A Woman's Guide to Men's Health Abraham Harvey Kryger, 2006-03 What you need to know about male health happiness vigor and sexuality Cover

Mind Over Meds Andrew Weil, 2025-05-01 Too many Americans are taking too many drugs and it's costing us our health happiness and lives Prescription drug use in America has increased tenfold in the past 50 years and over the counter drug use has risen just as dramatically In addition to the dozens of medications we take to treat serious illnesses we take drugs to help us sleep to keep us awake to keep our noses from

running our backs from aching and our minds from racing Name a symptom there s a pill to suppress it Modern drugs can be miraculously life saving and many illnesses demand their use But what happens when our reliance on powerful pharmaceuticals blinds us to their risks Painful side effects and dependency are common and adverse drug reactions are America s fourth leading cause of death In *Mind over Meds* bestselling author Dr Andrew Weil alerts readers to the problem of overmedication and outlines when medicine is necessary and when it is not Dr Weil examines how we came to be so drastically overmedicated presents science that proves drugs aren t always the best option and provides reliable integrative medicine approaches to treating common ailments like high blood pressure allergies depression and even the common cold With case histories healthy alternative treatments and input from other leading physicians *Mind over Meds* is the go to resource for anyone who is sick and tired of being sick and tired *An Age of Opportunity* Richard H. Gentzler, 2018-05-01 A companion to the author s earlier book *Designing an Older Adult Ministry Discipleship Resources* 1999 this book will provide new information and outline ways to develop and strengthen ministries by with and for older adults that can and will enhance the spiritual growth and well being of people of all ages The church is beginning to recognize that there are vast numbers of older people in its membership It is becoming aware of its indebtedness to them for the leadership support service and faith that has made the church of today possible The church is uniquely positioned to help older adults respond to the challenges of aging to see the tremendous potentialities in the lives of older adult for making the church and community better and to assist older people as they experience new meaning and purpose in their later lives Chapters include Why Older Adult Ministries Understanding the Aging Process Aging and the Spiritual Journey The New Seniors Boomers Intentional Ministry by with and for Older Adults Organizing for Intentional Ministry in the Local Church Organizing for Intentional Ministry in the Conference Congregational Care Ministry Additional Ideas for Intentional Ministry and Trends in Aging Appendixes include a Facts about Aging quiz information on creating and using older adult surveys and suggested resources for further reading and study **Comprehensive Financial Planning Strategies for Doctors and Advisors** David Edward Marcinko, Hope Rachel Hetico, 2014-12-09 Drawing on the expertise of multi degreed doctors and multi certified financial advisors *Comprehensive Financial Planning Strategies for Doctors and Advisors Best Practices from Leading Consultants and Certified Medical Planners* will shape the industry landscape for the next generation as the current ecosystem strives to keep pace Traditional g Something to Live For Richard J. Leider, David A. Shapiro, 2008-11-04 I believe this book you hold in your hands can help you do two things First it can help you recall that ancient conversation we have all had with our Creator enabling you to recall your life s mission and the gifts you ve been given to complete it And second it can help you rearrange your gifts for the part of that mission you ll be working on in the next phase of your life foreword by richard bolles *Human Aging* Paul W. Foos, M. Cherie Clark, 2016-01-08 This text offers a readable and friendly presentation of the important methods findings and theories of human aging while actively involving the reader in meaningful exercises and

critical thinking Students are repeatedly challenged to apply information in the text to the older adults in their own lives Specifically suggestions for enhancing the lives of their older relatives are offered and encouraged These include guidelines for discussions they might have regarding social emotional and environmental changes as well encouraging intellectual and social interaction In this Edition Emphasis on the science of the study of aging and why questions in aging are difficult to answer how social scientists attempt to handle such difficulties and the successes and failures social scientists have had thus far in answering those questions The text also demonstrates how current research findings are now being applied in the real world and or how they might be applied in the future Cross cultural comparisons and ethnic group comparisons are included wherever possible Each chapter begins with Senior View which introduces students to a real person and gives them a chance to hear what older adults think and say about important issues related to the chapter and a chance to compare those opinions to the research findings Each chapter ends with Making Choices emphasizing the important behavioral emotional and social choices that students can make now to prolong a healthy happy life Chapter Projects offer the opportunity for active learning as students investigate for themselves an issue related to the chapter Instructors can expand these projects for students who want to learn more or for independent study Focus on Aging boxes compliment the material in the text providing additional insight and examples and encouraging critical thinking Every chapter includes discussion questions study questions chapter exercises and related online resources
