Sometimes there are obvious reasons for it to get better food for themselves or their animals to escape weather wars or

pilgrims walk el Camino de Santiago the Way of St James a 500 mile route across northern Spain that has existed for over a thousand years Tim Geoffrion author of The Spirit Led Leader made this pilgrimage with his wife and teenage sons in 2006 He writes in One Step at a Time not about his own journey but about how God works in those who seek to be led by the Spirit Using pilgrimage as a metaphor for the Spirit led life he offers his experiences thoughts and reflections as a catalyst for readers own spiritual pilgrimage the lifelong journey of growth into the life Christ intends for us Geoffrion has written so that readers can learn to recognize God s activity in our lives to live more fully in God s love to follow Jesus Christ according to our unique calling and purpose and to let the Holy Spirit fill and lead us in every aspect of the journey One Step at a Time is for those who value spiritual vitality and growth enough to learn how to live Spirit led lives It is for those willing to invest sufficient time and energy into seeking and finding the spiritual treasures available to us It is for those who are seeking to better root their lives in God and orient themselves around spiritual truths Whether or not we ever travel a path like el Camino we each walk a spiritual pilgrimage one step at a time

Pilgrimage Jim Moe,2021-07-19 Every human heart is on a pilgrimage seeking a spiritual connection a divine encounter or an epiphany that helps us make sense of it all Walking the five hundred mile pilgrimage of the Camino de Santiago with my sister I found Santiago was not only a destination but also a humble attitude of mind Santiago is being open to God and his grace in nature in the struggles and challenges of our heart in the surprises of the path and the encounters with other pilgrims Each person s pilgrimage is an unfinished story until we meet God face to face Besides our ups and downs it is the story of God always trying to enter our lives and draw us more deeply into his life and love That is the pilgrimage I hope you discover in these pages and in your life Buen camino Have a good journey

The Pilgrimage to the Heart Carol Fowler MPS,2018-06-29 As Christians we gain the knowledge of God through catechetical instruction sermons and Bible study groups It is quite another thing to have

an intimate and experiential relationship with God and truly know him as we would a friend Contemporary medical research and the great spiritual traditions concur that we are wired to connect and experience God on our life's journey and this connection has a transformative effect on our lives How do we bridge the gap between belief and the reality or the experience of God Drawing on insights from the early Christian monks and their contributions to the contemplative prayer tradition the reader is invited to embark upon a pilgrimage to the heart on his or her personal quest to find God *Journey to the heart* Kim Nataraja, 2011
