heart as the literal and metaphorical center of one's being has the power to lead us to greater balance, healing, and happiness. He explores the anatomy of the physical heart and its spiritual symbolism and shows how its four chambers are related to the four elements. Offering hands-on exercises and meditations with more than 60 gemstones and minerals, each a specific heart-healing stone, the author explains how to build a better relationship with the heart as your spiritual center, as well as how to fortify your heart with emotional strength, reclaim your will, and cultivate forgiveness. He shows how your heart is the coordinator of your energy field and is itself a sensory organ and information processor working to enact healing on many levels. He also looks at the heart chakra and how the higher heart chakra is evolving. Providing stone-supported lessons for applying a heart-centered approach in daily life, from expressing yourself to nurturing romantic relationships in a meaningful way, the author shows how the journey to wholeness and wholeheartedness isn't always easy, but it cannot be undertaken without first spending time to hear the soft, gentle voice of your heart and embrace the transformational force of inner alchemy known as love.

Eternal Heart Carl McColman, 2021-06-29 The heart is where the human soul and God meet. This is what teachings from Scripture and the mystics reveal: the heart is the temple of God within us, and within the heart we hold the key to live a truly divine life. But how do we embody the tremendous love available to us deep in our hearts? In *Eternal Heart*, Carl McColman, author of *The Big Book of Christian Mysticism*, invites us to create an optimistic, visionary, and imaginative path to personal happiness and fulfillment. Weaving together teachings from the biblical tradition, literature of the mystics, and wisdom of the world's contemplative traditions, McColman engages us in profound practical exercises for cultivating fuller, more abundant, and more satisfying lives. The path of Christian Mysticism is a path of both contemplation and action. By unlocking the mysteries in our hearts, we discover a source of divine love deep within us, a power for spiritual growth and for creating meaningful relationships and working together to change the world for the better.

Journey to a New Heart Louise Westcott, 2009-06 One morning in June of 1989, Louise was on her knees praying for her husband, Fred. Her prayer was interrupted by the ringing of the telephone. While still on her knees, Louise reached for the telephone receiver and recognized the voice of her husband's golfer friend. Fred had been taken by ambulance to a nearby hospital emergency room. When Louise arrived at the hospital, she learned that Fred had suffered another major heart attack. The damage to Fred's heart proved to be extensive. Six years earlier, Fred had quadruple heart bypass surgery following his first heart attack. The prognosis for their future looked grim until God intervened and took them on an amazing journey to a new heart for Fred. This is an inspirational true story of God's never-ending faithfulness to fulfill His precious promises. Louise Westcott is a writer of poetry, passionate about antiques, and has studied design at the Interior Designers Institute in Newport Beach, California. She has three grown children and eight grandchildren. Louise and her husband, Fred, reside in the seaside village of Corona del Mar, California.
