Endless Surrender:

The Living Goddess Linda Johnsen, 1999 This beautiful book takes us to India today and shows us a Goddess who flourishes in temples festivals and in the hearts of millions Johnsen penetrates the heart of the tradition to reveal that it offers not only an honouring of fertility and feminine values but an amazing revelation of the limitless potentials of human consciousness **The Lost Feather** Erjan J. Slavin, 2013-03-18 The Lost Feather is a tome of transitions and of what happens in transit between the plateaus of definitive expressions that took place elsewhere Underneath the painting of the bluebird that left its traces of blue in the sky beneath the artist's hand is the painting of what culminated in that moment of certain artistry The underpainting adds a context for the sure strokes of the finished art and the back ends of a process reveal the makings of the meaning that is final as a gesture In between the moment of the bird's passing and the recognition of the color in the air a feather that is lost in that transitory beauty is found in these pages something which the polished work could not have given by its very nature as an edition of a work of literature that is said to be complete **The Arnhem Mystical Sermons** Ineke Cornet, 2018-12-06 In this book on The Arnhem mystical sermons Ineke Cornet offers the first in depth study of the mystical and theological content of this sixteenth century sermon collection from St Agnes in Arnhem **Let Go! Let God!** Peter J. Robinson, 2021-05-28 Let Go Let God By Peter J Robinson Peter J Robinson's story is one of transformation from a partying charismatic womanizer to a humble vessel of God Throughout the journey of his life his experiences both joyful and painful show how the power of prayer and surrendering to God's will can truly deliver one to a life of peace and satisfaction The aim of this memoir is to help heal empower and set the reader free from their own shackles of physical pleasure and spiritual destruction **The Outsider** Maisey Yates, 2025-04-29 There are two things Bix Carpenter is good at making moonshine and surviving However now that she's officially out of the family bootlegging business those getting by skills are going to come in handy But getting caught camping on Four Corners Ranch property isn't the best way to kick off her newfound independence especially when the man who catches her unruffled ranch owner Daughtry King makes an intriguing proposition Daughtry offers Bix a job in exchange for room and board The straitlaced cowboy doesn't seem like the type who'd take to her feisty ways but Bix reluctantly accepts Daughtry is the best man Bix has ever met and she's never felt good enough but she finds herself falling for the stoic cowboy Can she get past his defenses so the two of them can go from just surviving to thriving Four Corners Ranch Book 1 Unbridled Cowboy Book 2 Merry Christmas Cowboy Book 3 Cowboy Wild Book 4 The Rough Rider Book 5 The Holiday Heartbreaker Book 6 The Troublemaker **Beyond Boundaries** Dr. Hari Chinthakunta, 2025-05-19 This book titled Beyond Boundaries begins with the powerful insight Where ego ends the mind bends a spark that gently shifts the way life is seen It is not merely a book it is a mirror reflecting what lies beneath fear pride and control When ego softens clarity begins to unfold Life appears without filters free from pressure judgment distraction or confusion Stillness strength and peace emerge not from effort but from presence and awareness It is

not about becoming something new but remembering what has always been within Inspired by the timeless teachings of His Holiness Sri Vidyanarayana Theertha these pages carry no loud promises Rather they open a gentle path toward truth simplicity and inner freedom This is not the end but the beginning Not a destination but a return to what is real whole and eternally present in all Fragments Anthony G. Martinez, 2025-05-15 *Fragments* is a poignant and evocative poetry collection that delves into the raw complexities of human emotion identity and experience Spanning themes of love loss self discovery and existential reflection the poems weave vivid imagery with introspective depth From the fiery metaphors of *Moth* where passion and destruction intertwine to the celestial adoration in *Goddess* and the cosmic yearning of *Twinkle Twinkle Little Star* the collection captures both the beauty and pain of existence Poems like *Home* and *The Lighthouse* explore nostalgia and grief while others such as *Anomaly* and *The Fabulous Life of a Killer* confront inner turmoil and societal masks with unflinching honesty With a lyrical style that balances tenderness and intensity *Fragments* invites readers to navigate the delicate interplay of light and shadow in the human soul leaving a lasting resonance **Voices for the Future** Thomas D. Clareson, 1976 Bringing together a group of original essays concerning major writers of science fiction whose careers had begun by the end of World War II this volume covers Isaac Asimov Ray Bradbury Arthur C Clarke C L Moore Clifford D Simak Olaf Stapledon Kurt Vonnegut and Jack Williamson **100 Greatest Albums** VH1 (Firm), 2003 VH1's 100 Greatest Albums television series sparked much debate about the accuracy of its list but it was a great guide for any serious or casual music fan as to which albums should be staples in any record collection As a book the 100 Greatest Albums will be the perfect reference for building a substantive and thorough collection as well as just being an entertaining read about some of the most important works ever created in music history The book follows the order of the list starting at 100 and working towards number one Each album is discussed thoroughly across a two page spread and each spread will include an image of the album cover the year of release the record label production and engineering credits band members and instruments played appropriate quote or quotes about the album from other artists an essay that gives context to the album by examining its historical significance and detailing what makes the album unique by diving into the songs *Create Anyway* Ashlee Gadd, 2023-03-28 Motherhood and creativity can coexist You have creative dreams swirling in your heart but pursuing them while changing diapers and managing the carpool schedule feels impossible You have no time No space You can mother or you can create You certainly can't do both right But what if you could pursue your God given creative gifts alongside motherhood for the enrichment of both experiences What if you stopped viewing creativity as a selfish act and started to see it as essential to your own flourishing as a mother This book is a much needed permission slip to do just that through the pictures you take the stories you write the meals you make the music you play the gardens you grow In this unforgettable book filled with rich storytelling and stunning photographs writer and mother Ashlee Gadd helps you set aside the guilt and discover the sacred connection between creating and mothering One part commissioning one part pep talk *Create Anyway*

Eby, 2007 In the summer of 1936 Generalissimo Francisco Franco led a group of right wing nationalists in a military attack on the Republican government of Spain the start of what would become the Spanish Civil War Despite U S laws banning participation in foreign conflicts American volunteers began pouring into Barcelona in January 1937 The most famous of these anti Franco groups was the band of 2 800 American fighters who called themselves the Abraham Lincoln Battalion In *Comrades and Commissars* Cecil D Eby pushes beyond the bias that has dominated study of the Lincoln Battalion and gets to the very heart of the American experience in Spain Controversy has plagued the Lincoln Battalion from the very start Were these men selfless defenders of liberty or un American Communists Eby has long been regarded as one of the few balanced interpreters of their history His 1969 book *Between the Bullet and the Lie* won accolades for its rigorous and fair treatment of the Battalion *Comrades and Commissars* builds upon that earlier study incorporating a wealth of information collected over intervening decades New oral histories previously untranslated memoirs and newly declassified official documents all lend even greater authority and perspective to Eby's account Most significant is Eby's use of Lincoln Battalion archives sequestered in a Moscow storeroom for sixty years These papers draw renewed focus on some of the most provocative questions surrounding the Battalion including the extent to which Americans were persecuted and even executed by the brigade commissariat The Americans who served in the Lincoln Battalion were neither mythic figures nor political abstractions Poorly trained and equipped they committed themselves to back to the wall defense of the doomed Spanish Republic In *Comrades and Commissars* we at last have the authoritative account of their experiences
