## Heating And Air Conditioning Servicer:

**Heating & Air Conditioning Contractor**, 1929      **Selling and Servicing Mechanical Refrigeration and Air Conditioning** William G. Flewellen, 1965      **What's Heating You?** Steven Gillespie, 2003-12 The book has been broken down into several chapters each dedicating itself to a specific type of heating and air conditioning system Other chapters explain the basics of maintaining and servicing those specific types of equipment in a way as to simplify the operation cleaning and repairs of the type of HVAC system that may be in your home The most common types in service today are covered within these pages as well as advanced high efficiency equipment seen more often today The book would not be complete without covering the heating and cooling equipment of many years ago which can still be found in use today It is always recommended that a homeowner call a professional to repair any item within the home You should however become familiar with the heating and cooling equipment that is in your home to ensure that you get the type of honest and professional service that you deserve Within these pages you will find many ways to be sure that you are getting your money's worth out of your heating and cooling equipment and out of your service company It is all written in easy to understand words      **Occupational Outlook Handbook**, 1988      *Occupational Outlook Handbook, 2002-2003* United States.
