## **Heart Of The Problem A Prescription For A Deeper Experience With God:**

*The Heart of the Problem* Henry Brandt, 1995-05 This book is a guide to victory over life dominating sin based on two biblical principles remarkable in their simplicity 1 There is no human remedy for sin 2 The only cure for sin is in Christ

The Power of the Call Henry T. Blackaby, Henry Brandt, Kerry L. Skinner, 1997-07-01 Whether you find yourself on the verge of burnout or simply need someone to fan the flames of your faith take time to experience afresh The Power of the Call This practical and uplifting guide takes a biblically sound and realistic look at how God provides fully for every need a pastor or anyone called into the ministry will face And it reminds us that success in a church is not what we think it is it s what God thinks it is      **Subject Guide to Books in Print** , 1991      **Deep Calleth Unto Deep** Othniel Talmadge Spence, 1995-02 An autobiography of the first twenty years of O Talmadge Spence s life      **Forgiven** Don Wilton, 2016-06-22 The need for forgiveness is one of the deepest needs of the human heart Forgiveness is a result of God s miraculous grace Forgiven by Don Wilton leads you straight to the Cross of Jesus where you can be absolutely certain that you are forgiven of your sins But it doesn t stop there A right relationship with God sets the stage for a right relationship with every other person in your life Hurts run deep and it is difficult to forgive those who have wounded you Many Christians live their lives needlessly handcuffed and chained to the past In doing so they pass down a heritage of bitterness and hatred to their children Forgiven will lead you to choose forgiveness over bitterness It may seem inconceivable to you at this point but God wants to use your story of forgiveness for His glory Are you ready for the power of the Cross to change your life for eternity      Digging a Little Deeper in the Psalms Sam Owens, 2012-04 Just beneath the surface of many of the best known and some less well known verses of sacred Scripture there lies a hidden treasure that many casual Bible readers may never see Quite often just a short prayerful pause to reflect upon the written word will allow God the Holy Spirit to open our minds to deeper revelations as to the importance of a specific verse or series of verses New ways of applying that Scripture to our lives begin to become clear to us For that reason pastor and author Sam Owens invites readers to grab their spiritual shovels and dig a little deeper into the treasure that is God s Holy Word      **The Ministry of the Word, Vol. 22, No. 06** Various Authors, 2018-06-01 This issue of The Ministry of the Word contains the eight messages given during the international training for elders and responsible ones held in Anaheim California April 13 15 2018 The general subject of this series of messages is Taking Christ as Our Person and Living Him in and for the Church Life God s intention in His economy is to work Himself into us not only as our life but also as our person A wonderful person Christ as the life giving Spirit came into our spirit regenerated our spirit and mingled Himself with our spirit causing our spirit to become our inner man with Christ as the person indwelling our spirit When we are strengthened with power into our inner man the Christ in our spirit is able to spread into our heart Our heart is the acting agent that represents us As regenerated persons our inner man is now our real person Our inner man is now Christ as our person If we live by the outer man the old man it is impossible to have the church life In order for Christ to be

our person He needs to make His home in our heart that is He needs to be able to actually live in our heart Then we will live Him by walking according to the spirit When we allow Christ to actually live in our heart He becomes our person in practice The most important quality with regard to a leading one is his person not his capacity ability or gift in carrying out a work serving or taking the lead A leading one must have an enlarged heart Pride an expression of foolishness comes from having a narrow heart A leading one should have an enlarged and loving heart and he should have a powerful and exercised spirit that is he should be dominated governed directed led and controlled by his spirit When a leading one has been fully reconciled to God and has been enlarged in heart he can represent God rightly in His economy Every day we need to live Christ in and for the church life by walking according to the spirit If we would live Christ we must take Him as our person and live one person with Him The Lord Jesus was the Pioneer the model example and pattern of how all believers should live today The first God man lived out another person the Father In Jesus we see not only the man but also God living in through and as that man Living Christ and walking according to the spirit are actually one matter Living Christ requires that we love Him to the uttermost If we do not love the Lord we cannot live Him The practical way to live Christ is to walk according to the spirit Ultimately the Bible requires only one thing of us that we walk according to the mingled spirit To walk in the spirit is to do everything in our daily life according to the spirit The central thought of the Bible is that God desires us to live Christ for the building up of the Body of Christ The Lord s shepherding in His heavenly ministry is to take care of the church which is His Body Christ has incorporated the apostolic ministry into His heavenly ministry in order to shepherd God s flock the church which issues in the Body of Christ The elders must preach the gospel by the way of shepherding and they must bring in a revival by the way of shepherding They must shepherd the saints in everything and in every way for the dispensing of Christ into them We all need to shepherd people according to the pattern of the Lord Jesus cherish the saints in the humanity of Jesus and nourish them in the divinity of Christ If we all participate in Christ s shepherding there will be a revival in the Lord s recovery The Reports and Announcements section contains an announcement for a Church Book Service Workshop and an update on the construction of the Woodland Camp training facility in the northeast part of London England Also included at the end of this issue is a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
