## Harold Lloyd The Shape Of Laughter:

**Harold Lloyd** Richard Schickel, 1974      The 100 Greatest Silent Film Comedians James Roots, 2014-10-23 The silent film era featured some of the most revered names of on screen comic performance from Charlie Chaplin and Buster Keaton to Harold Lloyd Douglas Fairbanks and Laurel Hardy Besides these giants of cinema however there are other silent era performers both leading actors and supporting players who left an enduring legacy of laughter In The 100 Greatest Silent Film Comedians James Roots ranks the greatest performers based on a scorecard that measures each comic s humor timelessness originality and teamwork Far more than just a listing this is an idiosyncratic and entertaining review of the men and women who created the golden age of comedy As a critic and deaf viewer Roots brings a truly unique perspective to the evaluation of these performers and their work He has viewed thousands of silent comedies and offers some assessments that run contrary to the standard list of performers While many obvious names are placed in the top echelon the author also champions performers who have been neglected in part because their work has not been as visible Each entry includes a filmography a scorecard an evaluation of the artist s overall work an assessment of representative films DVD availability With the increased availability of films on DVD as well as Internet access more and more silent performers are being discovered by film fans Supplemented by an appendix of comedians who missed the cut as well as an annotated bibliography The 100 Greatest Silent Film Comedians will be an invaluable resource to anyone wanting to know more about the brilliant entertainers of the silent era      **Focus On: 100 Most Popular Vaudeville Performers** Wikipedia contributors,      *A*

*History of the Hal Roach Studios* Richard Lewis Ward, 2006-08-15 Once labeled the lot that laughter built the Hal Roach Studios launched the comedic careers of such screen icons as Harold Lloyd Our Gang and Laurel and Hardy With this stable of stars the Roach enterprise operated for forty six years on the fringes of the Hollywood studio system during a golden age of cinema and gained notoriety as a producer of short comedies independent features and weekly television series Many of its productions are better remembered today than those by its larger contemporaries In *A History of the Hal Roach Studios* Richard Lewis Ward meticulously follows the timeline of the company s existence from its humble inception in 1914 to its close in 1960 and through both its obscure and famous productions traces its resilience to larger trends in the entertainment business In the first few decades of the twentieth century the motion picture industry was controlled by an elite handful of powerful firms that allowed very little room for new competition outside of their established cartel The few independents that garnered some measure of success despite their outsider status usually did so by specializing in underserved or ignored niche markets Here Ward chronicles how the Roach Studios at the mercy of exclusive distribution practices managed to repeatedly redefine itself in order to survive for nearly a half century in a cutthroat environment Hal Roach s tactic was to nurture talent rather than exhaust it and his star players spent the prime of their careers shooting productions on his lot Even during periods of decline or misdirection the Roach Studios turned out genuinely original material such as the

screwball classic *Topper* 1937 the brutally frank *Of Mice and Men* 1940 and the silent experiment *One Million B.C.* 1940 Ward's exploration yields insight into the production and marketing strategies of an organization on the periphery of the theatrical film industry and calls attention to the interconnected nature of the studio system during the classic era The volume also looks to the early days of television when the prolific Roach Studios embraced the new medium to become for a time the premier telefilm producer Aided by a comprehensive filmography and twenty seven illustrations *A History of the Hal Roach Studios* recounts an overlooked chapter in American cinema not only detailing the business operations of Roach's productions but also exposing the intricate workings of Hollywood's rivalrous moviemaking establishment **Silent Players**

Anthony Slide, 2010-09-12 From his unique perspective of friendship with many of the actors and actresses about whom he writes silent film historian Anthony Slide creates vivid portraits of the careers and often eccentric lives of 100 players from the American silent film industry He profiles the era's shining stars such as Lillian Gish and Blanche Sweet leading men including William Bakewell and Robert Harron gifted leading ladies such as Laura La Plante and Alice Terry ingénues like Mary Astor and Mary Brian and even Hollywood's most famous extra Bess Flowers Although each original essay is accompanied by significant documentation and an extensive bibliography *Silent Players* is not simply a reference book or encyclopedic recitation of facts culled from the pages of fan magazines and trade periodicals It contains a series of insightful portraits of the characters who symbolize an original and pioneering era in motion history and explores their unique talents and extraordinary private lives Slide offers a potentially revisionist view of many of the stars he profiles repudiating the status of some and restoring to fame others who have slipped from view He personally interviewed many of his subjects and knew several of them intimately putting him in a distinctive position to tell their true stories *Too Funny for Words* David Kalat, 2019-04-26 American silent film comedies were dominated by sight gags stunts and comic violence With the advent of sound comedies in the 1930s were a riot of runaway heiresses and fast talking screwballs It was more than a technological pivot the first feature length sound film *The Jazz Singer* 1927 changed Hollywood Lost in the discussion of that transition is the overlap between the two genres Charlie Chaplin Buster Keaton and Harold Lloyd kept slapstick alive well into the sound era Screwball directors like Leo McCarey Frank Capra and Ernst Lubitsch got their starts in silent comedy From Chaplin's tramp to the witty repartee of *His Girl Friday* 1940 this book chronicles the rise of silent comedy and its evolution into screwball two flavors of the same genre through the works of Mack Sennett Roscoe Arbuckle Harry Langdon and others

**Playbills to Photoplays** New England Vintage Film Society Inc., 2010-12-01 They were pioneers in the most glamorous business in the world and you only know half of their story *Playbills To Photoplays* reveals colorful episodes in the lives of the stars before they became stars Everyone saw them but few knew where they came from This collection of essays follows some of the most famous names in show business from Vaudeville and Broadway to Hollywood revealing a part of their lives that movie historians have neglected until now I think this book is terrific It's a must read for any fan of the silver screen and

the days when movie stars were real stars Morgan Loew great grandson of Adolph Zukor founder Paramount Pictures and Marcus Loew founder Loews Theaters and MGM Ms Loew s choice of performers to write about is amazingly diverse and fascinating from character actors like Conrad Veidt to major stars like Katharine Hepburn She has written a most compelling book about their transitions from stage to film many of the stories new to me Wonderful Joan Benny daughter of comedian Jack Benny one of America s greatest entertainment icons of the 20th century whose career included vaudeville radio movies and television A nice compilation of essays on film stars who made the transition from the stage to early talkies with essays on Al Jolson Mae West Eddie Cantor Harpo Marx Spencer Tracy Clark Gable Charley Grapewin Ed Wynn and the Morgans Frank and Ralph Some essays were much better than others I loved the one on the Morgans Burns and Allen Harpo Marx and Katharine Hepburn I would highly recommend the book as it gives you a good idea what vaudeville and the Broadway stage was like in the early 20 s and what it was about these stars that allowed them to make the transition Librarything com big stars as well as a raft of character actors and decorated with dozens of striking photos perceptive close ups that make for vibrant film criticism engaging profiles of Old Hollywood icons Kirkus Performers attempting to breakthrough will find this book inspirational An Aspiring Actor Motion pictures with recorded sound known as talking pictures or talkies signaled the end of silent films and created some of the greatest entertainment icons of the twentieth century Playbills To Photoplays Stage Performers Who Pioneered the Talkies introduces a new generation to the real life struggles and careers of talented hard working early twentieth century vaudeville and stage entertainers who migrated to sound film Twenty eight essays and over one hundred photographs examine the actors before during and after the revolutionary new sound film technology catapulted many of them to superstardom during Hollywood s Golden Age Playbills To Photoplays Stage Performers Who Pioneered the Talkies explains the social political economic historical and cultural issues that shaped each performer s body of work acting technique persona and public following over time **From Fu Manchu to Kung Fu Panda** Naomi

Greene,2014-03-31 Throughout the twentieth century American filmmakers have embraced cinematic representations of China Beginning with D W Griffith s silent classic Broken Blossoms 1919 and ending with the computer animated Kung Fu Panda 2008 this book explores China s changing role in the American imagination Taking viewers into zones that frequently resist logical expression or more orthodox historical investigation the films suggest the welter of intense and conflicting impulses that have surrounded China They make clear that China has often served as the very embodiment of otherness a kind of yardstick or cloudy mirror of America itself It is a mirror that reflects not only how Americans see the racial other but also a larger landscape of racial sexual and political perceptions that touch on the ways in which the nation envisions itself and its role in the world In the United States the exceptional emotional charge that imbues images of China has tended to swing violently from positive to negative and back again China has been loved and as is generally the case today feared Using film to trace these dramatic fluctuations author Naomi Greene relates them to the larger arc of historical and political

change Suggesting that filmic images both reflect and fuel broader social and cultural impulses she argues that they reveal a constant tension or dialectic between the self and the other Significantly with the important exception of films made by Chinese or Chinese American directors the Chinese other is almost invariably portrayed in terms of the American self Placed in a broader context this ethnocentrism is related both to an ever present sense of American exceptionalism and to a Manichean world view that perceives other countries as friends or enemies Greene analyzes a series of influential films including classics like Shanghai Express 1932 The Bitter Tea of General Yen 1933 The Good Earth 1936 and Shanghai Gesture 1941 important cold war films such as The Manchurian Candidate 1962 and The Sand Pebbles 1966 and a range of contemporary films including Chan is Missing 1982 The Wedding Banquet 1993 Kundun 1997 Mulan 1998 and Shanghai Noon 2000 Her consideration makes clear that while many stereotypes and racist images of the past have been largely banished from the screen the political cultural and social impulses they embodied are still alive and well *The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute,1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr

**Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965** Barry Monush,2003 Applause Books For decades Screen World has been the film professional s as well as the film buff s favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover s library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor s contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that s as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos *An Evening's Entertainment* Richard Koszarski,1994-05-04 On the age of silent movies *Academic American Encyclopedia* ,1996 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1976 *International Dictionary of Films and Filmmakers: Films* Nicholas Thomas,James Vinson,Samantha Cook,1990 Greatly revises and expands the 1984 first edition of Volume one of the astute and elegant five volume reference to the world s most significant films and filmmakers One hundred new films have been added bringing the total to 650 arranged in crisp clean entries on large 81 2x11pages and illustrated with luminous stills In addition to complete

production credits cast lists and excellent select bibliographies each entry includes an expository essay by a significant critic the essays being models of thoughtful unpretentious scholarship and love of film Annotation copyrighted by Book News Inc Portland OR

**Allan Dwan and the Rise and Decline of the Hollywood Studios** Frederic Lombardi, 2013-03-05 It could be said that the career of Canadian born film director Allan Dwan 1885 1981 began at the dawn of the American motion picture industry Originally a scriptwriter Dwan became a director purely by accident Even so his creativity and problem solving skills propelled him to the top of his profession He achieved success with numerous silent film performers most spectacularly with Douglas Fairbanks Sr and Gloria Swanson and later with such legendary stars as Shirley Temple and John Wayne Though his star waned in the sound era Dwan managed to survive through pluck and ingenuity Considering himself better off without the fame he enjoyed during the silent era he went on to do some of his best work for second echelon studios notably Republic Pictures Sands of Iwo Jima and such independent producers as Edward Small Along the way Dwan also found personal happiness in an unconventional manner Rich in detail with two columns of text in each of its nearly 400 pages and with more than 150 photographs this book presents a thorough examination of Allan Dwan and separates myth from truth in his life and films *American Silent Film Comedies* Blair Miller, 2024-10-15 Many movie genres developed during the silent era but none was as lasting as comedies Actors and actresses stood in front of crude hand cranked cameras and invented a style that made people laugh and forget their troubles This is an encyclopedic work to persons institutions and terms associated with silent film comedy For people there is a capsule biography and a summary of their contribution For studios and companies there is a brief history and for terms a full definition is given *American Film*, 1978 Forties Film Funnymen Wes D. Gehring, 2014-01-10 The twelve classic comedy films examined within these pages are distinguished by an equal number of defining comic performances Ranging from *The Great Dictator* 1940 to *A Southern Yankee* 1948 each film focuses on the most central theme of clown comedy Resilience the encouragement or hope that one can survive the most daunting of life's dilemmas even during the war torn 1940s And each film can be regarded as a microcosm of the antiheroic world of its central clown or clowns Among the performers represented are Charlie Chaplin W C Fields Abbott and Costello Jack Benny Eddie Bracken Bob Hope Bing Crosby Danny Kaye the Marx Brothers Harold Lloyd and Red Skelton This lavishly illustrated work includes an introduction by noted film critic and historian Anthony Slide *Lloyd Hamilton* Anthony Balducci, 2023-01-11 At first glance Lloyd Hamilton was a large baby faced comic who walked like a duck To the trained eye Hamilton demonstrated keen timing and an inventive mind providing wry humor rich in emotion during his 20 year career Perhaps most importantly Hamilton was greatly admired by his fellow comics receiving praise from the likes of Charlie Chaplin and Buster Keaton This book explores Hamilton's life and work beginning with his conservative middle class childhood and continuing through the comic's entry into show business as a theatre extra his most memorable role as half of silent comedy's Ham and Bud duo and his first feature film *The Darker Self* The author examines Hamilton's private life and

alcoholism and the decline of his health and career which led to his death at the age of 43 The book includes exclusive photographs from the Hamilton family a filmography with detailed plot descriptions many behind the scenes facts and an analysis of Hamilton s critical lost feature film A Self Made Failure      **Keepers** Richard Schickel,2016-08-09 After six decades of writing about film acclaimed critic Richard Schickel generously shares Keepers a history of film as he s seen and lived it Here is a tour of his favorites from Snow White and the Seven Dwarfs to Pulp Fiction and a master class in what makes a film soar or flop Schickel reminds us of the subjective art of film criticism highlighting above all the true gems the immortal moments of transcendent movie magic the scenes characters lines shots scores and even lighting cues that have stuck with him over a lifetime of movie watching Buster Keaton His Girl Friday Ingrid Bergman Taxi Driver Star Wars Stanley Kubrick Schickel reveals all the films and the forces behind them that have kept him coming back for more
