**Hebrew and Zionism** Ron Kuzar,2012-12-17 This book observes and critiques controversies on the genesis and the character of Israeli Hebrew Did it emerge through revival Did Ben Yehuda play a role in it Is Hebrew a normal language now The hegemonic ideology of the revival of Hebrew is shown to have been harmonious with various Zionist streams as well as with its rival Canaanism The effects of revivalism are evaluated and an argument is made in favor of non revivalist alternatives in linguistics and in language education *Revivalistics* Ghil'ad Zuckermann,2020 In this book Ghil ad Zuckermann introduces revivalistics a new trans disciplinary field of enquiry surrounding language reclamation revitalization and reinvigoration Applying lessons from the Hebrew revival of the late nineteenth and early twentieth centuries to contemporary endangered languages Zuckermann takes readers along a fascinating and multifaceted journey into language revival and provides new insights into language genesis Beginning with a critical analysis of Israeli the language resulting from the Hebrew revival Zuckermann s radical theory contradicts conventional accounts of the Hebrew revival and challenges the family tree model of historical linguistics Revivalistics demonstrates how grammatical cross fertilization with the revivalists mother tongues is inevitable in the case of successful revival languages The second part of the book then applies these lessons from the Israeli language to revival movements in Australia and globally describing the why and how of revivalistics With examples from the Barngarla Aboriginal language of South Australia Zuckermann proposes ethical aesthetic and utilitarian reasons for language revival and offers practical methods for reviving languages Based on years of the author s research fieldwork and personal experience with language revivals all over the globe Revivalistics offers ground breaking theoretical and pragmatic contributions to the field of language reclamation revitalization and reinvigoration

**International Journal of the Sociology of Language** ,1974 **Zionism and Melancholy** Nitzan Lebovic,2019-04-24 Nitzan Lebovic claims that political melancholy is the defining trait of a generation of Israelis born between the 1960s and 1990s This cohort came of age during wars occupation and intifada cultural conflict and the failure of the Oslo Accords The atmosphere of militarism and conservative state politics left little room for democratic opposition or dissent Lebovic and others depict the failure to respond not only as a result of institutional pressure but as the effect of a long lasting left wing melancholy In order to understand its grip on Israeli society Lebovic turns to the novels and short stories of Israel Zarchi For him Zarchi aptly describes the gap between the utopian hope present in Zionism since its early days and the melancholic reality of the present Through personal engagement with Zarchi Lebovic develops a philosophy of melancholy and shows how it pervades Israeli society *Language* ,2001 Proceedings of the annual meeting of the Society in v 1 11 1925 34 After 1934 they appear in Its Bulletin *Elenchus of Biblica* Maria J. Schoenmaeckers,Robert Althann,2004-12-20 Le 23 novembre 1964 jour de la promulgation de Lumen Gentium la constitution dogmatique sur l Eglise marque un evenement c est la premiere fois dans l histoire de l Eglise qu une assemblee de la Sainte Eglise s exprime solennellement sur la vie consacree

Le sixieme chapitre de la constitution traite de la signification et de l'essence de la vie religieuse la reliant au mystere de l'Eglise peuple de Dieu Ce texte conciliaire presente la vie religieuse comme un etat canonique celui du chretien qui tend dans un institut de perfection a la charite parfaite et consacre sa vie a Dieu et aux hommes ppar la profession des conseils evangeliques de chastete pauvreté et obeissance De toute evidence cette declaration doctrinale est importante pour l'Eglise et pour le developpement de la vie consacree dans l'Eglise En lisant *Lumen Gentium* on est assez vite frappe par le debut abrupt du sixieme chapitre sur les religieux car tous les autres chapitres s'ouvrent par une breve introduction Cependant on ne peut deracher ce chapitre de ce que a ete dit precedemment sur la vocation universelle a la saintete En fait l'histoire du texte fait clairement ressortir le lien qui unit ces chapitres
