers directors producers set designers and writers themes issues influences visual style cycles of films e g amnesiac noirs the representation of the city and gender other forms comics graphic novels television and videogames and noir s presence in world cinema It is an essential reference work for all those interested in this important cultural phenomenon
