professor Neil Armstrong as Honorary President and participant Hall was driven by curiosity about Erich von Daniken's report of a Metal Library allegedly found in the caves by investigator Juan Moricz in the mid 1960s published in von Daniken's 1972 blockbuster *Gold of the Gods*. This idea was considered unorthodox in the absence of any ancient written script in South America. In Hall's odyssey into the heart of global enigmas he researches the origins of mankind, Atlantis, Ptolemy's lost city of Cattigara and the sudden rise and fall of wonder civilisations. This journey ended with his identification of Atlantis and Cattigara and the entrance to the Metal Library along the Pastaza River in Ecuador. Imagination, action and danger combine explosively in the story of this spectacular British Ecuadorian expedition to the Tayos Caves of Ecuador.

What The Prophet Ether Couldn't Tell Us: Book 2 of 3 Jim Hendleman, 2021-04-13 BACK COVER The sequel to the Jaredite's Civilization *What the Prophet Ether couldn't Tell Us* is finally out. Book III to shortly follow. Book II tells of the life and times of the Jaredites, the greatest civilization to have ever lived on Planet Earth. It details their earliest beginnings and enumerates some of their many achievements and accomplishments. It is first mentioned within the Book of Mormon in Ether 1:42-44. Ether was later directed by God to remove everything about them save for their earliest beginnings at the Tower of Babel in Iraq and a few brief tales of their spiritual trials and wars up to their final Civil War. Mainstream Archaeology refuses to address this civilization because it would reveal Archaeology's canards about evolution and their false narrative about the Origin of Man. The Jaredites settled and colonized South and North America, Lemuria, Antarctica, The British Isles and most of western Europe plus the lands of China and India. For nearly 2,530 years they maintained a world-wide civilization. My research has uncovered many details of Jaredite life and their physical characteristics that the prophet Ether was not allowed to tell us. They built all of Egypt. Their Hindu colony fought at least two internal nuclear wars. They colonized throughout our entire Solar System, most moons and all the planets have their cities mainly covered by 7-mile-high glass domes except Jupiter and Saturn. These two planets each have possible Star War size moons that could be artificial space stations. Mars used to be a moon to its now exploded primary which is now the Asteroid Belt. Their Martian cities are so immense that New York City and Shanghai combined wouldn't be considered a nickel in a handful of change in comparison to them. Jaredite leftovers are all over Earth if one knows when to look for them. Book III details a few of their many wars as well as their final Civil War, the first year or two which were nuclear. Through their longevity they were able to develop their physics to the point to where they could control the weather as well as to weaponize its component parts. And their final long prophesied death.

Nazi International Joseph P. Farrell, 2020-03-23 Physicist and Oxford educated historian Joseph P. Farrell continues his best-selling series of exposés on secret Nazi technology, Nazi survival and post-war Nazi manipulation of various manufacturing technologies, economies and whole countries. Beginning with pre-war corporate partnerships in the USA including the Bush family, he moves on to the surrender of Nazi Germany and evacuation plans of the Germans. He then covers the vast and still little-known recreation of Nazi Germany in South America with help of Juan Peron, I. G. Farben and

Martin Bormann Farrell then covers Nazi Germany's Penetration of the Muslim World including Wilhelm Voss and Otto Skorzeny in Gamel Abdul Nasser's Egypt before moving onto the development and control of New Energy Technologies including the Bariloche Fusion Project Dr Philo Farnsworth's Plasmator and the Work of Dr Nikolai Kozyrev Finally Farrell discusses the Nazi desire to control space and examines their connection with NASA the esoteric meaning of NASA Mission Patches plus final chapters on Alchemy Esotericism The SS and the Unified Field Theory Craze 1943 1945 Strange Events from the end of World War II and other Postwar Shenanigans This book is literally packed with information *The Cosmic War* Joseph P. Farrell, 2020-12-05 There is ample evidence across our solar system of cataclysmic and catastrophic destruction events The asteroid belt for example may be the remains of an exploded planet The known planets are scarred from incredible impacts and teeter in their orbits due to causes heretofore inadequately explained Rejecting the naturalist and materialist assumptions of catastrophism forwarded by other researchers Farrell asserts that it is time to take the ancient myths of a Cosmic War in the heavens seriously Incorporating extraterrestrial artifacts cutting edge ideas in contemporary physics and the texts of ancient myths into his argument Farrell maintains that an ancient interplanetary war was fought in our own solar system with weapons of extraordinary power and sophistication In doing so he offers a solution to an enigma that has long mystified researchers disclosing a cause of that ancient war the means by which it was waged and the real nature of the secret technology behind the ancient Tablets of Destinies It is all here folks The history of the Exploded Planet hypothesis and what mechanism can actually explode a planet The role of plasma cosmology plasma physics even plasma paleophysics and scalar physics The ancient texts telling of such destructions from Sumeria Tiamat's destruction by Marduk Egypt Edfu and the Mars connections Greece Saturn's role in the War of the Titans and the ancient Americas
