Price, Craig Torbenson, Sadonia

Corns, Jessica Nellis, Keith Wondra, 2011-11-28 Back in 1915 Snowden D Flora of the US Weather Bureau wrote Kansas has been so commonly considered the tornado state of the country that the term Kansas cyclone has almost become a part of the English language Flora's words still seem to ring true Whether called a twister a tornado a vortex or cyclone these catastrophic events have shaped lives in the Sunflower State for generations Just a few destructive moments forever changed places such as Irving Udall Topeka Andover and Greensburg Even before Dorothy Gale in The Wizard of Oz helped equate the tornado with Kansas the turbulent nature of local weather seemed to parallel an equally turbulent history with the fury of people such as John Brown compared to a cyclone Even if they have never seen a funnel cloud themselves those who live in Kansas have come to accept the twister as a regular and always unpredictable neighbor The Undivided Heart Kevin D. Darland, 2008-10 As we walk through the shadow of life's trials we will gain much comfort and spiritual good for our happiness is not of this world but is of the Kingdom of God and our assurance is fully realized in Him One must give attention to their hearts watch over it with all diligence for from it flows the springs of life Watch then the path of your feet and let your eyes be fixed upon God's word Keep His precepts in the midst of your heart so that your ways and actions will be fruitful Every mercy is from God every trial that tempts us on the road of faith has an illustration behind its experience All the sharp trials of life are but the golden threads of providence under the control of God the Father Our roses our thorns our mountains our valleys and temptations are plainly wrought by Him Take hold of His instruction and your heart will not be divided As a young boy Kevin was placed into an orphanage The preciousness of Kevin's love for his mother who was now gone due to cancer left him overwhelmed with fear Crushed and lonely by her death he would carry this burden through life like a ball and chain Therefore clouding his heart to God's way for his life But in time through providential circumstances God took away this burden and restored him to Christ's everlasting love and established his feet upon the Rock of Ages Kevin wife Karen and daughter Megan reside in Texas Kevin has a previously published book It Is Written By Xulon Press December 2007 My Heart's Cries MG Page, 2009-08-17 My Heart's Cries is a collection of divinely inspired poems and narratives that will speak to your heart and move you to step beyond the pain of yesterday and leap forward into God's Promise of abundant life and healing There are many of us who are living lives of great prominence and significance seemingly with the world at our fingertips We are established and distinguished people but yet we are hurting and bleeding still carrying around hurts pains scars and bruises from yester year crying out for help on the inside Underneath all the smiles great accomplishments nice paychecks and great wealth there lies emotional and spiritual famine At some point we must come to terms with the fact that it's time for a reality check We must be mature enough to embrace change and move forward with a purpose My Heart's Cries will challenge you to change and in it you will find that the Love of God is the answer to everyone of our Heart's Cries The Four Hills of Life Jeffrey D.
