Hearts Echo:

Familiar Echo's Evan Hawkins,2009-05 This is a story of dysfunctional families and the effects encountered by one young woman who has been in a state of denial for decades When the winds of change slowly blow in her direction this woman is reminded and convinced that her life has been a difficult one at best She is forced to search her scattered and fragmented memories in an attempt to survive the unrelenting devastating blows of a difficult reality The reality of her past begins to reveal it s haunting qualities early one morning after a disturbing dream and continues to grow while she survives one devastating blow after another And through a persistant state of depression with a mutilated spirit and her amputated muse she begins therapy with a compassionate miracle worker Her journey is a long one as her therapist guides her though a maze of suppressed and repressed memories into recognition And with recognition is a set of new eyes viewing and evaluating all of her choices while living in a life of denial that she created for existance Survivng as a damaged person can dictate how a soul will evolve An important component is the disposition of the person A person s character dictates how the damaged person lives survives and they usually know how to survive it can be a negative or a positive life of survival Survival depends strongly upon the individual the boundaries and environment that they create to support his or her life With the support of her family and friends she finds acceptance of her reality and purges her soul of a mistaken life style of fantasies **Federal**
