It's my life in the fascinating hobby of Amateur Radio Much of my professional life is spent producing documentary and

attract an audience and if it was also true all the better The challenge with documentary films is to make them entertaining
first and foremost and informational if possible I've tried very hard to make this book entertaining and from feedback I've
gotten from Hams and wannabee Hams who found it posted online as I was writing it I've succeeded at least to some extent I
tried to make the book fun because Ham Radio is fun And Ham Radio has more facets than a cheap diamond as you'll
