**Peerless God of War** Zi CaiDanTang,2020-07-04 He pointed his finger at Qing Yun as he swallowed a mountain and river with his mouth Tens of thousands of blood surged as his divine body connected to the heavens The youth carried a picture of Yin and Yang he had been reborn to kill his enemies Red dust covered a distance of 10 000 feet and blood dyed the heavens and earth In the struggle for supremacy who would be the main contender The true essence of life and death was a secret of ten thousand years It was to use the sea of blood to create heaven and earth and it was to use dried up bones to become a war god of life and death All is on the battle of life and death

*The Immortals - Books 10-12* Monica La Porta,2020-08-16 The chains of Love are stronger than the bonds of Revenge Long after the gladiators fought in the Coliseum ancient evils wander the streets of Rome Only a few heroes have the power to stop them Among them a group of friends whose fate and the gods whims have united in immortality Follow Atreides Max and Fabian as they battle their inner demons and try to save the world and their loved ones at the same time Bound By Water She can steal anything Even his heart Atreides I'm the last merman shifter alive I'm also a famous painter richer than Croesus and not in a hurry to find a suitable mate Someday I'll secure my heritage For now my life is perfect as it is And did I mention that in my spare time I help the police recover stolen art Bringing to justice those thieves gives me a special pleasure and I look forward to my next mission Ariel I'm an art thief and exceedingly good at what I do but promised never to steal again And if my father hadn't accumulated huge debts with the wrong crowd I would've kept my word So here I am at night outside the medieval castle I intend to rob when this absolute hunk of a man emerges from the sea And what do you know he walks up to me and kisses me It's not a regular kiss either but the stuff of legend I kid you not I'm so shaken I almost forget about the heist Too bad there's a werewolf biker gang after me and I have no time for romance The Alpha's Gift The playboy dragon shifter the orphan baby and the nanny who will change their lives Max As a dragon shifter and one of the youngest billionaires in Seattle I work hard during the day and party equally hard at night I'm fastidious about my habits and don't like setbacks of any kind Especially when they come in the form of a baby girl abandoned at my doorstep The sooner I take care of this problem the better it is so I can go back to the club There're two gorgeous blondes waiting for me to rock their night Vivienne My brother wakes me at three in the morning because his boss Mr Rich Hateful has an emergency He makes it sound like a life or death

situation so of course I run to the penthouse And what do I find there besides my brother and the billionaire jerk The most beautiful baby girl I ve ever seen She s so small and just perfect and I fall in love with her at first sight Too bad she s probably related to Mr Prize the man is too handsome for his own good and I can t stand the sight of him I ll endure his presence though for the baby s sake Hopefully we don t end up killing each other Renegade Vampire Princesses Monsters Not your mother s fairy tale Stella Once upon a time I was a princess a real one but the fairy tale is over After my parents died my aunt Marella raised me as her own but now she s gone too Tomorrow I ll be kicked out of my ancestral home with nowhere to live I m desperate Desperate enough to consider the unthinkable becoming a companion and selling myself to a rich and powerful man The escort agency caters to a special clientele though one I never even imagined existed Will I be able to go through with it Fabian I ve been protecting Stella for a long time but she doesn t know it To her I m Fabian Laurentis world famous actor and playboy But I m so much more than that I m an ancient and powerful vampire and the only reason she s still alive She s about to make the worst mistake of her life and I refuse to let her She s mine She won t belong to anyone else but me

*The Dwarf s Forge* Joyce Warren,2024-09-16 The Dwarf s Forge is a captivating fantasy tale that delves into the heart of creation the unexpected paths to wisdom and the enduring power of legacy This story introduces Borin Stonehand a renowned dwarven smith whose life revolves around the clang of hammer on anvil and the fiery breath of his forge within the Whispering Mountains Known for his gruff pragmatism and skepticism towards anything that isn t solid steel Borin finds his world unexpectedly challenged by the arrival of a tiny iridescent fairy wing This impossibly delicate artifact brought by a surprisingly subdued mountain troll carries with it a desperate plea from a frost sprite a plea that compels Borin against his nature to embark on a quest beyond the confines of his forge His journey leads him deep into the ancient silent heart of the mountains a descent through labyrinthine caverns filled with the echoes of forgotten magic What he seeks is not the conventional ore or a tangible treasure but the very essence of the mountain itself its pulsating soul Through this perilous exploration Borin learns to trust not only the strength of his hands but also the whispers of the unseen world He discovers that true power lies not in shaping metal but in understanding the intrinsic energy of life and potential When he finally reaches a chamber bathed in ethereal emerald light he finds not a raw material but a single unworked stone the living soul of the mountain yearning for release In a profound act of creation that transcends mere forging Borin pours his centuries of accumulated skill his deep understanding of the mountain and his very life force into the stone The transformation that follows is not into a weapon or a tool but into a perfect seed containing the entire essence of the Whisperwind Mountains a promise of new life and countless new beginnings The Dwarf s Forge is a resonant narrative about a master craftsman who through an extraordinary journey discovers that the ultimate act of creation is the nurturing of hope and that a lifetime s dedication can culminate in a legacy far grander than any forged artifact *Complete Works* William Shakespeare,1961 **An Introduction to Shakespeare** William Shakespeare,1975 **Reluctant Dreamer** Dixie
