The Complete Guide to Akitas Erin Hotovy, 2020-12-22 Author Erin Hotovy teamed up with several top Akita breeders to create the ULTIMATE book for new Akita owners The Akita also known as the Akita Inu is an ancient spitz breed that is known worldwide for its loyalty and steadfast nature Akitas have been used for several different purposes throughout the centuries including hunting military work search and rescue and show ring work In 1931 the breed was named a national monument of Japan These large powerful dogs tend to be aloof with strangers but are exceptionally affectionate and loyal towards their family members Akitas are a powerful and dignified breed but with a strong independent streak that can be too much to handle for some pet parents While they are unwaveringly loyal towards their family they can also be aggressive or territorial with other canines This book will provide you with clear insight into this breed's history

behavior and health as well as delivering actionable tips and tricks that you can use to refine your dog's behavior both at home and out in public. Covering crucial questions about owning an Akita including: What temperament does the Akita have? Selecting an Akita pup from a breeder. How do I prepare my home for an active Akita pup? Diet and nutrition for the Akita breed. Step by step instructions for training the Akita dog. What is the best way to train and socialize an Akita Inu. While these dogs are exceptionally devoted animals, they are also independent thinkers with strong protective instincts. Early socialization and training are essential to ensure that your active Akita pup develops into a dependable, well-mannered adult Akita. This comprehensive guidebook covers all of the essential information you will need to give your new Akita the best life possible, including: The history of the Akita Inu. Adopting an adult Akita. What to expect the first few days at home. House training your Akita. The importance of Akita socialization and training. Best practices for grooming your Akita. The travel savvy Akita taking your canine companion on the road. Proper health and wellness guidance specific to the breed. Sharing your life with an Akita ensures that you will always have a devoted companion at your side, ready for adventure like all dog breeds. However, these exemplary animals have their own unique challenges. The Complete Guide to Akitas is a wide-ranging guidebook that offers you all the tools you need to not only choose the right canine companion for your household but also to provide your dog with the guidance he needs to grow into a happy, healthy and well-mannered companion animal. This book is required reading for anyone who is considering adding an Akita to their family.

Your Dog and You - A Guide to a Healthy Life with Your Best Friend Joe Inglis, 2010-05-03. Owning a dog can be an incredibly rewarding and fulfilling experience and a healthy relationship with your pet is the key to a well-balanced, happy animal. Natural Dog Food Susanne Reinert, 2014-09-19. The Natural Dog Food method provides your dog with healthy, balanced meals based on the diet followed by wolves and wild dogs. The domestic dog still has the same food requirements as his wild ancestors; unlike external appearance, his digestive system has not changed over thousands of years of domestication. As a result, meat is still the most important ingredient in a dog's meal. This is enhanced by pureed vegetables, fruit, herbs, and other supplementary foods. The Natural Dog Food method is easy to implement and enables you to establish a healthy and beneficial diet for your dog with individual meal plans. Even in cases of illness, your dog will be well looked after with Natural Dog Food, as health problems

can be counteracted quickly and simply Natural Dog Food gives interested dog owners the opportunity to provide their dogs with healthy natural and species appropriate food This reference book supplies the know how required to prepare a healthy meal for your pet All topics linked to the Natural Dog Food diet are comprehensively covered from arthrosis to time management
