Endtime Commissions Endtime Anointings:

Endtime Commissions - Endtime Anointings Valerie S. DePastino, 1988-01-01 Great Commission III: The End Time Apocalypses Zen Garcia, 2017-12-23 I compiled this book of last days manuscripts to enable the modern researcher quick access to all of the apocalyptic materials I knew existed which I thought relevant for seeking discernment on the end times Even Enoch acknowledged that he was writing for a remote and distant generation Many texts included within this assortment much of the world does not know even exists Study of them however I believe will benefit prophecy scholars insight which will elucidate the fullness of the end times narrative established by Yahuah for concluding the end of the age When asked by the apostles what would be the signs of His and close of the age Christ alluded to the fig tree as the generation which would be alive to witness the fulfillment of all things These manuscripts elaborate on the last days harvest of the wheat and the tares which determines in judgment who would be worthy of being numbered amongst the elect or the wicked They will enable one to make sense of how these things will unfold **Moving in the Apostolic** John Eckhardt, 1999-01-22 Why is God restoring apostles to His Church Because restoration of the apostolic ministry is necessary for the Church to complete its mission on earth We are now experiencing the greatest outpouring of the Holy Spirit the world has ever known and we should expect to see multitudes swept into the Kingdom as a result In this book John Eckhardt reveals how the apostolic dimension affects the preaching teaching worship prayer and giving of the local church and how apostolic leadership will point the way toward fulfillment of the Great Commission End Time Betty Lou Piluso, 2022-01-15 This book titled End Time Bee Poems was written first from the inspiration of my Lord Jesus Christ who kept the theme of bees through my life and also with the inspiring help of close fellow worker bee friends They have added memorable quotes visions and enlightenment with shared stories and experiences Besides being called Bee as a nickname most of my life it also adapted to Auntie Bee and then Grambee and also at times Queen Bee This is how the poems came to be known as Bee Poems which became like my own signature for each poem I learned a few things about bees and how they work together side by side with a dedication to the hive and the queen bee Not taking glory in their own works but bringing about the glory of the hive I found there were many things about the life of bees that paralleled with my spiritual walk The Lord did not direct me to do much research in regard to bees but He taught me just what I needed to know that would be relevant to what the poems would be about I learned that worker bees actually worked while in rest The subject of entering God's rest is mentioned in many a poem It was imperative that this message was communicated as the main difference between the Old Covenant and the New Covenant I was inspired also to add to the title end time An urgency of how these times we live in with prophecies of end time happenings coming to pass became the fuel behind getting the poems written The first poem in the book The Bees was actually one of the last poems written now used as a kind of an introduction of the poems that would follow **The End-Time Harvest** Riaan Engelbrecht, 2023-03-03 Volumes one and two of Revival and Awakenings part of

the End Time Series explore what is a real revival and a spiritual awakening Prophetically it delves into what God has been saying for a long time which is that the Lord will sweep the earth with revival in the end times which will ignite many followers with His holy fire What will this revival look like This is the big question and one would rather say it will not be a singular event but a sequence of Godly movements across the globe that will be infectious contagious and real In an awakening the Holy Spirit gives unbelieving people who are dead in their trespasses and sins a new awareness of their needs A revival is connected to the people of God and it is when those who are in churches those who are professing believers are ministered to by the Holy Spirit in such a way that they are renewed in their devotion to the Lord The time is ripe for the one final great harvest yet this calls for the revived church full of the fire of the Holy Spirit to go into the fields to awaken the lost and the forgotten and broken and to bring them into the loving embrace of a God who is full of compassion grace and mercy This is the time of spiritual latter rains and now is the time to welcome the embrace of a God who is real alive and who calls us all into His arms to reflect His beauty and greatness It is not God s Will that any soul should perish but that all men should come to the knowledge of God and be saved God is calling on all believers to cast their net in the deep for the harvest of souls

End Time Insights Val Pym,2014-03 Jesus left the infant Church with a Commission to make disciples of all the nations and a promise that the Holy Spirit would guide us into all truth and show us things to come As the Pillar of Cloud and Fire led the Israelites to the Promised Land so the Holy Spirit has led the Church into an unfolding revelation of Truth Looking back on Church history and the history of Israel in the Bible we can see that God is guiding us according to the pattern He established in Israel This shows that the Church is soon to move into times of Victory and Glory as we follow the Cloud of the Spirit

Reimagining The End-Time Church Wayne Manning Bass,2023-07-19 The pastor author of Reimagining The End Time Church boldly speaks biblical truth to power with the intention of maximizing the authenticity effectiveness and spiritual authority of the institutional church His primary objective is to mobilize servant leaders to prayerfully and creatively

reimagine reconfigure and reenergize church corporate cultures practices ethics and structures to manifest greater grace for all Christ's end time disciples are commissioned as salt and light ambassadors with a sacred mandate to courageously address any social or organizational norms that impact our kingdom vision mission and message Unbridled ambition greed influence peddling politics nepotism classism and other patently carnal agendas are becoming the acceptable order in various branches of the institutional church Christ returns soon but will He find the true faith that was once established and delivered unto the saints We hold the spiritual keys **End-Time Finance** Apostle Steve Lyston, 2007-08 End Time Finance is a fascinating synergy of divine revelation from God through the power of the Holy Spirit the Word of God and the life experiences of a man determined to answer the Call of God on his life and do his part in helping to build the Kingdom of God End Time Finance addresses issues such as the value of diligence in investment different levels of seed how to execute your God given vision how to avoid bankruptcy business and politics gambling Leviathan and our finances why nations are under a financial curse the Solomonic principle and the importance and power of vows **Charisma and Christian Life**, 2001

Understanding The Authority of Jesus Name Godspower Elishason, 2015-02-09 The failure of the Church today is not lack of faith but lack of knowledge about her new creation realities our redemption in Christ and the authority of the name of Jesus Because Jesus has fulfilled every claim of Justice to make the Church the living organism which God has predestinated her to be The church has been fed with too much sense knowledge sin consciousness and every form of inferiority complex and thus has become more conscious of the power of Satan more than the Risen Christ which is residing within us The church has not taught us the New Creation the truth of what we are in Christ or how Righteousness and Faith had been made available to us The church has been very strong in her criticising of sins in the believer She has been very strong in teaching man his need of Righteousness his weakness and inability to please God his state of unbelief world conformity and lack of faith There are too many theological junk going on in the name of full gospel message However a clear knowledge of our privileges and rights in Christ will lift us from the place of failure to the position of masters and supermen over circumstances and the devil In this series comprising of three mini books we are going to unveil the three keys to power made available to us through Righteousness The Keys are the Reality of the Authority of the Name of Jesus The Reality of the New Creation and the Reality of our Redemption in Christ And we are starting with UNDERSTANDING THE AUTHORITY OF THE NAME OF JESUS It is my greatest belief that after reading through this book the truth inside will literally change your entire life I mean this book will change you as you discover truths that will set you free from the chains of ignorance diseases poverty and failure **The Mystery of the Blood Covenant Unveiled** Godspower Elishason, 2015-02-09 Much has been said about the Blood Covenant Relationship as it affects individuals and more importantly the Blood Covenant implication of Christ's death More often than not Christians have pleaded the Blood of Jesus against their arch enemy Satan and his host of demons However not many Christians know the implication of the Blood Covenant death of Jesus on the Cross that made us a

blood covenant partners with God This book is an attempt to unveil the mysteries of the Blood Covenant relationship as contained in the scriptures This book amply unveils blood covenants in the Bible starting from Abraham s Covenant with God to the covenant with us through the Blood of Jesus It reveals further our rights and privileges as blood covenant partners with God It is a clear revelation of blood covenant relationship as it affects our Christian lives The revelations here are true and explosive It will literally make you know your rightful position and live beyond the reach of the devil and his cohorts Study it prayerfully and meditatively and allow the Holy Spirit to minister to you the mysteries of the Blood Covenant relationship as revealed Am sure this book will be a helpful material on revelation of Blood Covenant Relationship An essential truth for all Christians *Maximum Impact* Tim Storey,1997 Dealing With Spiritual Amputators Godspower Elishason,2015-02-09 There are so many pointers that prove that an individual needs a miracle Perhaps your spiritual life is stagnant you have been struggling in your own and trying your best but you find that you are not making progress perhaps there are hidden and clever devourers working against you just sucking your money and resources away you need a miracle Perhaps you have what can be termed as a weak breakthrough By the time the breakthrough comes there would be sufficient debts on ground to swallow it Although there is breakthrough but the breakthrough is not sufficient to carry the load that you have You need a miracle Perhaps your promotion is being denied or delayed you need a miracle Perhaps your marital life is the type that can be referred to as the cat and mouse marriage You need a miracle Perhaps the enemy has converted your business to a desert and a wilderness you need a miracle It is a mystery for a person to take food stuffs to the marketplace for sale only to bring it back home without selling a single grain Such an individual needs a miracle Perhaps you have a dead organ in your body you need a miracle Perhaps your life is following an evil family pattern nobody has good marriage good job and good business in your family You need a miracle Anywhere you go it would seems that someone has already got there before you to put a hindering barrier for you not to succeed there you need a miracle Perhaps you are under a siege of a very intelligent wicked network and you don t know who are your friends or enemies anymore you need a miracle The answer to these hidden mysteries in your life can be traceable to the evil powers of Spiritual Amputators So through this book we are going to address how you can thoroughly get total freedom Cracking The Online Dating Code Godspower Elishason,2015-02-17 Online dating is not all fun and games and there are a lot of things that a person has to know about online dating before one gets into the intricacies of it Online dating may seem to be the simplest thing in the world but it is not It should be viewed in all earnestness or things could go haywire Every game has its rules and unless you know all the rules you just can t become a good player and eventually a winner I understand that most of my readers are very busy people who do not have too much time to spend reading a book So I have come up with something that requires just a single glance to get the gist of it At the most you might require 10 15 minutes to run your eyes along the entire length of this book It s that simple But at the same time do not let the simplicity mislead you It is indeed a very comprehensive work that aims to leave

no stones unturned You can either use this book as a general guideline to streamline your match hunting venture or you can keep coming back to it to make sure of every step before you actually put your foot forward I can promise you that if you use this book to guide you there is no need to fear at all you just won't stumble
