

Harold Innis

**William Christian**

## **Harold Innis:**

Harold Innis Paul Heyer, 2003 His name may not be as well known as that of his colleague and spiritual descendent Marshall McLuhan but Harold Innis's 1894-1952 influence on contemporary critical media and communication studies has been no less profound This concise look at Innis's life and contributions to the communication field charts his beginnings in political economy to his later work in critical media studies and communications history synthesizing his key publications and clearly showing their ongoing resonance for the field today The book also includes an appendix by William J Buxton on the History of Communications manuscript and one by J David Black on the contributions of Mary Quayle Innis Harold Adams Innis Donald G. Creighton, 1957-12-15 Harold Adams Innis died a quarter century ago At the time of his death in 1952 he was Canada's pre eminent scholar in the field of the social sciences His reputation was based on his monumental contributions to Canadian economic history and the role of the means of communication in shaping history As so often happens his ideas were not greatly followed up except by Marshall McLuhan for some years after his death but there is no growing recognition among Canada's scholars of the depth of his perceptions and the fruitfulness of his thought for understanding of Canada's and of world history A close friend of Innis at the University of Toronto was Donald G Creighton who wrote this memoir of his life in the summer of 1953 To this paperback edition of that work Professor Creighton has added a new introduction on its origins in the university conditions of its time A personal tribute the book is written in Creighton's distinctive and elegant style it is a skilful biography which will serve well to introduce the career character and thought of Harold Adams Innis to a new audience Donald Creighton himself is recognized as one of the outstanding scholars of his time Like Innis he has reinterpreted Canadian history in his many books and this finely crafted memoir reveals the gifts of both the biographer and his subject **Harold Innis Reflects** William J. Buxton, Michael R. Cheney, Paul Heyer, 2016-10-05 Offering fresh insight into the early life of Harold Adams Innis 1894-1952 this volume makes available a number of previously unpublished writings from the renowned Canadian economic historian and media scholar Part I Innis's autobiographical memoir chronicles his farm based family background early education military service during World War I and the beginnings of what would become a distinguished academic career Part II features a selection of correspondence during his military service revealing both the pain and perceptions derived from that experience and other war related writings It also includes The Returned Soldier a detailed piece of research and a compassionate plea to recognize how the aftermath of the Great War would affect those who served as well as the individuals and institutions on the home front Years before the term post traumatic stress disorder was coined Innis was acutely aware of the condition and suggested ways in which it might be treated Other war related items included are Innis's first published article dealing with the economics of the soldier and a draft speech composed in the fall of 1918 All original materials have been extensively annotated to provide context for the contemporary reader and researcher

**Harold Innis Reflects** Harold Adams Innis, 2016 Offering fresh insight into the early life of Harold Adams Innis 1894

1952 this volume makes available a number of previously unpublished writings from the renowned Canadian economic historian and media scholar Part I Innis s autobiographical memoir chronicles his farm based family background early education military service during World War I and the beginnings of what would become a distinguished academic career Part II features a selection of correspondence during his military service revealing both the pain and perceptions derived from that experience and other war related writings It also includes The Returned Soldier a detailed piece of research and a compassionate plea to recognize how the aftermath of the Great War would affect those who served as well as the individuals and institutions on the home front Years before the term post traumatic stress disorder was coined Innis was acutely aware of the condition and suggested ways in which it might be treated Other war related items included are Innis s first published article dealing with the economics of the soldier and a draft speech composed in the fall of 1918 All original materials have been extensively annotated to provide context for the contemporary reader and researcher r related items included are Innis s first published article dealing with the economics of the soldier and a draft speech composed in the fall of 1918 All original materials have been extensively annotated to provide context for the contemporary reader and researcher r related items included are Innis s first published article dealing with the economics of the soldier and a draft speech composed in the fall of 1918 All original materials have been extensively annotated to provide context for the contemporary reader and researcher r related items included are Innis s first published article dealing with the economics of the soldier and a draft speech composed in the fall of 1918 All original materials have been extensively annotated to provide context for the contemporary reader and researcher

The Idea File of Harold Adams Innis William Christian,1980-12-15 The many published volumes of the writings of Harold Adams Innis testify to his extraordinary grasp of the ordering principles of human history The notes that he left at the time of his death provide a new and revealing profile of the inner workings of this restless and relentless mind Innis maintained added to and corrected in the last seven years of his life a single system of cross referenced notes which came to be called the Idea File Before his death in 1952 he collected these notes into a single numbered collation In this edition the material has been arranged in chronological order to give a sense of the development of Innis s ideas and concerns Innis s interests were many and varied and this collection of some 1500 notes covers an encyclopedic range of topics The different lines of Innis s investigations converge however in his interest in basic political and cultural issues and in his fundamental concern for the preservation of individual freedom and creativity At heart Innis was a moralist whose hatred of oppressive social institutions led him to examine them from many angles It is a fascinating odyssey Every reader will be refreshed and enriched by sharing Innis s life long intellectual adventure

**Harold Innis in the New Century** Charles R. Acland,William J. Buxton,1999-10-19 The book is divided into three sections Reflections on Innis provides a historical reassessment of Innis Gaps and Silences considers the limitations of both Innis s thought and his interpreters and Innis and Cultural Theory offers speculations on his influence on cultural analysis The interpretations offered reflect the changing

landscape of intellectual life as boundaries between traditional disciplines blur and new interdisciplinary fields emerge

Harold Innis in the New Century is a valuable resource for scholars and students of Canadian studies communication studies cultural studies economic history and political science Contributors include Charles R Acland Calgary Alison Beale Simon Fraser Jody Berland York James Bickerton St Francis Xavier William J Buxton Concordia James Carey Columbia Ray Charron Concordia Cheryl Dahl University College of the Fraser Valley Michael Dorland Carleton Kevin Dowler York Donald Fisher UBC Sarah Fortin McGill Alain G Gagnon McGill Jane Jenson Montr al Heather Menzies Carleton Richard Noble Winnipeg Daniel Sal e Concordia Liora Salter Osgoode Hall Kim Sawchuk Concordia Irene Spry professor emerita Ottawa Judith Stamps Victoria and Andrew Werwick Trent

**Marginal Man** Alexander John Watson,2007 This book is an extraordinary work of scholarship in its own right as well as an essential companion to the work of its subject one of Canada s most important minds

*Wilbur Schramm and Noam Chomsky Meet Harold Innis* Robert E. Babe,2015-04-21 Wilbur Schramm and Noam Chomsky Meet Harold Innis is an original critical in depth analysis of the media and communication thought of Canada s most highly acclaimed scholar Harold Adams Innis Even in Canada however Innis s writings until now have been only partially cited and interpreted Innis is usually stereotyped as being merely an economic historian fixated on previous civilizations whereas in fact he was an astute analyst whose main concerns were with present problems and future trajectories In the United States meanwhile Innis s media and communication writings have been quite neglected and even denigrated Drawing on Innis s less frequently cited work including his long neglected Political Economy in the Modern State Robert Babe opens up Innis s media scholarship as a whole unfolding it in startling critical yet ultimately appreciative ways By comparing Innis s media scholarship with Wilbur Schramm s and Noam Chomsky s moreover Babe tests the claims positions and modes of analysis not only of Innis but also of the other two celebrated scholars as well casting new light on their works and allowing the reader to imagine what sort of discourses might have been possible had the three been in conversation together Wilbur Schramm and Noam Chomsky Meet Harold Innis provides comparative insight into foundational media scholarship in the United States and Canada and explores in some detail the relevance of Innis for twenty first century digitized society

**Changing Concepts of Time** Harold Adams Innis,2004 This classic book Harold A Innis s last returns to print with a new introduction by James W Carey An elaboration of Innis s earlier theories Changing Concepts of Time looks at then new technological changes in communication and considers the different ways in which space and time are perceived Innis explores military implications of the U S Constitution freedom of the press communication monopolies culture and press support of presidential candidates among other interesting and diverse topics

**Harold Innis and the North** William J. Buxton,2013-06-01 Harold Innis is widely understood as the proponent of the Laurentian school of historiography which mapped Canadian development along an East West axis Harold Innis and the North turns the axis North South by examining Innis s intense and abiding interest in the North and providing new perspectives on this seminal

figure in Canadian political economy and communication studies This collection reveals that Innis's advocacy of the North was closely bound up with his vision of northern Canada as the site of a second industrial revolution based on mining hydro electric power pulp and paper and enabled by new forms of transportation Long preoccupied with Canada's coming of age as a balanced and integrated industrial nation state Innis grappled with the same issues about the North in the Canadian nation that we are dealing with today Chapters explore the breadth of Innis's northern activities including his early studies of the fur trade his biography of eighteenth century explorer and cartographer Peter Pond his review essays on the North for the Canadian Historical Review his leadership of the Rockefeller sponsored Arctic Survey and his trip to the Soviet Union Harold Innis and the North crafts a new narrative about the nature and scope of Innis's intellectual project and provides a unique appreciation of his multi faceted professional identity Contributors include Sergei Arkhipov North Ossetian State University and NGO Vladikavkaz Institute of Economics Jeffrey Brison Queens George Colpitts Calgary Matthew Evenden UBC Barry Gough Churchill College Cambridge and Kings College London Paul Heyer Wilfrid Laurier Jim Mochoruk North Dakota Liza Piper Alberta Shirley Roburn Concordia Peter van Wyck Concordia Jeff Webb Memorial *Empire and Communications* Harold Adams Innis, 2022-08-01 DigiCat Publishing presents to you this special edition of *Empire and Communications* by Harold Adams Innis DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature

**Harold A. Innis** Eric Alfred Havelock, Harold Innis Foundation, 1982 *The Bias of Communication* Harold A. Innis, 1999-04-23 One of the most influential books ever published in Canada Harold A Innis's *The Bias of Communication* has played a major part in reshaping our understanding of history communication and media theory First published in 1951 this masterful collection of essays explores the relationship between a society's communication media and that community's ability to maintain control over its development Innis considers political and economic forces in the context of social change and the role of communication in the creation of both ancient and modern empires In an essay for this new edition Innis biographer Alexander John Watson examines the reasons why Innis at the height of his success as an economic historian embarked on new research areas of communications and empire as well as the ways in which Marshall McLuhan's interpretations of Innis changed and de politicized Innis's work As important today as it was when first published *The Bias of Communication* is essential reading for historians and scholars of communication and media studies [Harold Innis's Final Course](#) William Thomas Easterbrook, 2024 In 1952 a terminally ill Harold Innis asked his closest intellectual confidant Tom Easterbrook to teach his signature course on communications on his behalf With Innis's premature death the course turned out to be both Innis's final course and the first course on Innis Alongside Edward Comor's detailed introduction Easterbrook's previously unknown lectures clarify aspects of Innisian scholarship that have been obscured These include Easterbrook's

understanding that Innis applied his concept of bias more broadly than most realize that through references to media Innis strategically sought to promote certain values and that Innis had become increasingly interested in the role played by institutions such as language law and nationalism Given Easterbrook's intimate understanding of Innis's methodology and research trajectories this book is a rich resource for anyone interested in Innis and the foundations of media ecology **The Professionalization of History in English Canada** Donald A. Wright, 2015-05-27 The study of history in Canada has a history of its own and its development as an academic discipline is a multifaceted one The Professionalization of History in English Canada charts the transition of the study of history from a leisurely pastime to that of a full blown academic career for university trained scholars from the mid nineteenth to the late twentieth century Donald Wright argues that professionalization was not in fact a benign process nor was it inevitable It was deliberate Within two generations historians saw the creation of a professional association the Canadian Historical Association and rise of an academic journal the Canadian Historical Review Professionalization was also gendered In an effort to raise the status of the profession and protect the academic labour market for men male historians made a concerted effort to exclude women from the academy History's professionalization is best understood as a transition from one way of organizing intellectual life to another What came before professionalization was not necessarily inferior but rather a different perspective of history As well Wright argues convincingly that professionalization inadvertently led to a popular inverse the amateur historian whose work is often more widely received and appreciated by the general public The Strategy of Culture Harold A. Innis, 2022-08-10 In The Strategy of Culture Harold A Innis undertakes a profound examination of the intricate relationship between culture and communication within societal frameworks Utilizing a rich tapestry of historical examples Innis articulates the concept that cultural practices are interwoven with the economic and technological contexts of their time Advocating for a multidisciplinary approach the text employs a blend of analytical rigor and narrative flair helping readers to discern the inherent strategies embedded within cultural practices strategies that contribute to the formation and sustainability of civilizations This work is anchored in Innis's broader scholarship which challenges linear understandings of time and space in communication studies making it a seminal piece in the field of cultural theory Harold A Innis a pioneering figure in communication theory had his scholarly endeavors shaped by his extensive background in economics and history His experiences in the changing landscapes of early 20th century Canada alongside his concerns for how technology influences societal structures notably inform his insights in this text Innis's analytical approach is deeply rooted in his belief that society's relationship with media fundamentally alters human experience and cultural expression a perspective that enriches the discourse on culture This book is an essential read for scholars students and anyone intrigued by the interplay between culture and communication Innis's work not only enriches our understanding of historical contexts but also encourages contemporary reflections on how culture influences modern societal dynamics Through this text Innis invites readers to

critically engage with the foundations of culture and its strategic roles initiating a dialogue that remains relevant today

**Communication as Culture** James W. Carey, 1992 Carey's seminal work joins central issues in the field and redefines them. It will force the reader to think in new and fruitful ways about such dichotomies as transmissions vs ritual administrative vs critical positivist vs marxist and cultural vs power orientated approaches to communications study. An historically inspired treatment of major figures and theories required reading for the sophisticated scholar. George Gerbner, University of Pennsylvania, offers a mural of thought with a rich background highlighted by such thoughts as communication being the maintenance of society in time. *Cast Communication Booknotes*. These essays encompass much more than a critique of an academic discipline. Carey's lively thought, lucid style and profound scholarship propel the reader through a wide and varied intellectual landscape particularly as these issues have affected Modern American thought. As entertaining as it is enlightening, *Communication as Culture* is certain to become a classic in its field.

**Empire & Communications** Harold Adams Innis, 1986. An internationally renowned scholar and political economist, Innis was the forefather of the global village concept popularized by Marshall McLuhan in the 1960s. Innis's life-time of research resulted in this seminal work which examines the evolution of communications media from stone tablets to printing presses and the direct impact of various media on the duration and prosperity of the empires of Egypt, Rome, Greece, Babylon, Europe, and America. In this revised edition, David Godfrey brings Innis's classic study of communications theory into the 1980s. Applying Innis's examinations of civilization and technology to the present, he helps us understand today's explosion of electronic media in Canada and the world. Back cover.

*Peter Pond - Fur Trader and Adventurer* Harold Adams Innis, 2022-08-01. In *Peter Pond: Fur Trader and Adventurer*, Harold Adams Innis provides a meticulous account of one of the lesser celebrated figures in North American exploration and trade during the latter half of the 18th century. Innis's prose reveals an acute understanding of the economic and cultural exchanges that characterized the fur trade era presented through the adventurous life of Peter Pond. This biography places Pond in his rightful historical context while Innis's scholarly narrative techniques breathe life into archival research and historical facts, inviting readers into the cloistered world of fur traders, indigenous peoples, and the transformative nature of the North American frontier. Harold Adams Innis was not merely a historian but a profound economist whose work often explored the implications of economic activities on civilizations. His deep interest in the effects of communication and media on the rise and fall of empires likely fueled his examination of Peter Pond's life as an individual at the crossroads of territorial expansion and complex commercial networks. Innis's endeavors in examining Canada's economic history provided him with a unique lens through which to view Pond's life, delivering a narrative rich with insights into trade, geography, and cultural interactions. *Peter Pond: Fur Trader and Adventurer* is recommended for readers who appreciate a lucid and scholarly reconceptualization of historical figures whose lives illuminate broader socio-economic dynamics. Innis's work demands attention from students of history, economics, and anthropology as it not only sketches a portrait of a

significant yet under appreciated pioneer but also invites reflection on the intricate webs of trade and communication that underpin the growth of societies and empires This book stands as a testament to the power of rigorous historical research and storytelling     *Staples, Markets, and Cultural Change* Harold A. Innis, Daniel Drache, 1995-06-14 At the start of his career Innis set out to explain the significance of price rigidities in the cultural social and political institutions of new countries by the end of his intellectual journey he had become one of the most influential critics of modernity The essays in this collection address a variety of themes including the rise of industrialism and the expansion of international markets staples trades critical factors in Canadian development metropolitanism and nationality the problems of adjustment the political economy of communications the economics of cultural change and Innis s conception of the role of the intellectual as citizen Innis succeeded as few others have in providing an astute and comprehensive account of the economic and social forces shaping modernity His abiding interest in the contradictory and unintended consequences of markets in general the dominant structure of modern economic activity gave rise to the rich legacy of his prodigious output

## Harold Innis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Harold Innis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Harold Innis has opened up a world of possibilities. Downloading Harold Innis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Harold Innis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Harold Innis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Harold Innis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Harold Innis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Harold Innis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
