Heather Blazing The:

The Heather Blazing Colm Tóibín, 2012-10-30 Colm Tóibín's lovely understated novel that proceeds with stately grace The Washington Post Book World about an uncompromising judge whose principles when brought home to his own family are tragic Eamon Redmond is a judge in Ireland's high court a completely legal creature who is just beginning to discover how painfully unconnected he is from other human beings With effortless fluency Colm Tóibín reconstructs the history of Eamon's relationships with his father his first girl his wife and the children who barely know him and he writes about Eamon's affection for the Irish coast with such painterly skill that the land itself becomes a character The result is a novel of stunning power seductive and absorbing USA Today

The Heather Blazing Colm Tóibín, 2024-04-09 Colm Tóibín's *The Heather Blazing* details the life of Eamon Redmond a judge in Ireland's high court a man remote from his wife his son and daughter and at least outwardly from his own childhood The life he has built for himself between his work in Dublin and his family's retreat by the sea at Cush is distinguished by order and by achievement When like his beloved coastline it begins to slip away he is pulled sharply into the present and finds himself revisiting his past

Why Does Literature Matter? Frank B. Farrell, 2018-07-05 Literature matters because it allows for experiences important to the living out of a sophisticated and satisfying human life because other arenas of culture cannot provide them to the same degree and because a relatively small number of texts carry out these functions in so exceptional a manner that we owe it to past and future members of the species to keep such texts alive in our cultural traditions from Chapter One Frank B Farrell defends a rich conception of the space of literature that retains its links to issues of self formation and metaphysics and does not let that space collapse into just another reflection of social space He maintains that recent literary theory has badly misread findings in the philosophy of language and the theory of subjectivity That misreading Farrell says has tended to endorse ways of understanding literature that make one question why it matters

at all Farrell here opposes some recent theoretical trends and through a mix of philosophical and literary studies tells us why in his view literature does truly matter Among the writers Farrell discusses are John Ashbery Samuel Beckett Amit Chaudhuri Cormac McCarthy James Merrill Marcel Proust Thomas Pynchon Salman Rushdie W G Sebald and John Updike The philosophers important to his arguments include Donald Davidson Daniel Dennett and Bernard Williams G W F Hegel Martin Heidegger Friedrich Nietzsche and Ludwig Wittgenstein play roles as well Among the literary theorists addressed are Stephen Greenblatt Paul de Man and Marjorie Perloff In addition to his close readings of literary philosophical and critical texts Farrell considers cultural studies and postcolonial studies more generally and speculates on the possible contributions of object relations theory in psychology to the study of literature

House of Names Colm Toibin, 2017-05-09 A retelling of the story of Clytemnestra and her children from Greek mythology

A Memoir Tim Pat Coogan, 2008-09-23 From the personal to the political this is the much awaited memoir from Tim Pat Coogan Ireland's best known journalist broadcaster historian and bestselling biographer Tim Pat Coogan has not only reported the news he's been the news Through the Irish Press where he served as editor for twenty years he is renowned for bringing social and political change to Ireland He went on to play a vital role in bringing the IRA Sinn Féin to the peace talks table and has always been uniquely placed to comment authoritatively if not controversially on all aspects of Irish current affairs From personal to political his revelatory memoir gives genuine insight into the life and high profile career of a man at the centre of Irish politics and society

The Master Colm Toibin, 2010-12-21 Colm Toibin's beautiful subtle illumination of Henry James's inner life The New York Times captures the loneliness and hope of a master of psychological subtlety whose forays into intimacy inevitably fail those he tried to love Beautiful and profoundly moving The Master tells the story of Henry James a man born into one of America's first intellectual families who leaves his country in the late nineteenth century to live in Paris Rome Venice and London among privileged artists and writers The emotional intensity of Toibin's portrait of James is riveting Time and again James a master of psychological subtlety in his fiction proves blind to his own heart and incapable of reconciling his dreams of passion with his own fragility With stunningly resonant prose The Master is unquestionably the work of a first rate novelist artful moving and very beautiful The New York Times Book Review

The Magician Colm Toibin, 2021 The Magician opens at the turn of the twentieth century in a provincial German city where the young boy Thomas Mann grows up with a conservative conventional father and a Brazilian mother exotic and unpredictable who will never fit in He hides both his artistic aspirations and his homosexual desires from this father and his sexuality from everyone He longs for the charismatic beautiful rich cultured young Jewish man but marries his twin sister He longs for a boy he sees on a beach in Venice and writes a novel about him He has six children He is the most successful novelist of his time He wins the Nobel Prize and is expected to lead the condemnation of Hitler His oldest daughter and son share lovers They are leaders of Bohemianism and of the anti Nazi movement This stunning combination of German propriety and Bohemian revolution goes hand in hand for decades We see

the rise of Hitler the forced exile of a swath of German writers and artists Mann's narrow escape to America his sojourn at Princeton along with fellow exile Einstein and his final move to LA in the late 40s where he presided over an astonishing community of writers artists and musicians including Brecht and Shoenberg even as his children court tragedy To call this a portrait of an artist is both reductive and true it is a novel about a character and a family fiercely engaged by the world profoundly flawed and as flamboyant as it's possible to be **Long Island** Colm Toibin, 2025-04-01 OPRAH'S BOOK CLUB PICK Named a Most Anticipated Book by The Globe and Mail The New York Times The Washington Post The Financial Times Good Housekeeping and more From the beloved critically acclaimed New York Times bestselling author comes a spectacularly moving and intense novel of secrecy misunderstanding and love the story of Eilis Lacey the complex and enigmatic heroine of Brooklyn T ib n's most popular work twenty years later Eilis Lacey is Irish married to Tony Fiorello a plumber and one of four Italian American brothers all of whom live in neighboring houses on a cul de sac in Lindenhurst Long Island with their wives and children and Tony's parents a huge extended family that lives and works eats and plays together It is the spring of 1976 and Eilis now in her forties with two teenage children has no one to rely on in this still new country Though her ties to Ireland remain stronger than those that hold her to her new land and home she has not returned in decades One day when Tony is at his job and Eilis is in her home office doing her accounting an Irishman comes to the door asking for her by name He tells her that his wife is pregnant with Tony's child and that when the baby is born he will not raise it but instead deposit it on Eilis's doorstep It is what Eilis does and what she refuses to do in response to this stunning news that makes T ib n's novel so riveting Long Island is about longings unfulfilled even unrecognized The silences in Eilis's life are thunderous and dangerous and there's no one more deft than T ib n at giving them language This is a gorgeous story of a woman alone in a marriage and the deepest bonds she rekindles on her return to the place and people she left behind to ways of living and loving she thought she'd lost *Critical Narrative as Pedagogy* Ivor Goodson, Scherto Gill, 2014-05-08 Ivor Goodson and Scherto Gill analyse and discuss a series of trans disciplinary case studies from diverse cultures and argue that narrative is not only a rich and profound way for humans to make sense of their lives but also in itself a process of pedagogical encounter learning and transformation As pedagogic sites life narratives allow the individual to critically examine their scripts for learning which are encapsulated in their thought processes discourses beliefs and values Goodson and Gill show how narratives can help educators and students shift from a disenfranchised tradition to one of empowerment This unique book brings together case studies of life narratives as an approach to learning and meaning making in different disciplines and cultural settings including teacher education adult learning auto biographical writing psychotherapy intercultural learning and community development Educators researchers and practitioners from diverse disciplines will find the case studies collected in this book helpful in expanding their understanding of the potential of narrative as a phenomenon as methodology and as pedagogy **Mad, Bad, Dangerous to Know** Colm Toibin, 2019-11-12 From the multiple award

The New York Stories of Henry James Henry James, 2011-08-17 Henry James led a wandering life which took him far from his native shores but he continued to think of New York City where his family had settled for several years during his childhood as his hometown Here Colm Tiben the author of the Man Booker Prize shortlisted novel *The Master* a portrait of Henry James brings together for the first time all the stories that James set in New York City Written over the course of James's career and ranging from the deliciously tart comedy of the early *An International Episode* to the surreal and haunted corridors of *The Jolly Corner* and including *Washington Square* the poignant novella considered by many though not as it happens by the author himself to be one of James's finest achievements the nine fictions gathered here reflect James's varied talents and interests as well as the deep and abiding preoccupations of his imagination And throughout the book as Tiben's fascinating introduction demonstrates we see James struggling to make sense of a city in whose rapidly changing outlines he discerned both much that he remembered and held dear as well as everything about America and its future that he dreaded most Stories included *The Story of a Masterpiece* *A Most Extraordinary Case* *Crawford's Consistency* *An International Episode* *The Impressions of a Cousin* *The Jolly Corner* *Washington Square* *Crapy Cornelia* *A Round of Visits*
