Nehemiah's Gates Mark D. Bristow, 2008-08 Reformation is in the air You hear about it everywhere You see it in pockets around the country The only difference now is that this particular reformation will be restoration and that in its fullness Nehemiah's Gates shows us that God planned in advance to overcome the spiritual discord that has grasped America and the world at large Jesus mused that there was a question as to whether or not faith would be on the earth when He returned Our desire and God's design is to see to it that Jesus is pleased with the degree of faith the Church operates in when He returns One piece at a time one step at a time and the total return to first century Christianity will be in or midst It's not always easy but God also told us in advance where our opposition will be and how we

should approach that negative impact Those who have already been trained up in warfare through the Christian s Promised Land series will find the opposition to be trivial bothersome at its worst Today is the day Find your position and start rebuilding Mark D Bristow is a founder of Nehemiah s Gates ministries He resides in Mesa AZ and attends Living Word Bible Church
