Genuine Word of God'* Rajmund Pietkiewicz,2020-12-14 The Polish Lithuanian Commonwealth familiarized itself with  
Christian Hebraism in the first half of the 16th century In Search of the Genuine Word of God sketches out the process in  
three chapters The first one deals with the development of modern Hebrew studies in Western Europe the second gives an  
account of the academic and religious level of Hebrew scholarship in the Commonwealth in the 16th century and at the  
beginning of the 17th century and the third is devoted to Polish translations of the Hebrew Bible which were the most  
significant consequences of the reception of the West European Christian Hebraism in the Polish Lithuanian Commonwealth  
in Renaissance Knowledge of Hebrew would be spread in the Polish Lithuanian Commonwealth through personal contacts of  
magnates and church dignitaries with the Western European Hebrew experts through Jewish converts teaching Semitic  
languages through foreign studies at European universities and through books Polish Christian Hebraism was not creative  
local humanists and reformers who communicated with adherents of Judaism contributed but little to domestic Hebrew  
studies Only scholarly trends occasioned by different Christian confessions come to our notice Hebrew studies were  
undertaken within universities or religious movements The purpose was practical to have direct access to the original  
Hebrew Bible for the sake of theological disputes or to have proper translation tools for rendering the Scripture in Polish

**Walking Together Through Life** G. Herbert Livingston,2011-10-11 I am ninety four years of age and I have begun  
looking back over seventy four years of being an ordained minister I decided I should write a testimony of what God has done  
in the combined lives of my wife Maria and myself We were married for almost seventy two years when she died in 2009 This  
volume has the history of a long successful marriage At the beginning if the Great Depression both of our parents lost control  
of their farms and had to depend on the government for income Both of us were penniless farm teenagers Taking a clue from  
the Scriptures that often refers to the experiences of life as a walk we have used that term for our life together We started  
lives in the valley of poverty and moved uphill from one achievement to another This book is the story of that journey The  
main part of this book is a record of being a minister a professor and over two decades of retirement Without the expert  
assistance and encouragement of Maria this goal would not have happened
