Hebrew Scriptures An Introduction To Their Literature And Religious Ideas:

The Hebrew Scriptures Samuel Sandmel, 1963 This book is addressed to the beginner not the scholar It is a non technical introduction non technical in the sense that when words or terms in the biblical Hebrew are used they are invariably explained and an introduction in the sense that it assumes little or no previous knowledge on the part of the reader Yet I have tried not to write down nor to set before the reader a mere array of superficialities Perhaps the aim of the book might be put in this way to acquaint the reader who goes on to become a biblical scholar in the fullest technical sense with basic material that he will not have to unlearn Preface *The Complete Literary Guide to the Bible* Leland Ryken, Tremper Longman III, 2010-08-10 A Complete Literary Guide to the Bible is consideration of the Bible from a literary perspective reflecting contemporary interest in the academic world of the Bible as literature This collection of essays addresses both specific books of the Bible and general topics dealing with the Bible The four main sections of the book are The Bible as Literature The Literature of the Old Testament The Literature of the New Testament and The Literary Influence of the Bible The editors for A Complete Literary Guide to the Bible are Leland Ryken and Tremper Longman III Contributors include Fredrick Buechner Novelist John Sailhamer Trinity Evangelical Divinity School Wilson G Baroody Arizona State University William F Gentrup Arizona State University Kenneth R R Gros Louis Indiana University Willard Van Antwerpen Indiana University Nancy Tischler The Pennsylvania State University Michael Hagan North American Baptist Seminary Richard L Pratt Jr Reformed Theological Seminary Douglas Green Yale University Wilma McClarty Southern College Jerry A Gladson First Christian Church Garden Grove California Raymond C Van Leeuwen Calvin Theological Seminary Richard Patterson Liberty University James H Sims The University of Southern Mississippi Branson L Woodard Jr Liberty University Amberys R Whittle Georgia Southern University John H Augustine Yale University Michael Travers Grand Rapids Baptist College Marianne Meye Thompson Fuller Theological Seminary John W Sider Westmont College Carey C Newman Palm Beach Atlantic College William G Doty The University of Alabama Tuscaloosa Chaim Potak Novelist Gene Warren Doty University of Missouri Rolla Sidney Greidanus Calvin Theological Seminary XXXXXXXX [The Bloomsbury Companion to Jewish Studies](#) Dean Phillip Bell, 2013-08-15 The Bloomsbury Companion to Jewish Studies is a comprehensive reference guide providing an overview of Jewish Studies as it has developed as an academic sub discipline This volume surveys the development and current state of research in the broad field of Jewish Studies focusing on central themes methodologies and varieties of source materials available It includes 11 core essays from internationally renowned scholars and teachers that provide an important and useful overview of Jewish history and the development of Judaism while exploring central issues in Jewish Studies that cut across historical periods and offer important opportunities to track significant themes throughout the diversity of Jewish experiences In addition to a bibliography to help orient students and researchers the volume includes a series of indispensable research tools including a chronology maps and a glossary of key terms and concepts This is the essential

reference guide for anyone working in or exploring the rich and dynamic field of Jewish Studies *The Oxford Companion to the Bible* Bruce M. Metzger, Michael David Coogan, 1993-10-14 The Bible has had an immeasurable influence on Western culture touching on virtually every aspect of our lives It is one of the great wellsprings of Western religious ethical and philosophical traditions It has been an endless source of inspiration to artists from classic works such as Michaelangelo's Last Judgment Handel's Messiah or Milton's Paradise Lost to modern works such as Thomas Mann's Joseph and His Brothers or Martin Scorsese's controversial Last Temptation of Christ For countless generations it has been a comfort in suffering a place to reflect on the mysteries of birth death and immortality Its stories and characters are an integral part of the repertoire of every educated adult forming an enduring bond that spans thousands of years and embraces a vast community of believers and nonbelievers The Oxford Companion to the Bible provides an authoritative one volume reference to the people places events books institutions religious belief and secular influence of the Bible Written by more than 250 scholars from some 20 nations and embracing a wide variety of perspectives the Companion offers over seven hundred entries ranging from brief identifications who is Dives where is Pisgah to extensive interpretive essays on topics such as the influence of the Bible on music or law Ranging far beyond the scope of a traditional Bible dictionary the Companion features in addition to its many informative factual entries an abundance of interpretive essays Here are extended entries on religious concepts from immortality sin and grace to baptism ethics and the Holy Spirit The contributors also explore biblical views of modern issues such as homosexuality marriage and anti-Semitism and the impact of the Bible on the secular world including a four part article on the Bible's influence on literature Of course the Companion can also serve as a handy reference the first place to turn to find factual information on the Bible Readers will find fascinating informative articles on all the books of the Bible including the Apocrypha and many other ancient texts such as the Dead Sea Scrolls Pseudepigrapha and the Mishnah Virtually every figure who walked across the biblical stage is identified here ranging from Rebekah Rachel and Mary to Joseph Barabbas and Jesus The Companion also offers entries that shed light on daily life in ancient Israel and the earliest Christian communities with fascinating articles on feasts and festivals clothing medicine units of time houses and furniture Finally there are twenty eight pages of full color maps providing an accurate detailed portrait of the biblical world A vast compendium of information related to scriptures here is an ideal complement to the Bible an essential volume for every home and library the first place to turn for information on the central book of Western culture *The Oxford Guide to People & Places of the Bible* Bruce Manning Metzger, Michael David Coogan, 2004 This guide to people and places of the Bible covers both the New and Old Testament It will be of interest to anyone needing an A Z reference work on the people and places mentioned in the Bible from prophets and apostles to kingdoms and monuments **An Introduction to Jewish Ethics** Louis Newman, 2019-10-16 For courses in Religion Judaism and Ethics This text offers an overview of the Jewish ethical tradition as it has evolved from biblical times to the present Provides an overview of the central beliefs of classical Judaism

and the ways in which these frame traditional Jewish approaches to issues in ethics both theoretical and practical **An Annotated Guide to Biblical Resources for Ministry** David R. Bauer, 2011-04-01 An Annotated Guide to Biblical Resources for Ministry evaluates over 2 000 books that were chosen because of their usefulness for the theological interpretation of the Bible within the context of the faith of the church significance in the history of interpretation and representation of evangelical scholarship This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and evaluate books that are highly recommended Virtually every topic in biblical studies is noted commentaries on each book of the Bible biblical histories theologies and ethics books on the canon archaeology early Judaism and interpretive methods and technical books such as grammars concordances Bible dictionaries and atlases The great strength of this guide is not only that it provides the reader with a wealth of information but also that the format it follows is eminently reader friendly The Guide is invaluable for assisting the student seminarian or minister in building a personal library I highly recommend it Jack Dean Kingsbury Professor Emeritus of Biblical Theology Union Theological Seminary in Virginia **The Oxford Guide to People and Places of the Bible ,**

The Hermeneutics of the 'Happy' Ending in Job 42:7-17 Kenneth Numfor Ngwa, 2012-02-14 The hermeneutics employed in this work is partly referred to as hindsight hermeneutics and upholds the resonance and dissonance between the Epilogue of the Book of Job and the preceding sections Within the Theophany epilogue continuum rebuke and approval retribution and its suspension divine transcendence and accessibility are all held together The dramatically discordant traditions in the preceding section are not interpreted as competing alternatives but as complementary possibilities for understanding the nature of the divine human relationship and responding to the threat and reality of chaos and suffering *The Resurrection of the Messiah* Christopher Bryan, 2011-04-05 Bryan combines literary historical and theological approaches in this study of the doctrine of the Resurrection Throughout he exhibits a willingness to face hard questions as well as an appropriate reverence for a faith that for almost two thousand years has enabled millions of people to lead lives of meaning and grace

The Bible George Anastaplo, 2008-03-14 The Biblical heritage is generally recognized as vital to the development and guidance of Western Civilization as we know it It is also recognized that it is in the interest of both believers and skeptics that the Bible be read with care Among the things to be noticed is the status of the virtue of prudence in various circumstances described in the Bible Particularly revealing in George Anastaplo s essays and appendices is what is shown about how intrinsically interesting the Biblical accounts are accounts which not only offer guidance for everyday life but also instruction about the enduring questions that people everywhere have been asking for centuries Thus The Bible Respectful Readings provides instruction for analyzing Biblical texts with care It makes readers aware of both the questions addressed and the relevant evidence that should be assessed within The Bible Winston Churchill counselled responsible thinkers today

to address not only those who enjoy the blessings and consolidation of revealed religion but also those who face the mystery of the human destiny alone In keeping with this spirit Respectful Readings accommodates to the wide range of prospective students of the sacred texts of Western Civilization Consider Christianity Elgin L. Hushbeck, Jr.,2005-06 In its first edition Consider Christianity by Elgin L Hushbeck Jr presented a basic defense of the Christian faith suitable for use by the thoughtful layman or the clergyman in need of answers to key questions about the reasons for faith In this new edition from Energion Publications he has reorganized and expanded the material and divided it into two volumes This volume is the first and deals with the Bible its inspiration and authority Hushbeck presents the evidence clearly leading the reader to a clear understanding of how the Bible was produced and why it can be taken as a reliable foundation for Christian faith *The Sacred Name Yahweh* R. Clover,2017-12-31 This book has been assembled with the serious student of scriptural studies in mind Its objective is to familiarize its reader not only with the arguments both pro and con about the use of the sacred name Yahweh but to provide detailed evidence demonstrating that it is the vital key for unlocking scriptural knowledge **The Ordeals of Isaac and Jacob** Martin Sicker,2007 The biblical author had to demonstrate that the founding fathers of the model civilization envisioned in Mosaic legislation intended as a model for emulation by other peoples and nations were recognizably human flawed as all humans are One can empathize with Isaac or Jacob who are seen to be human with their faults and frailties which one cannot do with a superhuman being These stories illustrate dramatically there are no characters of mythic proportions no superheroes only normal people living in dysfunctional families erring doing acts that are occasionally senseless and often embarrassing Yet these same people passed on an intellectual and spiritual heritage that will ultimately find full expression in the teachings found in the remaining books of the Pentateuch The Ordeals of Isaac and Jacob focuses on what the biblical texts are telling us explicitly and implicitly about these men the world in which they lived and how they managed to preserve the covenantal heritage left to them by Abraham Since biblical texts are not as clear as one might imagine scholars have struggled for two millennia to comprehend what the texts are actually stating and attempting to convey to the reader In re examining these Texts the author has consulted a wide range of commentaries and studies which approach the biblical narratives from a variety of perspectives and offers some novel insights of his own

Reflections on Biblical Histories Robert N. Palmer,2005-02-10 The book is a re examination of the Old Testament and historic figures contained therein plus a glimpse into the life of Jesus The author finds fault with the chronologies of both archbishops Usher and Edwin Thiele while showing a more accurate one for the Hebrew histories to have occurred using various disciplines Such as archeology Assyriology astronomy Biblical studies church history Egyptology Historic Geology and Paleography *Why Call It God?* Ralph Mecklenburger,2020-11-25 Why Call It God contends that God is the order of the universe including divine intangibles such as love justice beauty and compassion which correctly give us faith that our lives have purpose and meaning The age old problem of evil science increasingly explaining how the world works when we

used to turn to God and religion for answers and rampant secularism have produced a decline in religion though less a rebellion than simply a drifting away We need to understand that God is the order of the universe and thus the ultimate source of life meaning and spirituality Since no one fully understands the divine all God talk is metaphorical and approximate Many moderns mistakenly think they are religious doubters when in fact they are just holding on to personal metaphors for God as king and judge when they could and most often do believe in the awe inspiring order of being a conviction enhanced by science religion ethics and the arts

Evidence for the Bible Elgin L. Hushbeck, 2023-09-26 Christians rely on the Bible for information on both their most basic understanding of reality and in determining right and wrong in their decision making But can you rely on the Bible Evidence for the Bible is the first volume in the Consider Christianity series written by Elgin Hushbeck Jr It discusses the evidence for the inspiration and reliability of the Bible and deals with objections It is clear and forceful but also invites dialogue on this key issue of the Christian faith Chapter titles are How Did We Get the Bible The Bible and Modern Criticism Archeology and the Bible Science vs Religion Science and the Bible Is the Bible Reliable The Word of God or the Speculations of Men There is a clear reader's guide at the beginning of the book to indicate what is covered in each chapter giving readers a way to move quickly to the topics that most interest or concern them There is also an extensive index of topics This 3rd edition is revised and expanded and includes discoveries from the nearly twenty years since the 2nd edition was released You'll find a discussion of advancing scientific observations and theories including early results from the James Webb telescope Pastors Sunday School teachers Christian education directors and youth leaders will not want to miss this book
