Forerunners of Revolution Walter M. Brasch,1990 Examines the role of investigative reporting in exposing wrongs in American society and promoting change focusing on the years from 1890 to 1915 Hearst to Hughes Donald T. Lunde,2007 Dr Lunde takes us behind the scenes in some of the most celebrated and controversial criminal and civil trials of the past fifty years As one of the pioneers in the field now known as forensic psychiatry he interviewed people like Patty Hearst and the Hillside Strangler and consulted with judges and attorneys in hundreds of cases in his illustrious career After reviewing extensive evidence and interviewing witnesses Dr Lunde often served as a key witness in trials involving people like Howard Hughes who were the subjects of much speculation but few actual factual investigations As a well known Stanford psychiatrist he was able to uncover the reasons why people committed outrageous and sometimes unspeakable acts which shocked their communities and even the world This book reveals previously unpublished details of the way in which doctors and other professionals go about trying to understand an event and then see that justice is served One such event discussed is the mass murder suicide of almost one thousand Americans in a remote South American jungle clearing called Jonestown This memoir contains stories which are stranger than fiction but that actually happened They are told by someone who was in a unique position to learn about them and who now shares the experience with the reader *Incendiary* Michael Cannell,2017-04-25 Long before the specter of terrorism haunted the public imagination a serial bomber stalked the streets of 1950s New York The race to catch him would give birth to a new science called criminal profiling Grand Central Penn Station Radio City Music Hall for almost two decades no place was safe from the man who signed his anonymous letters FP and left his lethal devices in phone booths storage lockers even tucked into the plush seats of movie theaters His victims were left cruelly maimed Tabloids called him the greatest individual menace New York City ever faced In desperation Police Captain Howard Finney sought the help of a little known psychiatrist Dr James Brussel whose expertise was the criminal mind Examining crime scene evidence and the strange wording in the bomber s letters he compiled a portrait of the suspect down to the cut of his jacket But how to put a name to the description Seymour Berkson a handsome New York socialite protégé of William Randolph Hearst and publisher of the tabloid The Journal American joined in pursuit of the Mad Bomber The three men hatched a brilliant scheme to catch him at his own game Together they would capture a monster and change the face of American law enforcement **William Randolph Hearst** Ben H. Procter,1998 Describes how the newspaper publisher established the forerunner of the tabloid by emphasizing sensationalism and lowering journalistic standards
