Glimpes Of A Strange Land Studies In Old Testament Ethics:

Glimpses of a Strange Land Cyril S. Rodd, 2001-07-01 In this challenging book Cyril Rodd questions many of the assumptions that lie behind recent studies of Old Testament ethics He views the strangeness of the biblical world and wonders whether there is an Old Testament ethics in the modern sense of the word finding rather that the Old Testament writers did not regard many of today's ethical dilemmas as problems at all Dr Rodd examines all the Old Testament writings on five ethical issues the poor war treatment of animals ecology and the position of women He considers their validity and relevance for today and discusses the extent to which they can be referred to for authority or for inspiration and guidance
