**Send Me!** Steve Hoke, William Taylor, 1999-06-01. This hands on workbook has been designed for two kinds of people: those who have a deep desire to serve God overseas and those who want to help them. It has not been designed to persuade people to become missionaries. Rather it assumes an initial interest, an early indication or drive somewhere inside that God may have more for you than you previously thought. It is aimed at two primary readers: college/university students and young career persons as well as committed older adults facing the challenge of an early retirement or career change. The information this workbook presents will also help churches, campus groups, schools, missionary training centers and agencies to think and pray through short term and long term plans with those responding to God's call.
