Harness The Future The 9 Keys To Emerging Consumer Behaviour:

Harness the Future Shirley Roberts,1998-01-23 Successful marketing consultant Shirley Roberts offers a comprehensive picture of consumer dynamics and spending habits The book gives business executives the tools they need to track analyze predict and profit from emerging trends Among Shirley Roberts s clients are Proctor Gamble Coca Cola Ltd and Ciba Geigy Canada

Ordinary Consumption Jukka Gronow,Alan Warde,2013-01-11 The sociology of consumption has concentrated unduly on the more spectacular and visual aspects of contemporary consumer behaviour thereby constructing an unbalanced and misleading view This collection emphasises ordinary rather than extraordinary items routine and repetitive behaviour rather than conscious decision making It studies practical contexts of use rather than decisions to purchase and analyses collective identification rather than personal identity Each essay argues one or more of these points for the most part using new empirical material from several different national contexts The topics analysed include shopping in Taiwan second home ownership in France environmental considerations concerning food choice in Denmark the take up of new domestic technologies in Finland and kitchen design in England Key concepts like tradition routine and habit are clarified and new conceptual distinctions are made with the book defending theoretical approaches deriving from Simmel Weber Durkheim and Bourdieu Ordinary Consumption promotes a distinctive approach to the understanding of the central practices of consumer society it is a book with a controversial message one which will be a source of debate about the appropriate agenda for future research

Strategy that Works Ian Mann,2012-04-01 In Strategy that Works Ian Mann discusses and debunks a number of popular theories of strategy before presenting his unique approach based on many profound insights that have never before been gathered together in one place to form a coherent theory and method He explains the difference between strategy and mere analysis parading as strategy he shows how to build scenarios for uncertain futures he provides key questions that will help guide one to develop an effective strategy and he demonstrates how important it is that the strategy becomes the organisation s culture Clear insightful and entertaining Strategy that Works makes strategy accessible to managers at all levels in all sizes and types of organisations Ian Mann is one of South Africa s top business consultants and he is well known from his newspaper columns his radio and TV appearances and his training seminars
