Healthy Aging Healthy Treatment The Impact Of Telling Stories:

Healthy Aging, Healthy Treatment Tom H. Peake, 1998-02-28 A prescription for health care for older adults and their families by using life stories to treat the third age stage of life *Clinical Gerontological Social Work Practice* Robert Youdin, 2014-05-13 This book has a forward thinking orientation that reflects the reality of aging with older adults throughout the aging life course Dr Youdin integrates an advanced clinical social work practice with in depth knowledge of evidence based practice as well as geriatric medicine psychiatry and gerontology *The Lamp* Written by an expert in gerontological social work and curriculum development this book provides a wealth of clinical information for social workers and other health care professionals who counsel older adults It describes a strengths based empowerment approach to treatment that integrates theory technique advocacy and social policy and encompasses the tenets of human rights The book's content has been tested in the classroom setting for a three year period with advanced social work undergraduate and graduate students The book examines various theories of aging including a contrast between the strengths based person in environment theory and the pathologically based medical model of psychological problems It advocates truly engaging with the older client during the assessment phase and discusses a variety of intervention modalities The psychological construct of stigma regarding aging is examined along with the major psychopathological problems common to older adults The book also considers Alzheimer's disease and dementia medical problems of older adults and co occurring psychological problems substance abuse older adult sexuality elder abuse and the vulnerabilities of gay lesbian bisexual and transgender older adults Additionally the book addresses mental health issues pertaining to residential settings and the aspects of death and dying that give older people concern Extensive case studies learning objectives and discussion questions are featured in each chapter The book also includes an instructor packet PowerPoint slides and an interactive PDF **Key Features** Provides a wealth of classroom tested clinical information Espouses a strengths based approach to treatment that integrates theory technique advocacy and social justice Consistent with social work mandates for a human rights focus Presents extensive case studies learning objectives and discussion questions in each chapter Includes an instructor's packet PowerPoint slides and interactive PDF Cinema and Life Development Thomas Peake, 2004-06-30 Peake uses prevailing and emerging models of life span development along with examples from Cinema to animate psychological understanding and application The use of film offers powerful opportunities for anecdotes clinical applications and examples of life stories drawn from popular and lesser known cinema The addition of movies as metaphors make the material accessible to lay student and professional readers Drawn from numerous workshops and symposia using this material Peake finds this emphasis breathes life into teaching negotiating and growing from new perspectives *Perimenopause Please* Nancy Whelan, 2005-07 Often unnoticed by many women perimenopause is defined by the Mayo Clinic as the time when a woman's body begins its transition into menopause In America eighty percent of women will experience some negative perimenopausal signs and may not

understand their cause Perimenopause Please The Psychological Impact of Perimenopause takes an in depth look at the perimenopausal process in the typical American woman Other medical literature explores the physiological and the outward physical aspects of perimenopause but Perimenopause Please is unique because it investigates the most important and often ignored aspect of perimenopause its psychological impact Women will learn how to anticipate and acknowledge the positive elements of this new stage of life with enthusiasm as well as how to accept and manage the negative elements It really does get better

Ebersole & Hess' Toward Healthy Aging - E-Book Theris A. Touhy, Kathleen F Jett, 2015-08-06 Get all the knowledge you need to provide effective care for adults as they age Grounded in the core competencies recommended by the AACN in collaboration with the Hartford Institute for Geriatric Nursing Ebersole Hess Toward Healthy Aging 9th Edition is the only comprehensive text to address all aspects of gerontological nursing care The new ninth edition has been extensively revised and updated and now includes shorter more streamlined chapters and pedagogical features to facilitate learning covering the areas of safety and ethical considerations genetics communication with the patient and caregiver promoting health in persons with conditions commonly occurring in later life world wide addressing loss and palliative care and much more This new edition considers the experience of aging as a universal experience and the nurse s role in the reduction of health disparities and inequities as a member of the global community Plus it contains a variety of new learning features that focus the readers attention on applying research and thinking critically in providing care to aging adults across the care continuum

Mindful Dreaming David Gordon, 2006-11-09 To merge a deep understanding of dream work with the mindfulness techniques of Buddhist practice brings a new light to bear on each of these subjects Jean Campbell president International Association for the Study of Dreams In *Mindful Dreaming* psychologist David Gordon shows how every dream corresponds to one of the four universal stages of healing and growth that Joseph Campbell called the Mythic search for bliss Dreams teach us to recognize the spiritual lessons of each phase of the Journey and urge us to learn ten perennial steps to mindfulness taught by spiritual traditions throughout the millennia A breakthrough in the field of mindfulness practice and dreamwork *Mindful Dreaming* teaches you the simple language of dreams and how they promote mindfulness in our everyday lives Relaxing our grip on control our dreams open us to guidance from the Source Helping us see through the illusion of permanence they teach us to release attachments and grieve the limitations and losses that life imposes Mindful of our destructive rush to judgment our dreams move us to embrace compassion for our own suffering not just that of others Finally dreams teach us mindfulness of our impatience so that we may live more consciously and awake in the present moment Relying on thought provoking exercises and abundant examples from the life changing dreams of the author his clients and friends *Mindful Dreaming* demonstrates how dreams provide a non judgmental and compassionate mirror that reflect our ongoing progress on the Journey to mindfulness Mindful dreaming leads us to overcome the emotional blocks that keep us feeling stuck and conflicted in love relationships frustrated in work or stagnating in our creative goals

The Best Books

for Academic Libraries: Medicine ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers Toward Healthy Aging - E-Book Theris A. Touhy,Kathleen F Jett,2022-07-10 American Journal of Nursing AJN Book of the Year Awards 1st Place in Gerontologic Nursing 2023 Selected for Doody s Core Titles 2024 in Geriatrics Provide holistic compassionate nursing care for older adults Based on evidence based protocols Toward Healthy Aging 11th Edition helps you master gerontological nursing skills with an approach that focuses on health wholeness and the potential in aging In promoting healthy aging the text emphasizes caring and respect for the person Special sections provide an honest look at the universal experience of aging Written by gerontological nursing experts Theris A Touhy and Kathleen F Jett this classic text helps you learn to apply scientific research build critical thinking skills and prepare for success on the NCLEX exam and in clinical practice Promoting Healthy Aging Implications for Gerontological Nursing sections help you apply concepts to assessments and interventions A Student Speaks and An Elder Speaks sections at the beginning of every chapter provide perspectives of older people and nursing students Nursing Studies provide practice examples designed to assist you in assessment planning interventions and outcomes to promote healthy aging Learning objectives in every chapter introduce important content and define learning goals and expectations Key concepts provide a concise review of the most important points found in each chapter Critical Thinking Questions and Activities help you apply concepts and build clinical judgment skills Safety Alerts emphasize QSEN competencies and safety issues related to care of older adults Tips for Best Practice boxes summarize evidence based nursing interventions for practice Research Highlights boxes summarize important research studies in the field of gerontology Research Questions include suggestions and ideas for pursuing nursing research Healthy People boxes reference the goals cited in Healthy People 2020 NEW Next Generation NCLEX NGN examination style case studies at the end of chapters include questions to help you prepare for the NGN exam NEW Completely updated content helps you develop clinical judgment skills identified by the NCSBN and the AACN as a key attribute of professional nursing NEW Updated topics include COPD guidelines theories of aging medication use and misuse palliative care wound care guidelines genomic research and LGBT family relationships and sexuality in older adults AAGE Newsletter ,1992 *Narratives, Health, and Healing* Lynn M. Harter,Phyllis M. Japp,Christina S. Beck,2006-04-21 This volume explores how narratives are used in the social construction of wellness and illness It is intended for scholars and advanced students in health communication and applied health disciplines **Perspectives on the Economics of Aging** David A. Wise,2007-11-01 This book investigates several important issues in the economics of aging including the accumulation of wealth and the relationship between health and financial prosperity Examining the changes in savings behavior and investment priorities in the United States over the past few decades contributors to the volume point to a dramatic shift from employer managed defined benefit pensions to employee controlled retirement savings plans Further the legislative reforms of the 1980s and the booming stock market of the 1990s did their share to influence individual wealth

accumulation patterns of Americans These studies also explore the relationship between health status and economic status Considering issues like pension income and health mortality and medical care contributors present evidence from the United States Britain South Africa and Russia The volume culminates with wide ranging discussions on a number of key topics in the field including the innovations that have contributed to a decline in mortality rates the various medical advances that have benefited populations over time and the determinants of expenditures on health The findings with regard to cross sectional differences in health outcomes and health care utilization also pose troubling questions for policymakers seeking to democratize health care across regions and races **Forthcoming Books** Rose Arny,1998 The Psychologist ,2000
