A Christian's Journey of Thoughts Jeanisha Wan,2003-10-30

Many books have been written in the past about journeys There are stories written about journey to the center of the earth journey to the depths of the sea journey to the outer space and even journeying through time Our Christian life is a journey too that we began the moment we came to accept Christ as our Lord and Savior It is a journey with a destination eternal life with Christ in heaven And as with most journeys it is not without its challenges and trials This book is a compilation of articles that I have written in my Christian journey that details my reflections and thoughts as I journey with Christ While some of them may be personal experiences others are my reflections over contemporary issues in life Our journey and the road we take will determine whether we will reach our destination
