*Reality Squared* Tom Syverson,2021-03-26 In this concise but rich book Syverson refutes the common notion that reality television is superficial or inauthentic explaining how such criticisms fail to appreciate the way that we form social reality in the first place By examining shows like *The Hills* *The Real Housewives* *Vanderpump Rules* and *The Bachelor* alongside postmodern philosophy feminist theory and political economy Syverson argues that we can confront today s postmodern condition only by accepting it on its own terms To what extent does reality television mimic and shape our public and personal lives Is reality television a dangerous shallow decadence or can it provide the key to understanding our postmodern moment And above all what does the election of Donald Trump mean for progressive fans of the genre *Reality Squared* tackles these questions head on arguing that reality television represents the great modern art form and the only entertainment vehicle capable of showing what it feels like to be alive today *Dead Reality* Jess Anastasi,2011-01-22 FBI Special Agent Ella Waverly is wrapping up one last assignment before heading off on her first holiday in five years But thoughts of flip flops and cocktails are the last thing on her mind when she meets the new team leader Special Agent Bryce Lain and finds out her long planned for holiday is being scuttled for an undercover assignment Agent Lain is gorgeous the kind of gorgeous that guarantees he s an arrogant jerk The news that he ll be her partner in the dangerous mission is almost enough to make her head explode Before the day is out Ella finds herself at Little Palm Island Resort in Florida masquerading as a contestant on the latest reality TV show *Lord Bachelor* The bachelor in question a disgraced British peer is suspected of raping and murdering several women back in London Though Ella knows it safer where her heart s concerned to deny it the longer she s stuck with Bryce the more she sees there could be a man worth loving beneath the impossibly good looking exterior As humidity frizzes her hair beyond the help of any type of de frizzing smoothing glossing product Ella tries to wrangle working against nineteen husband hungry bimbos one suspected serial killer and one seriously hot agent who s trying everything he can to get under her skin *Slipping Reality* Emily Beaver,2011-07-16 In a time of hardship and

Shadows of Reality Stephen N Berberich, 2013-01-24 Christmas Day 3 00 a m December 25 2015 The final chapter in man's search for truth began with a single event that took place in the wee hours of Christmas morning 2015 A crippling blizzard of epic proportion had blanketed the entire northeastern corridor with an opaque shroud of ice and wind driven snow All ground and air transportation was at a complete standstill as residents throughout the Atlantic coastal area hunkered down in their homes awaiting a reprieve from nature's fury This explains why Ray Hodges was fast asleep at his desk in the air traffic control tower of Dulles International Airport After doing absolutely nothing for the past six hours he was bored stiff and had planned to rest his eyes for only a moment Forty five minutes later Hodges was awakened by a high pitched alarm warning him of an incoming bogey The aircraft's radar signature was that of a TWA Constellation a prop driven plane that he had not seen since the early 1960s The anonymous intruder was flying dangerously close to the high value targets in Washington DC and Hodges was required to establish immediate radio contact with the inbound aircraft Using multiple radio frequencies he tried to hail the pilot with no response This perilous situation prompted an urgent call to the Strategic Air Command at Andrews Air Base and within minutes of notification a squadron of F18 jets had surrounded the aircraft The team leader contacted Hodges and reported that he too was unable to communicate with the pilot Then the pilot said something that made Hodges's skin crawl Dulles there seems to be multiple objects protruding through the fuselage of the plane Understand the visibility up here is marginal but those objects look a lot like body parts Hodges instantly felt a gnawing pain centered in the pit of his stomach Thus began one young man's journey into the crypts of the unknown It was a

place where all reality was an illusion
