## Hearing Dogs:

*Good Dogs* Ruth Gordon, 2014-07-12 *Good Dogs Stories of Benevolence* is a collection of true stories about dogs helping people and people helping dogs. They are stories about all kinds of dogs, some with jobs, some who were abused and ultimately cared for, some who were simply loving pets, and a few who were famous, but all of the stories are about kindness, hope, starting over, and lending a hand. The dogs found here: Lacey, Scarlet, Polly, Lord, Geoffrey, Ronnie, Daisy, and all the others are proof of the meaningful relationships and strong bonds that can be formed when the best side of humans and the best side of dogs reach out to each other and form friendship and good will. **Your Service Dog and You** Nicola Ferguson, 2023-09-07. Service dogs play an important role in society, assisting their handlers in leading independent, fulfilling lives. These amazing dogs are trained to work with a wide range of disabilities, from visual impairments to PTSD, and come from a variety of breeds and backgrounds. Some service dogs are custom-bred and trained by large charities, while others are rescue dogs of indeterminate breed, trained entirely by their owners. Disability knows no bounds and can strike anyone at any time, leaving us alone, scared, and confused, with many of us wondering how feasible it would be to integrate a service dog into our lives. This is a practical guide written from the perspective of an ordinary dog owner turned service dog trainer, following her own need for a service dog. It covers everything from service dog breeding and selection, how to acquire a service dog, basic training, and public access work to your dog's eventual retirement. Chapters also detail the day-to-day realities of living with and loving a service dog. **999 and other working dogs**, *Helping Hounds* Alison Hornsby, 2000.
