**Hearing Our Prayers** Juliette J. Day, 2024-03-15 How do we hear our prayers In the words of philosopher Gemma Corradi Fiumara there can be no saying without hearing no speaking which is not an integral part of listening no speech which is not somehow received Therefore hearing should be considered an essential aspect of participation in Christian worship However although almost all studies of Christian worship attend to the words spoken and sung almost none consider how worshippers hear in the liturgical event In *Hearing Our Prayers* Juliette Day draws upon insights from liturgical studies philosophy psychology acoustical science and architectural studies to investigate how acts of audition occur in Christian worship The book discusses the different listening strategies worshippers use for speech chant and music as well as for silence and noise why paying attention in church can be so difficult and how what we hear is affected by the buildings in which worship takes place Day concludes by identifying liturgical listening as a particular type of ritual participation and emphasizes that liturgical listening is foundational for the way in which we pray and think about God the church and the world

*Seasons of Abuse* Dorothy A. Taggart, 2014-09-12 In every poem written an interpretation of a dream nightmare or reality remains to be revealed Taya s reality was that she lived in an abusive relationship over a decade which was not a dream instead it was a nightmare She lived the nightmare and faced the reality of abuse early in life nevertheless her dreams came true later in her life As the seasons changed her emotions changed with expressions of love hate depression and fear While God sent his grace wisdom love and joy down from heaven Taya embraced his gifts in the rain sunshine wind and snow Without the fear of what people might think Taya was able to express her true self by expressing her true feelings throughout her stories and poems There is a message in her poems and stories which will remain in hearts and minds forever While her emotions traveled deep into her words her tears bled with the hopes that every word in this book would reach every hurting soul that needs healing Living in an environment surrounded around drugs violence and crime did not prevent Taya s dreams from coming true For she was

awareness of their needs A revival is connected to the people of God and it is when those who are in churches those who are professing believers are ministered to by the Holy Spirit in such a way that they are renewed in their devotion to the Lord The time is ripe for the one final great harvest yet this calls for the revived church full of the fire of the Holy Spirit to go into the fields to awaken the lost and the forgotten and broken and to bring them into the loving embrace of a God who is full of compassion grace and mercy This is the time of spiritual latter rains and now is the time to welcome the embrace of a God who is real alive and who calls us all into His arms to reflect His beauty and greatness It is not God s Will that any soul should perish but that all men should come to the knowledge of God and be saved God is calling on all believers to cast their net in the deep for the harvest of souls      *Purify My Heart: A Dialogue with Jesus* Isabelle Joye,2021-02-08 In her own devotional prayer journal Isabelle Joye records not only Scripture and her prayers to the Lord but also what she senses Jesus is saying to her in response The result is a beautiful dialogue as she allows the words of the Lord rooted in the Word to minister to the deepest recesses of her heart soul and mind and purify her to become increasingly holy before him Isabelle Joye shares examples of her personal dialogue with Jesus to inspire her readers to establish their own dynamic and interactive relationship with the Lord At the end of each chapter readers will discover questions and lined pages where they can journal their personal response      *My Journey* Naomi Tammi Palmer,2017-04-03 This is a revised version of my first publication from 2009 This represents the start of my journey A collection of my poetry from the age of 10 years I lost so many of my poems along my journey I am happy to be able to share these ones that are remaining I am working on 2 more books In this revised version I have added some insights into my 2nd and 3rd book at the end This one contains Poems of Woes Hardship Love and many more experiences My Spiritual Journey and the Wisdom I learned along the way Journey with me and may you find some upliftment and inspiration We often start out our journey on a survival story This book is a testament that all is meant in order to shape our destiny to a successful outcome Thank you for purchasing my book I hope you enjoy Peace Love and Light to All in All Oneness BeINenerGy      *He Whispers Your Name (eBook)* Cherie Hill,2016-01-12 God is whispering your name can you hear Him HE WHISPERS YOUR NAME is more than just a devotional it is 365 invitations to listen to God and the personal messages He wants to share with you With 52 themes such as faith prayer forgiveness and salvation Cherie Hill ensures that you will be able to draw closer to God in all areas of your life There is also an index of the themes at the back of the book Written as if God Himself is speaking HE WHISPERS YOUR NAME makes it resoundingly clear that He wants to have an intimate relationship with you Allow God to strengthen your faith as you listen to Him whispering your name Find encouragement in God s whisper as you work your way through this full color devotional
