Harm Into Benefit Chin Ho,1975 **Harm Into Benefit** Chin Ho,1975 **The Constant Catastrophe** Rolando V. Garcia,José C. Escudero,2013-10-22 The Constant Catastrophe Malnutrition Famines and Drought deals with the 1972 drought and emphasizes the underlying social conditions that are related to its effects The book examines the relationship of drought as a meteorological event and the famine that results as a social event The effects of natural catastrophes become transformed by social structures and political processes in many countries of the world more than which can be attributable to the physical cause itself A striking parallelism that emerges in the study is that climatological analysis implies reference to large scale space and time processes Famine also occurs as anomalies within large scale processes in society famine changes nutritional levels in communities The text proposes a theoretical framework for a methodologically adequate diagnostic tool that can be used in studying the factual events in previous cases of major disasters due to climactic factors Case studies include those that happened in the Sahel Ethiopia India China the United Kingdom and Brazil Among several recommendations one which the book proposes in the management of the effects of drought is to adopt an approach similar to that of the Red Cross The book is suitable for economists environmentalists ecologists and policy makers involved in crisis management food production and rural development **Chinese Publications in the Collections of the National**

Agricultural Library National Agricultural Library (U.S.),1989 *Rural Employment & manpower problems in China* Curtis Ullerich,2017-07-28 This title was first published in 1978 The present study is an outgrowth of the author s puzzlement with an obvious paradox Whereas the Chinese have always stressed the importance of their agricultural revolution in human social and political term s the community of Western observers has been increasingly fascinated by its more technological and quantitative achievements While a great deal has been written about these latter aspects Chinese invitations to take a closer look at the former ones have gone largely unheeded particularly in the more economic oriented quarters among China watchers This study tries to fill that gap **Bibliographies and Literature of Agriculture** ,1978
