Healthy Parenting:

Healthy Parenting Rick Johnson, 2020-01-21 Anyone can be a good parent even if their own parents were abusive neglectful or absent In this compassionate and practical book Rick Johnson shows you how to identify the ways in which your past experiences affect your own parenting choices Then he walks you through the process of healing the emotional and spiritual wounds toxic parenting has left behind Finally he outlines healthy habits and practices to take the place of negative ones that may have been modeled for you With Rick as your sympathetic guide you can break the cycle of abuse neglect or absenteeism and create a positive family environment now and for the future Promoting Healthy Parenting Practices Across Cultural Groups Keri M. Lubell, 2008 HEALTHY PARENTING: AN EMPOWERING GUIDE FOR ADULT CHILDREN Janet G. Woititz, 1992-09-01 The best selling author of Adult Children of Alcoholics offers advice for parents who survived emotional or physical abuse as children and discusses the impact of the past on current behavior Healthy Parenting Janet G. Woititz, 1992-09 In Healthy Parenting Janet Woititz a leading therapist contrasts what happens in a healthy family with what happens in an unhealthy family As both therapist and parent Janet Woititz can give you the guidance you missed in your childhood and help you avoid the mistakes your parents made It's all in Healthy Parenting The Power of Positive Parenting Matthew R. Sanders, Trevor G. Mazzucchelli, 2018 Safe nurturing and positive parent child interactions lay the foundations for healthy child development How children are raised in their early years and beyond affects many different aspects of their lives including brain development language social skills emotional regulation mental and physical health health risk behavior and the capacity to cope with a spectrum of major life events As such parenting is the most important potentially modifiable target of preventive intervention The Power of Positive Parenting provides an in depth description of Triple P one of the most extensively studied parenting programs in the world backed by more than 30 years of ongoing research Triple P has its origins in social learning theory and the principles of behavior cognitive and affective change and its aim is to prevent severe behavioral emotional and developmental problems in children and adolescents by enhancing the knowledge skills and confidence of parents Triple P incorporates five levels of intervention on a tiered continuum of increasing strength for parents of children from birth to age 16 The programs comprising the Triple P system are designed to create a family friendly environment that better supports parents with a range of programs tailored to their differing needs This volume draws on the editors experience of developing Triple P and chapters address every aspect of the system as well as how it can be applied to a diverse range of child and parent problems in different age groups and cultural contexts
