IN A CHANGING WORLD

Make Work Matter

An abstract graphic design on a textured grey background. It features several overlapping, organic shapes in muted colors: a large dark teal shape in the center, a light blue shape behind it, a bright yellow shape at the bottom left, and a green shape at the bottom right. A pair of thin-rimmed glasses is superimposed over the central teal shape, with a small stack of papers or a book resting on the bridge of the nose. The overall composition is layered and artistic.

Heart Of The Matter How To Find Love How To Make It Work:

Heart of the Matter Linda Austin, 2003-05-06 Why is it that love seems to come easily to some people and not to others In her first book What's Holding You Back Eight Critical Choices for Women's Success Dr Linda Austin explored the psychological glass ceiling the emotional barriers that keep women from achieving career success This book is about a different kind of inner glass ceiling the one that holds you back from the heights of great love Dr Austin is convinced that there's nothing fundamentally wrong with those who have difficulty finding and keeping love BUT there may be specific behaviors that you engage in and specific behaviors that you do not engage in that have a profound impact on whether you find and keep love The good news Those behaviors can be learned practiced and eventually incorporated into your personality Dr Austin wants you to know that small adjustments in your outlook and actions can have enormous impact on your ability to get the love you want And in this perceptive highly original book she identifies the five core behaviors that determine your ability to have successful loving relationships as well as the patterns of behavior that can subtly sabotage those efforts The Core Behaviors 1 Engage with the World around You 2 Evaluate the Choices You Make for Love 3 Expand Your Safety Zone 4 Establish Emotional Independence 5 Evolve Consciously Willfully Healthily Heart of the Matter shows how these five essential practices can deepen and transform your ability to give and receive love and loyalty It explains how to make those small and specific changes that will have huge ripple effects on what happens to you in life and most important of all it demonstrates how to identify and use your strengths so that you can move toward the life and love you want so much Heart of the Matter reflects Dr Linda Austin's twenty five years as a psychiatrist assisting all sorts of people in their efforts to live more fully in the real world of loving human relationships Pragmatic and sensible this book is based on the conviction that each of us has the capacity to improve our ability to find and inspire love through specific behaviors So whether you're currently in a relationship or it's been so long since you've dated that you think seeing someone refers to a psychiatrist Heart of the Matter can help you move toward that healthy loving relationship you want and so richly deserve **The Heart of**

Greenberg,1994 First Published in 1995 Routledge is an imprint of Taylor Francis an informa company *The Heart of the Matter* Arthur Green,2015-04-01 Judaism like all the great religions has a strand within it that sees inward devotion as an opening of the human heart to God's presence This voice is not always easy to hear in a tradition where so much attention is devoted to the how rather than the why of religious living The devotional claim certainly a key part of Judaism's biblical heritage has reasserted itself in the teachings of individual mystics and in the emergence of religious movements over the long course of Jewish history This volume represents Rabbi Arthur Green's own quest for such a Judaism both as a scholar and as a contemporary seeker This collection of essays brings together Green's scholarly writings centered on the history of early Hasidism and his highly personal approach to a rebirth of Jewish spirituality in our own day In choosing to present them in this way he asserts a claim that they are all of a piece They

D. Burns,2004 While recovering from a heart transplant a strange dream kept returning Bob Hunter found himself once again on a small lobster boat bobbing up and down in the ocean in front of a beautiful lighthouse he had never seen before A number of colorful lobster floats and a stack of lobster traps were on the boat in front of him Waves crashing and exploding against a rocky shore in front of the lighthouse sending giant sprays of white foam into the air A girl in a white dress was standing on a

rocky ledge to the left of the lighthouse and waving He knew that somehow she was waving at him As the sequence of dreams returned he would find himself walking up to her as she opened her arms to greet him She was one of the most beautiful girls he had ever seen Her long auburn hair and white dress were gently flowing in the breeze off of the ocean He would always wake up just as he approached Over a period of time he developed an unexplainable and obsessive love for her even though he knew she could not possibly be real Bob Hunter was an artist and a naturalist and painted a picture of both the lighthouse and the girl in his dreams A new acquaintance saw the painting of the lighthouse and told him it was real as she had visited and photographed the same lighthouse She encouraged him to travel to the area to see if he could find a reason for his dreams The dreams had no rhyme or reason Bob had never seen a lobster boat and could not believe that the lighthouse in his dreams actually existed The only way he could rid himself of these dreams was to follow his friend s suggestion and travel to the lighthouse and begin a search for the lady of his dreams
