Heart Of Parenting Raising An Emotionally Intelligent Child:

Raising An Emotionally Intelligent Child John Mordechai Gottman, Joan DeClaire, 1998-08-12 Discusses a five step program for parents to use when teaching their children to acknowledge and master their emotions **The Heart of Parenting** John Mordechai Gottman, Joan DeClaire, 1997 This is a practical guide for parents on how to raise a child who can understand and control his or her emotions It explains a child s different emotional needs at different ages and shows parents how to help their children calm themselves down how to focus their attention how to give their children better emotional support through difficult times such as divorce and offers simple tools and techniques for parents to evaluate and improve on their own emotional parenting styles **Raising An Emotionally Intelligent Child** John Gottman, 1998-08-12 Raising an Emotionally Intelligent Child is John Gottman s groundbreaking guide to teaching children to understand and regulate their emotional world Intelligence That Comes from the Heart Every parent knows the importance of equipping children with the intellectual skills they need to succeed in school and life But children also need to master their emotions Raising an Emotionally Intelligent Child is a guide to teaching children to understand and regulate their emotional world And as acclaimed psychologist and researcher John Gottman shows once they master this important life skill emotionally intelligent children will enjoy increased self confidence greater physical health better performance in school and healthier social relationships Raising an Emotionally Intelligent Child will equip parents with a five step emotion coaching process that teaches how to Be aware of a child s emotions Recognize emotional expression as an opportunity for intimacy and teaching Listen empathetically and validate a child s feelings Label emotions in words a child can understand Help a child come up with an appropriate way to solve a problem or deal with an upsetting issue or situation Written for parents of children of all ages Raising an Emotionally Intelligent Child will enrich the bonds between parent and child and contribute immeasurably to the development of a generation of emotionally healthy adults **The Heart of Parenting** John Mordechai Gottman, Joan DeClaire, 1997 This is a practical guide for parents on how to raise a child who can understand and control his or her emotions It explains a child s different emotional needs at different ages and shows parents how to help their children calm themselves down how to focus their attention how to give their children better emotional support through difficult times such as divorce and offers simple tools and techniques for parents to evaluate and improve on their own emotional parenting styles Summary of John Mordechai Gottman, Joan DeClaire & Daniel Goleman's Raising An Emotionally Intelligent Child The Heart of Parenting Everest Media, 2022-03-31T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Good parenting involves more than just intelligence It involves emotion and parents need to be aware of their children s feelings and be able to empathize with them 2 Emotion coaching is the act of helping your child deal with life s ups and downs It involves accepting your child s negative emotions and teaching them important life lessons and building closer relationships with them 3 The Emotion Coaching parent may seem like a Dismissing parent at first because

they directed Joshua to think about something other than staying home But there is a crucial distinction As an Emotion Coach Diane acknowledged her son s sadness helped him name it allowed him to experience his feelings and stayed with him while he cried 4 The process of Emotion Coaching involves five steps for parents becoming aware of the child s emotion recognizing the emotion as an opportunity for intimacy and teaching listening empathetically validating the child s feelings and setting limits while exploring strategies to solve the problem

What Am I Feeling? John Gottman, John Mordechai Gottman, 2004 Adapted from Dr John Gottman s *Raising an Emotionally Intelligent Child* this book helps adults identify their parenting and care giving style It explains the five important steps in emotion coaching children to ensure that children are guided to healthy emotional growth Gottman argues that kids who can accept and share their emotions form stronger friendships achieve more in school recover from emotional crises more quickly and are physically healthier Beautiful illustrations of parents and children help convey the vital message of this guide *Raising An Emotionally Intelligent Child* John Gottman, 2011-09-20 Intelligence That Comes from the Heart Every parent knows the importance of equipping children with the intellectual skills they need to succeed in school and life But children also need to master their emotions *Raising an Emotionally Intelligent Child* is a guide to teaching children to understand and regulate their emotional world And as acclaimed psychologist and researcher John Gottman shows once they master this important life skill emotionally intelligent children will enjoy increased self confidence greater physical health better performance in school and healthier social relationships *Raising an Emotionally Intelligent Child* will equip parents with a five step emotion coaching process that teaches how to Be aware of a child s emotions Recognize emotional expression as an opportunity for intimacy and teaching Listen empathetically and validate a child s feelings Label emotions in words a child can understand Help a child come up with an appropriate way to solve a problem or deal with an upsetting issue or situation Written for parents of children of all ages *Raising an Emotionally Intelligent Child* will enrich the bonds between parent and child and contribute immeasurably to the development of a generation of emotionally healthy adults

Safe House Joshua Straub, PhD, 2015-10-20 Parenting isn t rocket science it s just brain surgery And Dr Joshua Straub has good news for you You can do it You don t need to do all the right things as a parent Both science and the Bible show us that the most important thing we can provide for our kids is a place of emotional safety In other words the posture from which we parent matters infinitely more than the techniques of parenting Emotional safety more than any other factor is scientifically linked to raising kids who live love and lead well Learn how to use emotional safety as a foundation from which you parent and make a cultural impact that could change the world In *Safe House* Dr Straub draws from his extensive research and personal experience to help you Foster healthy identity and social development in children of any age Win the war without getting overwhelmed in the daily battles Discipline in a way that builds relationship Understand how the culture is affecting your child and what you can do about it Cultivate responsible self regulating behavior in your kids Establish an unshakeable sense of faith morality and values in your home Feel more

confident and peaceful as a parent Find a greater perspective on parenting than what you might see on a daily basis Also includes a Safe House Parenting Assessment *It Takes a Child to Raise a Parent* Janis Clark Johnston,2013-04-04 While advice abounds from a variety of sources before parents embark on their parenting journeys the only parent preparation we actually receive comes from our family and peer stories Yet most adults do not realize that in day to day challenges of guiding our children something interesting happens As we steer our children through life we reopen our own childhood roads Just when our child most needs us we become needy ourselves as adults and parents we find that we have unresolved raising issues basic needs that were not met in our childhoods Our needs and memories echo and influence many of the parenting decisions we make even though we re unaware of those influences at times Fortunately children help parents reach their needs as much as their parents help them fulfill their own Our child ends up guiding us by connecting us to some earlier time in our life when we encountered distress We dredge up a lesson and we adapt by adhering to or changing the story that we tell ourselves about who we are We re negotiate the five basic needs that surface from our childhood memories as our youngsters pass through each of the developmental phases The self aware parent focuses on creative problem solving by focusing on one interaction at a time *It Takes a Child to Raise a Parent* offers an exploration of how our own childhood memories and needs influence and shape our parenting decisions in our adult lives Offering tips stories from a variety of families and step by step exercises Janis Johnston helps parents better understand and grasp the tools necessary to face parenting challenges head on and to explore new ways of understanding ourselves our children and our family interactions Expectant parents and current parents interested in understanding their own personality development as well as the many moods of childhood and their own children will find clear guidelines for understanding their roles in their children s lives as well as concrete suggestions for how to navigate the choppy waters of raising children **The Go-To Mom's Parents' Guide to Emotion Coaching Young Children** Kimberley Blaine,2010-07-15 From the producer of the popular on line The Go To Mom TV comes a handy guide filled with practical tips that reject old fashioned discipline and instead use empathy and emotion coaching a more effective open hearted method of support and positive change Blaine shows how to put in place life changing solutions and access previously untapped resources This book is written for parents who struggle to solve the day to day problems of raising kids She offers emotion coaching solutions for dealing with tantrums nightmares hitting bedtime whining bedwetting potty training shyness and anger **The Oxford Handbook of Positive Psychology** Shane J. Lopez,C. R. Snyder,2011-10-13 This book is the definitive text in the field of positive psychology the scientific study of what makes people happy The handbook s international slate of renowned authors summarizes and synthesizes lifetimes of research together illustrating what has worked for people across time and cultures Now in paperback this second edition provides both the current literature in the field and an outlook on its future *Emotional Development and Families* Julie Hakim-Larson,2017-09-30 This lively and engaging book conducts a thorough review of the current research literature in

developmental psychology and socialisation and then clearly links theory to practical applications in both clinical and everyday situations Life's first important lessons on how to handle emotions often emerge early on within family relationships forming the foundation for emotional development over the life span Couples siblings parents and extended family members all have profound influences on each other's emotional lives as well as on the lives of the children they are socialising Students can expect to learn a wide range of relevant topics bringing together theory practice and research in a comprehensive and lucid way Covering the main topics of emotional development this textbook reviews contemporary research and makes recommendations for how students might practically use the findings in their future studies or in practice Filled with a wealth of resources and suggestions for further reading this book is an ideal supplementary text suitable for students taking undergraduate and postgraduate courses on developmental psychology family psychology and child clinical psychology This book may also be helpful for those taking undergraduate and postgraduate courses on social work counselling education studies and family studies
