Reforming the United Nations: New Initiatives and Past Efforts Joachim Müller, This three volume set describes and brings together 50 key reform proposals originating inside and outside the United Nations The documentation contained in this publication touches upon all aspects of the United Nations and covers the full spectrum of proposals and initiatives It is hoped that the information provided will assist those involved in current efforts in reassessing and reshaping the Organization and will serve as a useful reference set for policy makers researchers and the interested public *Global Politics* Allen Gregory Sens,Peter John Stoett,2002 **Women and Equality in Iran** Leila Alikarami,2019-05-30 Iran s continued retention of discriminatory laws stands in stark contrast to the advances Iranian women have made in other spheres since the Revolution in 1979 Leila Alikarami here aims to determine the extent to which the actions of women s rights activists have led to a significant change in their legal status She argues that while Iranian women have not yet obtained legal equality the gender bias of the Iranian legal system has been successfully challenged and has lost its legitimacy More pertinently the social context has become more prepared to accommodate legal rights for women

Highlighting the key challenges that proponents of gender equality face in the Muslim context Alikarami attempts to ascertain the causes of Iran's failure to ratify the CEDAW and questions whether and to what extent interpretations of Islamic principles prevent Iran from doing so Applying feminist legal theory to contemporary Iran Alikarami's approach re-evaluates the underlying principles that have shaped the struggle for equal rights between the sexes **India and International Law, Volume 2** Bimal N. Patel, 2008-02-01 India and International Law volume 2 examines India's policy and practical approach to modern and emerging subjects such as energy investment sports banking biotechnology taxation water courses feminism air law and role of India in UN reforms The most discussed interlinked issues of civilian nuclear energy and nuclear weapons are analysed in two separate chapters This volume also examines legal challenges and offers possible solutions in the area of private international law which hopefully would serve the purposes of relevant policy makers judiciary common men and women and 2.5 million Non Resident Indians NRIs India and International Law volume 2 will enable the readers to realize the sheer magnitude of legal challenges faced by India hence one way forward is to consider some of the suggestions offered by the authors It is hoped that these two volumes will provide a useful framework for similar studies and will remain a must source of consultation for those who are interested in India's state practice on international law From Person to Planet Charles T. Barber, 1998
