Heart That Knows:

The Heart that Knows Charles George Douglas Roberts, 2021-08-30 In *The Heart that Knows* Charles George Douglas Roberts embarks on a profound exploration of human emotions and the intricacies of love through an evocative and lyrical prose style. The book, rich in imagery and reflective depth, captures the essence of the human experience with a distinct romantic elegance. It stands as a key example of Roberts' contribution to Canadian literature during the early 20th century, intertwining themes of nature, identity, and the complexity of relationships which would resonate with readers in a time of growing introspection amidst societal change. Charles George Douglas Roberts, often hailed as the father of Canadian poetry, was deeply influenced by the natural landscapes of Canada and his keen observations of life. His experiences as a poet, novelist, and a pioneering figure in the literary scene shaped his viewpoint, leading him to delve into the emotional fibers that connect individuals. Roberts' unique background and academic pursuits in literature fostered a deep understanding of both personal and collective narratives. *The Heart that Knows* is a must-read for those who seek a profound understanding of the emotional landscape shaped by love and loss. Readers will be captivated by Roberts' ability to articulate the unspoken realities of the heart, making this work not just an exploration of feelings but a mirror that reflects the reader's own emotional journeys.

Your Heart Knows How to Heal You Cissi Williams, 2025-04-08 Discover the medicine found in your heart's four chambers through a shamanic initiation with your heart as your teacher. Explore the ancient wisdom of spirit animal guides and Goddess archetypes such as the Black Madonna, Persephone, and the Valkyries. Experience nine powerful shamanic journeys as well as transformative exercises, chakra work, and visualizations. PREDOMINANTLY MIND FOCUSED. Western thinking often disregards more intuitive insights. This leads to a disconnect between head and heart that over time leaves us dissatisfied with life. When Cissi Williams had a heart attack, she recognized this as an invitation to awaken and enlist her heart's wisdom, learned to heal not just her body but also her life. Sharing the teachings of her healing transformation, Cissi invites you on an intuitive journey through the four chambers of the heart, connecting deeply with the ancient wisdom of spirit animal guides and Goddess archetypes such as Persephone, Inanna, Mary Magdalene, the Valkyries, and Ceridwen. In the first heart chamber, the Chamber of Healing, you focus on letting go and shedding what's no longer needed. Stepping into the second chamber, the Chamber of Transformation, you are asked to process your shadow parts in the holy fire of the Dark Mother along with the shamanic spirit animal guides Wolf and Raven. The third chamber, the Chamber of Magic, helps you ignite your inner magic so you can manifest your dreams with the support of Mama Bear, Carried by Eagle, and Phoenix. In the fourth chamber, the Chamber of Rebirth, you rise from the ashes stronger than before. Presenting nine powerful shamanic journeys alongside transformative exercises, chakra work, and visualizations, Cissi guides you through a feminine heart-centered initiation, allowing you to transform your wounds into wisdom, reclaim your authentic power, and awaken your inner Wise Woman. *Your Heart Knows the Answer* Gail Harris, 2005 Everyone but especially women have
