Heartbeat Of The Absolute Commentaries On The Ishavasya Upanishad:

The Book of One Dennis Waite, 2010-05-11 A comprehensive yet entertaining introduction to Advaita the non dual philosophy which provides a completely reasonable explanation for who we are and the nature of the universe There are many self help approaches promising enlightenment and happiness but most are illogical and lack any proven capability Advaita has a guru disciple tradition stretching back for several thousand years and can guarantee the sincere seeker a progressive path to self realization A 21st Century treatment of this ancient eastern philosophy this book addresses all of the issues that are covered by both traditional teachers from the lineage of Shankara and by modern satsang teaching and Direct Path methods stemming from Ramana Maharshi and Krishna Menon Topics are explained in an accessible and readable manner using amusing quotations and stories along with an abundance of metaphors from a wide variety of sources

The Psychology Of The Esoteric Osho, 2022-03-30 There are two types of evolution collective evolution and individual conscious evolution Evolution implies unconscious collective progress so it would be better to use the word revolution in talking about man With man revolution becomes possible Revolution as I am using the word here means a conscious individual effort toward evolution It is bringing individual responsibility to a peak Only you are responsible for your own evolution

Every Evening Comes the Moon Brian Theriault, 2022-04-07 Brian takes us on a journey into the paradox of the human condition to the depths of human suffering where there exists the transformational healing opportunity of waking up to the essence of who we are This is described in many contemplative wisdom traditions that point to a reality that exists beyond the identification with the separate self the sense of me to a reality that is unconditioned and considered the ultimate medicine to pain and suffering With the phases of the Moon serving as a metaphor for waking up out of the darkness of the separate self this book opens our eyes to the healing power of awakening to our true nature in the midst of some of our most terrifying experiences The states of confusion fear and shame the experiences of trauma addictions grief and loss and the suffering of spiritual seeking itself can be met with the restorative power of awakening When we embody surrender grace attention and openness in our darkest moments we can begin to see that in the evening of despair lies the moonlight of our own awakening

Nirvana : The Last Nightmare Osho, 2004 Spontaneous talks given by the author in Chang Tzu Auditorium Pune India

I Say Unto You - Vol. II Osho, 2022-06-22 What if Jesus were not a supernatural being conceived by a virgin but a real human being who had experienced the awakening of consciousness known as enlightenment in the East This extraordinary line by line commentary on some of the best known Gospels from the New Testament tests the hypothesis that Jesus was a mystic not a miracle worker And convincingly makes the case that the stories of his life were never meant to be a factual record of history but rather are teaching parables designed to provide ongoing spiritual guidance for generations to come I will speak on Christ but not on Christianity Christianity has nothing to do with Christ In fact Christianity is anti Christ just as Buddhism is anti Buddha and Jainism anti Mahavir Christ has something in him which cannot be organized The very nature

of it is rebellion and a rebellion cannot be organized The moment you organize it you kill it Then the dead corpse remains You can worship it but you cannot be transformed by it You can carry the load for centuries and centuries but it will only burden you it will not liberate you That's why from the beginning let it be absolutely clear I am all for Christ but not even a small part of me is for Christianity If you want Christ you have to go beyond Christianity If you cling too much to Christianity you will not be able to understand Christ Christ is beyond all churches *Glory of Freedom (Sufis the People of the Path)*
