experience Very reader friendly you will find that the concepts and principles are easily adapted to your personal circumstances and lifestyle Designed to bring even more depth to your relationship with God this book is part of an integrated package that includes a DVD and seminar guide for either individual or group study Either as a stand alone book or as part of a package you are sure to gain valuable encouragement and motivation to seek intimate communication with God your heavenly Father

Hearing God's Words Peter Adam,2004 Many discussions of Christian spirituality draw on a range of traditions and disciplines However little attention appears to have been given to the Bible itself as a source of spirituality or to its teaching on this theme Furthermore a common assumption is that the evangelical tradition has little to offer in the area of spirituality In response Peter Adam urges us to renew our confidence in a biblical model of spirituality and to test our spirituality by the Bible Drawing on a selection of Old and New Testament texts along with significant insights from the Christian tradition he expounds the shape and structure of a gospel centred spirituality of the Word through which we receive the life that God gives and know God himself

What the Bible Really Says about How to Hear God Peter Tullener,2020-04-09 The Bible tells us that faith comes by hearing and hearing by the word of God and without faith it is impossible to please God We are also told that God speaks to us through His written word and spoken words So how can we have faith if we can t hear the word of God Hearing God s voice is not only reserved for those who are good or holy or special enough It is a privilege that is available to anyone that truly follows Jesus Christ It may not be easy but it is possible for the most simple person to learn to do regardless of your intelligence education background ancestry or past sins People often find the Bible difficult to read because it contains so much information about so many different and critically important subjects that it is sometimes difficult to focus on one specific subject as you read through all the books of the Bible This book extracts the scriptures that the Bible gives to help you hear the voice of God and gives simple practical advice so that you can avoid many mistakes that so many Christians have made so that you can more easily live the abundantly blessed life that Jesus died for you to have What the Bible Really Says about How to Hear God is a book that simply and plainly explains what the Bible actually says about the subject and incorporates over twenty five years of the author s life experience and mistakes that will help you to avoid making the same mistakes and to learn how to recognize hear and follow the voice of God in your everyday life

Blackaby,Richard Blackaby,2002-09-15 Based on classic Experiencing God principles Hearing God s Voice is for those who are ready to listen Beloved author Henry Blackaby and his son Richard help those who are listening to discern the voice of God to identify ways He speaks and to respond to His revelations of His will God speaks to individuals in ways that are personal and unique to each person God will never say anything that contravenes what He has said in the Bible and usually He confirms what He has said After you learn to listen to God hearing from God will be as natural as communicating with a close friend **Too Busy with Busyness to Hear God** Roy D. Beaird,2004 In light of September 11 2001 we have all come to realize that our world can change in the blink of an eye In a time of tragedy we tend to turn to the Spiritual and God It is sometimes frustrating to find that in our most desperate hour we find no solace because we do not recognize His voice It is to our detriment that we have allowed our busyness to replace a developed relationship with God The church of today is attempting to accommodate entertain and retain people rather than providing real answers to real problems I believe that this is why the church has not progressed to a greater degree toward the mark of Gloriousness which Jesus foretold Why The church of this age is so BUSY with the BUSYNESS OF DOING we cannot hear what God is saying We have become Human doings rather than Human beings We have lost the art of LISTENING as well as the courage to simply DO what God is DOING and SAY what God is SAYING Two household chores washing and ironing depict what I m speaking of in a remarkable manner How do you remove spots and wrinkles from clothing Washing and ironing But since the art of doing laundry is a thing of the past we miss this analogy How do you remove wrinkles from clothing You iron them out What is ironing It is the application of heat and pressure which smoothes out the wrinkles As we move this into the human arena we are confronted with vehement resistance We do not like heat or pressure We live in a push button society and a microwave world Everything is instant God instructed Israel during the wilderness journey to not erect permanent structures Why They were simply passing through to their ultimate destination They dwelled in temporary structures and did not amass hordes of things or obligations in life Many of us are stuck where we are today because we have allowed ourselves to become overly encumbered by possessions

and obligations We are so enslaved to this world that we can neither hear God nor follow Him completely It is God s desire to take each believer into His laundry room and prepare us for service He wants us to realize that just because we are busy at religious things it does not mean that we are spiritual We need to learn the four causes of burnout and avoid them It is imperative that we develop Ears to Hear in our relationship with God As we learn the secret of relationship and God s provisions through His covenant we will find restoration to what He designed us to be It is my desire to see each person free from the bondage of performance so they can enjoy the freedom of relationship *Hearing God's Voice* Vern
