Peeler, Patrick Gray, 2020-01-09 This volume offers a compact introduction to one of the most daunting texts in the New Testament The Letter to the Hebrews has inspired many readers with its encomium to faith troubled others with its hard sayings on the impossibility of a second repentance and perplexed still others with its exegetical assumptions and operations drawn from a cultural matrix that is largely alien to modern sensibilities Long thought to be Paul the anonymous author of Hebrews exhibits points of continuity with the apostle and other New Testament writers in the letter s or sermon s vision of life in the light of the crucified Messiah but one also finds distinctive perspectives in such areas as Christology eschatology and atonement Gray and Peeler survey the salient historical social and rhetorical factors to be considered in the interpretation of this document as well as its theological liturgical and cultural legacy They invite readers to enter the world of one of the boldest Christian thinkers of the first century The Story of Reality Study Guide Gregory Koukl, 2020-12-22 Study the narrative backbone of the Christian story and how all the plotlines of that story are resolved in the end Biblical Christianity is more than just another private religious view It s more than just a personal relationship with God or a source of moral teaching Christianity is a picture of reality It explains why the world is the way it is When the pieces of this puzzle are properly assembled we see the big picture clearly This six session video based study guide DVD streaming video sold separately based on the theological observations of his book The Story of Reality Gregory Koukl guides you and your group through the narrative arc of reality Throughout this experience you ll learn The vital answer to the question What is Christianity The five basic elements forming the plotline of the entire Christian story How the Christian story explains why there s evil in the world The precise reason why Jesus is the only way of salvation Why biblical faith is not a leap of wishful thinking Reasons why the story s record of the life and resurrection of Jesus is reliable How the biblical view of reality is the best explanation for the way things are This video based study is designed to be experienced in a group setting or any small gathering and includes outlines of the video teachings reflections self assessment exercises discussion questions and other activities to help you understand the concepts and put them into practice Participants in this course will come away with a more grounded understanding of biblical reality and a greater appreciation for the Christian tradition The Story of Reality

Beeke, 2018-10-15 Preaching today all too often tragically misses the point We've all heard sermons that sound more like a lecture filling the head but not the heart And we've all heard sermons tailored to produce an emotional experience filling the heart but not the head But biblical preaching both informs minds and engages hearts giving it the power to transform lives By the Spirit's grace biblical preaching brings truth home from the heart of the preacher to the heart of the hearer Joel Beeke a pastor and professor of preaching with over four decades of experience explores the fundamental principles of Reformed experiential preaching examining sermons by preachers from the past and bridging the historical gap by showing pastors what the preaching of God's life transforming truth looks like today
