Richard Crashaw Mary Ellen Rickey, 2021-11-21 Richard Crashaw s use of rhyme is one of the distinctive aspects of his poetic technique and in the first systematic analysis of his rhyme craft Mary Ellen Rickey concludes that he was keenly interested in rhyme as a technical device She traces Crashaw s development of rhyme repetitions from the simple designs of his early epigrams and secular poems to the elaborate and irregular schemes of his mature verse Healing Myself, One Rhyme at a Time Donna Sivoli, 2014-06-04 Healing Myself One Rhyme at a Time presents a collection of poetry by Donna

Sivoli She began writing as a small girl when she discovered that it wasn't easy to express her thoughts and feelings in her childhood home. Instead, she wrote notes and buried them in the backyard only to dig them up later. As an adult, she began writing poetry and stories as a sort of self therapy in an attempt to heal herself from a dysfunctional and abusive childhood. In these verses, she writes about family and her early love for her older brother and how that love was destroyed through betrayal and all the other emotional ups and downs of growing up in a dysfunctional family, especially the hurt and the confusion when things are not as they appear to be.

Healing Myself One Rhyme at a Time is a memoir in poem and story, a hero's journey that inspires us to find our way to healing and wholeness. It is raw, it is honest, it is love.

The Onam Rhyme and Other Passages from Time Biju Vasudevan, 2017-02-23

THE ONAM RHYME AND OTHER PASSAGES FROM TIME is a compendium of Traditional English Poetic Works. As opposed to Modern Poetry, this book is a meandering journey through a multitude of emotions and insights ranging from the sublime and exhilarating to the dark and depressing. This book, like life, is painted in shades of grey where the light blends in with the shadows and black merges into white, forming shades of grey at the borders where they meet. There is nothing called absolute joy and neither absolute sorrow, no absolute victory and neither absolute defeat in life. Everything is relative and is governed by the laws of relativity as expounded by science too. Nobody is perfect and nobody is completely flawed too. Everything is ephemeral and temporary, including our emotions too. The only thing that is permanent in this world is His Eternal Grace, which is boundless and unending. The central message of this collection of poetry is the divesting of the self from the ephemeral and attaching the self firmly with the eternal, which is His Mysterious Grace. I sincerely hope that the readers shall find this collection to be worth their while.

Shakespeare's Sonnets Kenneth Muir, 2013-09-13

This edition first published in 1979. Discussing Shakespeare's sonnets in relation to sonnets by Italian, French, and English poets, Kenneth Muir shows how they were influenced by Shakespeare's reading of Sidney, Erasmus, and Ovid, and discusses their art in terms of construction, sound patterns, and imagery. He considers the relationship of the sonnets to Shakespeare's dramatic writing while stressing the dramatic element in the sonnets themselves. Finally, he surveys the changing attitudes to the sonnets during the last three centuries.

A Companion to Australian Aboriginal Literature Belinda Wheeler, 2013

This international collection of eleven original essays on Australian Aboriginal literature provides a comprehensive critical companion that contextualizes the Aboriginal canon for scholars, researchers, students, and general readers. Australian Aboriginal literature, once relegated to the margins of Australian literary studies, now receives both national and international attention. Not only has the number of published texts by contemporary Australian Aboriginals risen sharply, but scholars and

publishers have also recently begun recovering earlier published and unpublished Indigenous works Writing by Australian Aboriginals is making a decisive impression in fiction autobiography biography poetry film drama and music and has recently been anthologized in Oceania and North America Until now however there has been no comprehensive critical companion that contextualizes the Aboriginal canon for scholars researchers students and general readers This international collection of eleven original essays fills this gap by discussing crucial aspects of Australian Aboriginal literature and tracing the development of Aboriginal literacy from the oral tradition up until today contextualizing the work of Aboriginal artists and writers and exploring aspects of Aboriginal life writing such as obstacles toward publishing questions of editorial control or the lack thereof intergenerational and interracial collaborations combining oral history and life writing and the pros and cons of translation into European languages Contributors Katrin Althans Maryrose Casey Danica Cerce Stuart Cooke Paula Anca Farca Michael R Griffiths Oliver Haag Martina Horakova Jennifer Jones Nicholas Jose Andrew King Jeanine Leane Theodore F Sheckels Belinda Wheeler Belinda Wheeler is Associate Professor of English at Claflin University Orangeburg SC
