Loving The Young Lady in the Mirror Lorette Louise, 2021-04-12 Being a teenage girl can be difficult awkward confusing and uncomfortable at times It has become almost impossible for people to mind their own business in the modern world thanks to the arrival of social media Before the internet the only people that could come into your space were your immediate family your friends and a handful of people in your community However it is more challenging to have boundaries these days Social media sadly is here to stay We simply must find a way to keep our mental health intact despite the barrages of negative content we are exposed to daily If you put your self worth in the hands of others most comments on social media will be more than enough to pull you down and make you feel worthless On the other hand I understand those good feelings you have when a young man compliments you and tells you You are beautiful However you cannot afford to depend on those positive comments Do you know why There will also be days when someone decides to make a rude comment about you for whatever reasons only known to them What will you do on such days One of the best things you can do is to understand who YOU are and find YOUR worth If not you will doubt yourself question yourself and maybe even begin disliking yourself This guide will teach you how to build your self confidence by focusing on yourself first You will find many reasons to be happy in life when you stop comparing yourself with others In this short but illuminating e book you will learn Ten Things Every Teenage Girl Needs To Hear To Develop Her SELF WORTH and start loving the young lady in the mirror
