# Hardys Wessex Reappraised

**George Wotton**

## **Hardys Wessex Reappraised:**

**Hardy's Wessex Reappraised** Denys Kay-Robinson, 1972 Wessex extended over parts of Cornwall Devon Somerset Dorset Wiltshire Hampshire and Berkshire This book deals largely with Dorset but touches on some of the other areas

**Thomas Hardy Reappraised** Keith Wilson, 2006-12-15 As a writer who achieved major eminence in both fiction and poetry and whose engagement with these genres encompassed the period of transition from Victorianism to Modernism Thomas Hardy 1840-1928 enjoys a unique position in English Literary History Michael Millgate University Professor of English Emeritus at the University of Toronto is widely recognized as the world's foremost Thomas Hardy scholar His contributions to the study of Hardy over more than three decades include his recently revisited biography the seven volume edition of Hardy's collected letters and the influential critical study *Thomas Hardy His Career as a Novelist* In *Thomas Hardy Reappraised* editor Keith Wilson pays tribute to Millgate's many contributions to Hardy studies by bringing together new work by fifteen of the world's most eminent Hardy scholars These essays address questions of biblical and literary allusiveness cultural historical and philosophical context narrative and poetic theory and practice as well as Hardy's place in the modern world and his influence on younger writers Together the contributors offer one of the most significant reappraisals of Hardy's work to have appeared since Michael Millgate helped to transform Hardy studies They offer graphic testimony to Hardy's enduring popularity and importance Contributors Pamela Dalziel Mary Rimmer Dennis Taylor Barbara Hardy U C Knoepfelmacher Marjorie Garson Ruth Bernard Yeazell Simon Gatrell J Hillis Miller George Levine Jeremy V Steele William W Morgan Samuel Hynes Norman Page W J Keith *Hardy of Wessex* Carl Weber, 2016-07-22 First published in 1940 and revised in 1965 this work by the distinguished Hardy Scholar Carl J Weber traces Hardy's literary career from High Brockhampton to the grave in Poet's corner Westminster Abbey Using a multitude of letters it explains why Thomas Hardy wrote and how his books grew from ideas emotions and experiences to the printed volumes that have delighted the world This book will be of interest to those studying the works of Thomas Hardy and 19th century literature **Hardy's Wessex**

**Locations** F. P. Pitfield, 1992 **The Ashgate Research Companion to Thomas Hardy** Rosemarie Morgan, 2016-03-23 In *The Ashgate Research Companion to Thomas Hardy* some of the most prominent Hardy specialists working today offer an overview of Hardy scholarship and suggest new directions in Hardy studies The contributors cover virtually every area relevant to Hardy's fiction and poetry including philosophy palaeontology biography science film popular culture beliefs gender music masculinity tragedy topography psychology metaphysics illustration bibliographical studies and contemporary response While several collections have surveyed the Hardy landscape no previous volume has been composed especially for scholars and advanced graduate students This companion is specially designed to aid original research on Hardy and serve as the critical basis for Hardy studies in the new millennium Among the features are a comprehensive bibliography that includes not only works in English but in acknowledgment of Hardy's explosion in popularity around the world also works in

languages other than English      **A Distant Prospect of Wessex: Archaeology and the Past in the Life and Works of Thomas Hardy.** Martin J. P. Davies, 2011-08-15 Martin Davies examines Thomas Hardy's involvement with the past and the role it plays in his life and literary work Hardy's life encompasses the transformation of archaeology out of mere antiquarianism into a fully scientific discipline He observed this process at first hand and its impact on his aesthetic and philosophical scheme was profound      **Thomas Hardy** Martin Ray, 2016-12-05 This is the definitive textual analysis of all of Hardy's collected short stories tracing the development of each from manuscript through newspaper serial versions galley proofs and revises to collected editions in volume form It is no surprise to discover that Hardy's capacity for inveterate revision is manifested in his tales as it was in his novels Even those stories for which he professed little regard were meticulously and continuously revised in some cases more than thirty years after their first publication The alterations extend to the most minute details of plot landscape characterisation and style as well as the restoration of bowdlerised passages which had been demanded by serial magazines This study will play a major role in elevating the importance of this genre in Hardy's prolific output and will illuminate his textual practices an area of considerable and growing interest to a large number of scholars and students      *Hardy's Geography* R. Pite, 2002-09-13 Hardy's Geography reconsiders a familiar element in Hardy's novels their use of place and specifically of Dorset Hardy said his Wessex was a partly real partly dream country This study examines how reality and dream interact in his work Should we look for a real place corresponding to Casterbridge What is the relation between one person's feelings for a place and society's view of it Pite concludes that Hardy addresses these issues through a distinctive regional awareness      Life's Little Ironies Thomas Hardy, 2023-10-19 Life's Little Ironies a phrase coined by Hardy was Thomas Hardy's third collection of short stories The volume's eight stories and one sequence of shorter tales presented in a Canterbury Tales type framework had all appeared first in magazines before being gathered together in 1894 Not only do they reflect the strengths and themes of his great novels they are also themselves powerful works encompassing tragedy and humour Part of the Cambridge Edition of the Novels and Short Stories of Thomas Hardy this volume presents an authoritative text which aims to reflect Hardy's original artistic intentions A full scholarly apparatus includes every authorial revision from manuscript where extant onwards enabling readers to trace Hardy's creative process An introductory essay gives details of the stories composition publishing history and critical reception there are comprehensive explanatory notes and a glossary and the illustrations that accompanied the stories magazine publication also provide valuable context      **Student Companion to Thomas Hardy** Rosemarie Morgan, 2006-12-30 In the mid late 1800s and early 1900s Thomas Hardy produced a plethora of eclectic works that were considered too candid and even sacrilegious for their time Hardy's publishing of fiction drama poetry and the short story ranks him with Shakespeare one of few other authors in the English language to write major works in more than one literary genre Growing up Hardy apprenticed as an architect but soon realized his true calling was writing He based much of his work on his homeland and

local culture in England creating the fictional county of Wessex the setting for most of his works This companion explores the life of Hardy examining his career and most important works Ideal for high school and undergraduate students as well as readers with a general interest in Hardy s life and works this book takes a close look at Hardy s unconventional works and why he ultimately decided to abandon novel writing in favor of his first love poetry *Dictionary of Real People and Places in Fiction* M.C. Rintoul,2014-03-05 Fascinating and comprehensive in scope the Dictionary of Real People and Places in Fiction is a valuable source for both students and teachers of literature and for those interested in locating the facts behind the fiction they read In a single scholarly volume it provides intriguing insight into the real identity of people and places in the novels of over 300 American and British authors published in the nineteenth and twentieth centuries **A Pair of Blue Eyes** Thomas Hardy,Tim Dolin,2005-10-13 Elfride Swancourt was a girl whose emotions lay very near the surface Elfride is the daughter of the Rector of Endelstow a remote sea swept parish in Cornwall based on St Juliot where Hardy began the book during the first days of his courtship of his first wife Emma Blue eyed and high spirited Elfride has little experience of the world beyond and becomes entangled with two men the boyish architect Stephen Smith and the older literary man Henry Knight The former friends become rivals and Elfride faces an agonizing choice Written at a crucial time in Hardy s life A Pair of Blue Eyes expresses more directly than any of his novels the events and social forces that made him the writer he was Elfride s dilemma mirrors the difficult decision Hardy himself had to make with this novel to pursue the profession of architecture where he was established or literature where he had yet to make his name ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Hardy, Thomas, Annual** Norman Page,1986-06-18 *Oxford World's Classics: Two on a Tower* Thomas Hardy,1998-10-15 Published in 1882 his ninth novel Two on a Tower is Hardy s most complete and daring treatment of the theme of love between characters of different classes and ages Viviette the married lady of the manor is nine years older than Swithin St Cleve the 20 year old Adonis astronomer a lad of striking beauty scientific attainments and cultivated bearing the orphaned son of a curate who married the daughter of a family of farmers The story of their love both complex and remarkable involves adultery and accidental polygamy On publication some reviewers considered the novel to be immoral and one suggested that the treatment of the Bishop of Melchester might be regarded as a studied and gratuitous insult aimed at the Church This sensational tale is informed throughout by the astronomical images and reflections which were preoccupying Hardy at the time of the book s composition This is the first critical edition of Two on a Tower Based on a study of the manuscript and Hardy s revised printed versions it presents a text in which many variants make their appearance in print for the first time **Thomas Hardy** Peter Widdowson,1996-11-04 Peter Widdowson s major new

selection of Hardy's poetry offers the student a challenging assessment of his poetic achievement by juxtaposing Hardy's best known poems with some of his least known. In addition to the 184 poems and the selection of Hardy's prose writings never before so fully annotated, Widdowson includes a lively introduction on Hardy's life and work, a critical essay re-assessing his place in literary history and extensive explanatory notes on each poem and essay. The volume revitalises our understanding and enjoyment of a most enduringly popular poet and is set to prove a definitive student edition. **Hardy's Poetic Vision**

**in The Dynasts** Susan Dean, 2015-03-08 Susan Dean uses Hardy's own metaphor, the diorama of a dream, to interpret *The Dynasts*, his largest and last major composition. She shows that the poem presents a model of the human mind. In that mind is enacted an event, the war with Napoleon, and simultaneously the watching of that event. The author provides a reading of the poem in visual-dramatic terms, using the diorama stage as the vehicle for the poet's field of vision. She then defines various visual dimensions, the relationships between them, and the various ways in which they can be seen and understood. Her interpretation draws on Hardy's autobiography and critical essays. Originally published in 1977, *The Princeton Legacy Library* uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

**The Regional Novel in Britain and Ireland** K. D. M. Snell, 1998-12-10 *The Regional Novel in Britain and Ireland 1800-1990* will be of interest to literary and social historians as well as cultural critics. Novel Science Adelene Buckland, 2022-12-22 *Novel Science* is the first in-depth study of the shocking, groundbreaking and sometimes beautiful writings of the gentlemen of the heroic age of geology and of the contribution these men made to the literary culture of their day. For these men, literature was an essential part of the practice of science itself, as important to their efforts as mapmaking, fieldwork and observation. The reading and writing of imaginative literatures helped them to discover, imagine, debate and give shape and meaning to millions of years of previously undiscovered earth history. Borrowing from the historical fictions of Walter Scott and the poetry of Lord Byron, they invented geology as a science. They discovered many of the creatures we now call the dinosaurs and were the first to unravel and map the sequence and structure of stratified rock. As Adelene Buckland shows, they did this by rejecting the grand narratives of older theories of the earth or of biblical cosmogony; theirs would be a humble science, faithfully recording minute details and leaving the big picture for future generations to paint. Buckland also reveals how these scientists, just as they had drawn inspiration from their literary predecessors, gave Victorian realist novelists such as George Eliot, Charles Kingsley and Charles Dickens a powerful language with which to create dark and disturbing ruptures in the too seductive sweep of story. Thomas Hardy, Towards a Materialist Criticism George Wotton, 1985-01-01 Challenging the generally accepted critical constructions of the novels of Thomas Hardy, this book

explores the historical social aesthetic and ideological determinants of Hardy's novels. Analyzing the ways in which Hardy's writings have been variously reproduced in literary criticism to produce certain social and ideological effects, Wotton also discusses the relation between Hardy's writing and Hardy criticism.

**Palgrave Advances in Thomas Hardy Studies** P. Mallett, 2004-04-27

Palgrave Advances in Thomas Hardy Studies explores the key issues in the ongoing and lively debate about Thomas Hardy's work as a novelist and poet. In twelve newly commissioned essays, distinguished scholars from both sides of the Atlantic review, take issue with, and take forward the most recent and significant research on Thomas Hardy.
