Global Diasporas Vol 1 An Introduction:

Liminal Diasporas Rahul K. Gairola, Sarah Curtis, Tim Flanagan, 2024-11-08 *Liminal Diasporas* Contemporary Movements of Humanity and the Environment offers readers a new lens through which to critically re evaluate the necropolitics of migration Using the term liminal diasporas the co editors and range of authors define this notion as migratory bodies that are simultaneously subject to danger violence and precarious modalities of life The chapters in this edited volume cover a range of topics including diasporic camp life for Palestinians queer South Asian diasporas in the Caribbean close readings of various texts reformulations of home and homeland children s play games and even representations of zombie diaspora Overall these chapters along with the incisive Preface and Afterword that bookend them offer compelling readings of what it means today to be a liminal diaspora before the era of COVID 19 into today s woeful violence in Gaza Ukraine and other parts of the world *Liminal Diasporas* as such is a timely and urgent collection that compels us to rethink the human condition in relation to possibly the most material existential crises that our planet has ever witnessed The chapters in this book were originally published as a special issue of *Journal of Postcolonial Writing*

The Chinese Diaspora Laurence J. C. Ma, Carolyn L. Cartier, 2003 In this first book to explore the Chinese diaspora from geographical perspectives leading scholars in the field consider the profound importance of meanings of place and the spatial processes of mobility and settlement for the Chinese overseas They trace the Chinese diaspora everywhere it has become a significant force from Southeast Asia to Oceania North America Latin America and Europe Providing an important historical perspective the contributors analyze the sharp differences between sojourning Chinese prior to the 1960s and the transnational Chinese of the current era especially in terms of spatial distribution mobility economic status occupational structure and identity formation Anyone interested in the powerful phenomenon of Chinese migration will find this comprehensive work an invaluable resource

Italy's Many Diasporas Donna R. Gabaccia, 2013-10-18 Italy s residents are a migratory people Since 1800 well over 27 million left home but over half also returned home again As cosmopolitans exiles and workers of the world they transformed their homeland and many of the countries where they worked or settled abroad But did they form a diaspora Migrants maintained firm ties to native villages cities and families Few felt much loyalty to a larger nation of Italians Rather than form a nation unbound the transnational lives of Italy s migrants kept alive international regional cultures that challenged the hegemony of national states around the world This ambitious and theoretically innovative overview examines the social cultural and economic integration of Italian migrants It explores their complex yet distinctive identity and their relationship with their homeland taking a comprehensive approach

Yearbook of Transnational History Thomas Adam, 2018-05-31 The *Yearbook of Transnational History* is dedicated to disseminating pioneering research in the field of transnational history This inaugural volume provides readers with articles on topics such as soccer travel music and social policy These articles highlight the movement of ideas people policies and practices across

various cultures and societies and explore the relations and connections and spaces created by these movements These articles make clear that historical phenomena from travel to music cannot be contained and explained within just one national setting The volume offers further a number of theoretical and methodological articles that provide insights into the concept of transnational history and the approach of intercultural transfer studies Last but not least the volume also includes a number of review articles These review articles provide an examination of books central to teaching transnational history as well as a historiographical exploration of the impact of transnational history on the field of sports history *The State of the World's Refugees, 2000* Mark Cutts, Office of the United Nations High Commissioner for Refugees, 2000 Includes statistics

Teaching Migration in Literature, Film, and Media Masha Salazkina, Yumna Siddiqi, 2025-06-14 People migrate to seek opportunities to unite with family and to escape war persecution poverty and environmental disasters A phenomenon that has real lived effects on individuals and communities migration also carries symbolic ideological significance Its depiction in literature film and other media powerfully shapes worldviews identities attitudes toward migrants and a political landscape that is both local and global It is imperative then to connect the disciplinary and theoretical tools we have for understanding migration and to put them in conversation with students experiences Featuring a wide range of classroom approaches this volume brings together topics that are often taught separately including tourism slavery drug cartels race whiteness settler colonialism the Arab Spring assimilation and disability Readers are introduced to terminology and legal frameworks and to theories of migration in relation to Black studies ethnic studies Asian American studies Latinx studies border studies postcolonial studies and Indigenous studies *Connecting Histories* Gemma Romain, 2013-10-28 First published in 2006 The dynamics of ethnicity diaspora identity and community are the defining features of contemporary life giving rise to important and exciting new interdisciplinary fields of study and literature on subjects that were previously seen as the exclusive domain of the social sciences Connecting Histories is an important contribution to this trend While using sociological and anthropological theories its is an innovative historical and comparative assessment of ethnic identities and memories Romain focuses on Afro Caribbean and Jewish individuals and groups investigating the ways in which communities remember their experiences

Belonging to the Nation Edmund Terence Gomez, Gregor Benton, 2016-04-14 This study reviews developments in the ethnic and national identity of the descendants of migrants taking ethnic Chinese as a case study Our core question is why in spite of debates worldwide about identity exclusion and rights do minority communities continue to suffer discrimination and attacks This question is asked in view of the growing incidence in recent years of racial conflicts between majority and minority communities and among minorities in both developed and developing countries The study examines national identity from the perspective of migrants descendants whose national identity may be more rooted than is often thought Concepts such as new ethnicities cultural fluidity and new and multiple identities feature in this examination These concepts highlight identity changes across generations and the need

to challenge and reinterpret the meaning of nation and to review problems with policy initiatives designed to promote nation building in multi ethnic societies This book was originally published as a special issue of Ethnic and Racial Studies **The Medieval Invention of Travel** Shayne Legassie,2017-04-12 Over the course of the Middle Ages the economies of Europe Asia and northern Africa became more closely integrated fostering the international and intercontinental journeys of merchants pilgrims diplomats missionaries and adventurers During a time in history when travel was often difficult expensive and fraught with danger these wayfarers composed accounts of their experiences in unprecedented numbers and transformed traditional conceptions of human mobility Exploring this phenomenon The Medieval Invention of Travel draws on an impressive array of sources to develop original readings of canonical figures such as Marco Polo John Mandeville and Petrarch as well as a host of lesser known travel writers As Shayne Aaron Legassie demonstrates the Middle Ages inherited a Greco Roman model of heroic travel which viewed the ideal journey as a triumph over temptation and bodily travail Medieval travel writers revolutionized this ancient paradigm by incorporating practices of reading and writing into the ascetic regime of the heroic voyager fashioning a bold new conception of travel that would endure into modern times Engaging methods and insights from a range of disciplines The Medieval Invention of Travel offers a comprehensive account of how medieval travel writers and their audiences reshaped the intellectual and material culture of Europe for centuries to come

Reconsidering Israel-Diaspora Relations Eliezer Ben-Rafael,Judit Bokser Liwerant,Yosef Gorny,2014-06-19 In this era of globalization Jewish diversity is marked more than ever by transnational expansion of competing movements and local influences on specific conditions One factor that still makes Jewish communities one is the common reference to Israel Today however differentiations and discrepancies in identification and behavior generate plurality and ambiguities about Israel Diaspora relationships Moreover the Judeophobia now rife in Europe and beyond as well as the spread of the Palestinian cause as a civil religion make Israel the world s Jew among nations This weighs heavily on community relations despite Israel s active presence in the diaspora In this context the contributions to this volume focus on Jewish peoplehood religiosity and ethnicity gender and generation Israelophobia and world Jewry and debate the perspectives that are most pertinent to confront the question how far is the Jewish Commonwealth Klal Yisrael still an important code of Jewry today Israel and the Diaspora: Jewish Connectivity in a Changing World Robert A. Kenedy,Uzi Rebhun,Carl S. Ehrlich,2022-05-03 This collected volume is based on the proceedings of a symposium held in 2018 at York University Canada which was held to commemorate the 70th anniversary of Israel This symposium highlighted contemporary Jewish identity Israel Diaspora relations and how Jewish life has been transformed in light of various types of antisemitism The book considers the diasporic Jewish experiences through examining the intersections between various Jewish communities sociologically historically and geographically The text covers world Jewry in general and each of the diaspora and Israeli Jewries more specifically in the context of mutual responsibility but also focuses on areas of tension concerning values and political matters The challenges

of antisemitism racism and nationalism are explored in terms of the relationship of the Jewish diasporas to their host countries This text also covers antisemitism which may take the form of traditional antisemitism or of the new antisemitism in the era of anti Israel activity related to the Boycott Divestment and Sanctions movement The latter movement is especially prevalent on university campuses and has an impact on students faculty and staff This volume is unique in its international perspective in examining issues of Jewish identity Israel diaspora relations and antisemitism and will appeal to students and researchers working in the field

The Koreas Charles K. Armstrong, 2013-08-22 Presenting a succinct historically informed introduction to North and South Korea the second edition of The Koreas considers the radically different ways these countries have dealt with the growing challenges of globalization Since the first edition s publication the economic political and social differences have only intensified making evident the relevancy and importance of Armstrong s work in understanding the Koreas now and in the future Ultimately The Koreas is a crisp engaging primer of Korea and the Korean people in the contemporary world This book is ideal for many courses in a variety of disciplines including politics history international business and Asian studies

Development in Central Asia and the Caucasus Sophie Hohmann, Claire Mouradian, Silvia Serrano, 2014-06-25 After the final collapse of the Soviet Union the so called last empire in 1991 the countries of Central Asia Kazakhstan Kyrgyzstan Uzbekistan Tajikistan Turkmenistan and of

the Caucasus Armenia Azerbaijan Georgia became independent nations These countries previously production centres under the socialist planning system of the Soviet Union have made enormous economic adjustments in order to develop or attempt to develop along capitalist lines As this study will show however inequality in Central Asia and the Caucasus is widening as the Soviet systems of healthcare and state provisions disappear Rejecting the Cold War era East West paradigm often used to analyse the development of these nations this study analyses development along the North South lines which characterise the migration patterns and poverty levels of much of the rest of the developed world This opens up new avenues of research and helps us understand why it is for instance that this region is better characterised as a new South as skilled workers flood out of the territories and into Russia and Western Europe Development in Central Asia and the Caucasus draws together detailed analyses of the development of migration economics as the region's oil wealth further enhances its strategic and economic importance to Russia the US the Middle East and to the EU
