Hearts Wild Surf:

The Heart's Wild Surf Stephanie Johnson, 2014-10-03 Romantic funny and surprising this novel is a bold exploration of love in a time of confusion In Fiji at the end of 1918 the distant Great War is drawing to a close and Spanish flu is raging Twelve year old Olive McNab is sent from Suva to stay with her aunt and uncle on a plantation on Tavenui On this magical and mysterious island she uncovers some startling well kept secrets The death of her mother her friendship with two independent women and a series of adventures change Olive's life for ever Johnson's work is marked by a dry irony a sharp edged humour that focuses unerringly on the frailties and foolishness of her characters There is compassion though and sensitivity in the development of complex situations A purposeful sense of such larger concerns balances Johnson's precision with the small details of situation character and voice that give veracity and colour The Oxford Companion to New Zealand Literature

The Sailmaker's Daughter Stephanie Johnson, 2003-07-14 It is 1918 and Spanish Flu is epidemic in Suva the capital of Fiji Twelve year old Olive is sent with her brothers and grandmother to Taveuni to stay with her childless aunt and uncle on their sugar plantation to escape the disease as her mother lies dying of the flu in their family home The months that follow hold magic and sorrow for Olive as she uncovers well kept family secrets and grieves for her dying mother The Sailmaker's Daughter is dedicated to the memory of Stephanie Johnson's grandmother who was born in Fiji in 1905 Like Olive in the book her grandmother was one of a large family her father was the sailmaker in Suva and her mother died of the Spanish Flu at the end of the Great War The Sailmaker's Daughter is both a tribute to Stephanie Johnson's grandmother and a powerful evocation of a mystical paradise lived and lost

The Whistler Stephanie Johnson, 2013-12-16 A brilliant novel about history the forgetting and rewriting of it and a satire on a society that has lost compassion in the process Smooch is a Whistler a genetically altered lapdog with special talents including the ability to remember his previous incarnations and to communicate directly from his brain by electronically downloading his thoughts onto disc Smooch has been reincarnated many times and has lived on many of the great laps of history past and future He can recall many of history's key moments such as the birth of Jesus and the imprisonment of Mary Queen of Scots The Whistler is a virtuosic feat wise funny and intelligent Smooch's current reincarnation is in Sydney in the year 2318 The world has gone to hell democratic government worldwide has given way to a society run by corporations pollution is everywhere and society is heavily stratified between the haves and have nots
